Community Council Favors Creation of Unpaid Welfare Board

Votes Unanimously To Support Recommendation Reported At Annual Meeting Last Friday

One hundred and twenty members of the Newton Community Council, an organization financed through the Newton Community Chest and comprising some 50 Chest agencies, clubs, city departments and like organizations engaged or interested in social and health work in Newton held its annual meeting on March 28th. That meeting, after hearing and discussing the report by Mr. Robert E. Dickerman, Chairman of the Council's Division of Welfare and Relief, went unanimously on record favoring that report, which strongly recommended that an unpaid Board of Public Welfare be created in Newton.

In submitting his report, Mr. Dickerman said of the present Director of Public Welfare, Mr. James P. Reynolds, "From my brief personel experience with Reynolds, as well as from my many contacts with people who know him and his work, it is evident he is doing an outstanding job and he is to be commended for his exceptionally good work. The recommendations which follow (re an Unpaid Board of Public Welfare) would really result in strengthening his hands and would also bring Newton in line with a real state-wide established practice."

Dickerman's report went on to say that State Law permits a city to establish a Board of Public Welfare with personnel, tenure and responsibilities according to an ordinance of its own making. He further said that Mr. Arthur G. Rotch, Commissioner of Public Welfare for the Commonwealth, does not recognize the present set-up in Newton as constituting a real Board of Public Welfare, consisting as it does of the Director and his assistant.

Dickerman recommended that: 1—Such a Board in Newton should be composed of five unpaid members, selected from civic-minded citizens with a knowledge of or an interest in the local welfare problem; 2—Of this membership, one should be appointed for one year, two for two years and two for three years, to provide for the possibility of a rotation in office and yet keep a back-log of experienced personnel. Appointments to this board would be made by the mayor and approved by the Board of Aldermen. Upon the expiration of any term, reappointments to the Board could be made and would be for a term of three years; 3—The mayor should serve ex-officio as a member of this Board, and all other members should be unpaid and laymen, in terms of city government; 4—The Board should be comparable to the Board of Directors of a business. Its duties should be to serve as an executive and policy-making body, to submit an annual budget and to explain and defend it before the Finance Committee of the Board of Aldermen, to make an annual report, to be available to the Director for consultation and advice in exceptional cases, and to exercise final authority insofar as the Department of Public Welfare is concerned; 5—The Director of the Department should act as the Administrative officer of the Board, carrying out the general policies and procedures established by the Board.

Following this definition, Dickerman's report went on to say that the reasons for such a Board in Newton are: 1—Newton is one out of four of a total of 356 communities in the Commonwealth without some type of recognized Board; 2—A Board in Newton would strengthen the hands of our fully competent and excellent Director; 3—Would tend to insure continuity in the present high standards, policies and practices of the Department over a period of years; 4—Would provide an official group as a consultant and adviser for the Director in difficult problem cases; 5—Would provide a recognized public group to interpret the local welfare problems to the community; 6—Although we have a Director of the Department of Public Welfare with ability, integrity and high standards, nevertheless, an unpaid Board composed of civic-minded citizens would tend to build even greater public confidence in the work of the Department.

Carter Moves the Council Get Action

Speaking for the report was Mr. Maynard Hutchinson, who was Chairman of the Special Committee of the Board of Aldermen which made a study of and report on the welfare situation in the city in 1938, which report included a recommendation along the lines of that in Dickerman's report. Alderman Joseph B. Jamieson, member of that Special Committee of the Board also spoke in favor. Others urging the creation of a Board as recommended by Dickerman's report were Mr. Richard B. Carter, President of the Family Service Bureau; Rev. John A. Sheridan, of the Newton Catholic Welfare Committee with long and successful experience in private welfare work; and Charles C. Dasey, President of the Newton Catholic Welfare Committee.

Upon completion of the discussion, Harold P. Carver, Chairman of the Community Council, and who presided at the Annual Meeting, called for some motion from the floor. Mr. Richard B. Carter immediately responded with the following motion, which was seconded from many points

Reduce Assessments On Older Dwellings

The report of the Newton Board of Assessors recently issued shows that reductions of about $2,000,000 were made during the year 1939 in real estate values. This reduction was more than balanced by new properties which were built, and the total valuation of real estate as of January 1, 1940, was $152,078,000, or $242,000 more than the preceding year.

The reductions on real estate were largely on large, outmoded dwellings and on houses which were built during the boom years of the 1920s. The number of dwellings in the city were 15,154 and the number of automobiles taxed in Newton in 1940 was 27,542. The assessors comment that the trend in new houses is toward small, compact dwellings.

Sergeant Bannon Seriously Ill

Sergeant Richard L. Bannon of the Newton police department, a member of the Detective Bureau, became critically ill last Saturday morning at 1:30 a. m. at his home on Ward st., Newton Centre, when he had an internal hemorrhage. He was taken to Newton Hospital later that morning and early Saturday afternoon several members of the police department went to the hospital to donate blood. Transfusions were given by Patrolmen Joe Kelley and William Whelan, and blood was also donated by Patrolmen John McGrath, James McHugh and Warren Springer. Although still in a very serious condition, Sergeant Bannon is somewhat improved.

Newton Elks Elect Officers

Newton Lodge of Elks elected officers for the ensuing year at its meeting in Elks Hall on March 27. Those elected were: Bernard T. Haffey, Exalted ruler; Matthew Hurley, E.L.K.; Carl Eschelbach, L.K.; John J. Keefe, Lecturing Knight; Thomas Coppinger, secretary; D. Walter Kern, treasurer; Patrick Donahue, tiler; W. U. Fogwill, trustee; Ernest Bleiler, alternate delegate to Grand Lodge.

It was voted to donate $25 to the Brockton firemen's fund.

Past Exalted Ruler Robert Vachon and John Doherty, who had been ill for long periods, were present at the meeting. The following members were appointed to the "On to Philadelphia" committee: David Greer, John Bibbo, Wallace McPherson, Eugene Jassett, Fred Jassett, Joseph Plevack, James Flynn, Bernard Haffey and Thomas Coppinger.

Annual Easter Sunrise Service

The Annual Easter Sunrise Service of the Young People's Inter-Church Council of the Norumbega District Council of Religious Education will be held Easter morning at 6 a. m. at the Andover Newton Theological School, Institution ave., Newton Centre. The speaker will be Rev. Vaughan Dabney, Dean of Andover Newton. The service will be conducted by Haig Nargesian, President of the Council, and Joseph L. Yarlott, Chairman of Promotion. Music will be furnished by a trumpet quartet from the Newton High School under the direction of Mr. John Lingo. In case of unfavorable weather, the service will be held in the First Baptist Church, Newton Centre.

The aim of the Young People's Council is to unite the youth of the Protestant churches in Newton, Wellesley, Waltham, Waverley, Belmont, Watertown, Needham, and Weston in an interdenominational fellowship which strives to promote a common interest in the church and the community.

The service has been planned under the leadership of the Council officers. It is expected that more than five hundred young people will attend the service, which has been an annual feature of the Council's program for many years.

More Draftees To Go From Newton

Information printed in newspapers recently to the effect that there would be no more quotas from Massachusetts at the present time, has been contradicted. There will be more quotas which will have to be filled on or before July 1. Up to the present time the three District Boards in Newton have been notified they must provide 55 men.

District 112 must provide 18, one of whom will be a colored man. District 114 also must provide 18 men, one of whom will be colored. District 113 must provide 19 white draftees. This district has to date provided 57 draftees and the coming 19 will make a total of 76. During the past few weeks several young men in this district offered to volunteer but could not be accepted as the quota was filled. Now, those desiring to volunteer can again get in touch with the District office at City Hall.

The next draft from Newton will be on April 12 when 10 men must be provided. District 112 must furnish 3, District 113, 4; District 114, 3.

$1000 Fire In Newton Centre Apt.

The apartment building at 49 Langley rd., Newton Centre, was damaged to the extent of $1000 on Wednesday afternoon by a fire which started on the roof. Sparks from a chimney were the cause. Mrs. Lena Oliver who resides on the third floor made a hasty exit, carrying her infant grandchild. Henry Marriner, a retired Newton policeman, who lives on the second floor of the apartment, was attempting to extinguish the blaze when the firemen arrived.

Newton Receives Safety Award

At the annual banquet and conference of the Massachusetts Safety Council in the Hotel Statler on Tuesday the City of Newton received a plaque for attaining first place among cities between 50,000 and 100,000 in Massachusetts in highway safety. The presentation was made by Governor Saltonstall, who after awarding the first-place trophy to Lowell for cities of more than 100,000 population, said in presenting the award to Newton:

"In the second group, 50,000 to 100,000 population, my own city of Newton is a no less worthy winner. It reduced both fatal and non-fatal accidents last year and its efforts were due to the aroused interest of its citizens, expressed through the Newton Safety Council and a long and effective speed-control campaign carried out by the police.

"Mayor Goddard, you have well won this trophy and I congratulate the many of your citizens who are present."

Among those from Newton who attended the conference were: Mayor Goddard, Chief of Police Hughes, Alderman Max Gaddis (chairman of the Highway Traffic Committee), President Arnold Barker and Secretary Rupert Thompson of the Newton Safety Council; Mrs. Edgar Hay and Mrs. James Orr of the Newton Safety Council; Inspectors Thomas Burke and William Dowling of the Newton Traffic Bureau; Richard K. Dwyer and George J. Martin.

Patrolman Riley Loses Pay Case

Patrolman John L. Riley of the Newton police lost out in his long fight against the City of Newton this week when the appellate division of the District Courts upheld the decision of the Newton court in a suit brought by Riley against the city to recover money withheld from his pay for the retirement pension fund.

Riley was appointed to the police department in 1916 and resigned in 1920. He was reappointed to the service in 1935 with all priority rights. He contended that this also applied to his pension which was non-contributory when he resigned in 1920. In the interim between that year and his reinstatement the contributory system was put into effect. No money was deducted from Riley's pay until 3 years later.

Newton Bicycles Are Registered

Registration of bicycles started in Newton yesterday at 1:30 p. m., when Mayor Goddard affixed the first registration plate, number 1001, to the bicycle of

Indicate Lower Tax Rate For This Year Despite More Services

Costs of Two-Platoon In Fire Dept. And Day Off In Six For Police Offset by Other Factors

The budget recommendations of the Finance Committee were presented to the Board of Aldermen at a special meeting on Monday night. The committee showed its accord with Mayor Goddard by reducing his estimates only $33,431.81. Chairman McKay of the Finance Committee made the pleasant prediction that Newton's tax rate will be still further lowered this year. And this will be done although the two-platoon system has been granted the firemen, provision is being made to add two sergeants and six patrolmen to the Police Department, to give the policemen one day off in each six, and a considerable number of salary increases granted to clerks in city hall and to other employees.

The Mayor's budget recommendations totalled $5,266,344.25 and the Finance Committee's totalled $5,193,498.57. Appropriations made before the budget totalled $331,081.58. The Water Department budget is $302,190.26, as compared with the Mayor's recommendation of $305,530.26. The Mayor's budget recommendations included $39,414.87 for the Middlesex County Hospital, and this was not included in the total figure of the Finance Committee's recommendations. The Aldermen had to make a separate appropriation on Monday

Newton High To Play Night Grid Game Next Fall

The release of the 1941 fall high school football schedule shows that Newton High will play its first night football game on Friday, October 24, at the Lynn stadium against the Lynn Classical football team. The schedule, approved at a meeting of the School Athletic Council on Wednesday, finds Newton with nine games, six of which will be played at home. It is stated that in the event weather conditions make the night set-to impossible the game will be played on Saturday afternoon. The game with Lynn Classical is the return engagement of a two-year home and home agreement, the teams having met at Newton last fall. Other changes in the local schedule show the dropping of Medford and Brockton. One of the factors in these changes is the later scheduling of the Everett game, one of the oldest series in local history. Annually played about Oct. 12th as the third game the Everett affair will be played a week later as the fourth of the season. Replacing the two teams which have been dropped are Cambridge Latin and Leominster. The latter team takes the first Saturday in November while the game with the Cantabs will be on Oct. 11th. The three games away from home will be the Lynn Classical, Leominster, and Brookline games. At home the orange and black will meet Woburn, Quincy, Cambridge, Everett, Fitchburg and Waltham.

Schedules for the spring sports were also approved. The baseball season will open on April 17th at Arlington, with ten games listed for Coach Jeff Jones' nine. The outdoor track team has seven meets beginning on May 3rd at the Worcester Interscholastics. The tennis team will open stage the first of ten scheduled matches and tournaments on April 23rd. The golf team will open April 28th against Belmont.

Appoint Three To Newton Police Force

Three members of the reserve force of the Newton police department were appointed regular patrolmen on Wednesday by Chief Hughes. They are—William J. Burke, 22 Melbourne ave., Newtonville; Bernard Fitzpatrick, 177 Derby st., West Newton; Albert Yanco, 32 Auburn st., West Newton. They will fill vacancies caused by the deaths of two patrolmen and the resignation of another.

Newtonville Garden Club Sponsors Spring Lecture

The Newtonville Garden Club is sponsoring a lecture by Mr. Charles P. Gorely at the Newtonville Woman's Clubhouse on Friday, April 18th, at 10.30 a. m. The lecture, "Planning and Planting the Home Grounds," will be illustrated with colored slides. The proceeds will be used for seeds for Finland.

Building Shows Increase in March

During the month of March 85 permits were issued by the Newton Public Buildings Department. The valuation of the projects to be done under these permits was estimated at $336,090. Up to April 1, 1941, since the first of this year, 170 building permits have been issued, and the cost of the work under them is $554,094. In the same period last year there were 145 permits issued, and the valuation was $479,094.

Of the permits issued last month 23 were for single residences, with a valuation of $146,200, and 14 were for two-family houses with a valuation of $130,500. There is a large increase in the number of two-family houses being erected.

WPA Project At Thompsonville

WPA officials at Washington have approved a project to improve the Thompsonville playground and the adjoining Bowen School yard. The Federal government will allot $12,353 for this project. The WPA also allotted recently $7602 for the pistol range which will be erected adjoining police headquarters at West Newton.

Ames Again Head of Newton Veterans Council

At the meeting of Newton Veterans Council on Friday night at Memorial Hall, Harold D. Ames was elected to serve as chairman for a third term. Other officers re-elected included Fred Farrington, treasurer; Mrs. Velman McKay, secretary; Mrs. Frances Cannon, delegate to Newton Community Council.

Kiwanis Club

A double junior quartet from the pupils of the Bigelow Junior High School rendered several musical numbers at the meeting of the Newton Kiwanis Club last Tuesday. Arrangements were made by Haydn Morgan, who has charge of music instruction throughout the Newton schools. Hayden Pearson, Principal of the Bigelow Junior High School, introduced the pupils. Those taking part were James Rich, Hollis Killam, James Robbins, John Georgian, Gordon Carlisle, Douglas Winate, Louis Apple and William Alteri. Miss Hubbard accompanied them on the piano.

Mr. Carlton W. Ray, Principal of the Pierce and the Angier Schools, was received as a new member of the local club. Mr. Ray lives in Newton Highlands. He is a graduate of Boston University, a member of the American Legion, and also the Federation of Teachers. He was appointed to membership on the club's underprivileged child committee. George White presided at the induction ceremony.

The speaker was Dr. H. M. Abraham of Cambridge. Dr. Abraham is connected with the New England Christian and Jewish Committee for War Relief. Dr. Abraham, who is of Jewish origin and Jewish faith, was a former prominent lawyer and writer of Berlin, Germany. He left Germany in 1939, spent approximately a year in England, and then came to this country.

Dr. Abraham spoke briefly of the persecution of the Jewish race in Germany, and mentioned that it was directed chiefly against the Jewish aristocracy. He described the plight of the world war refugees in not only this country but throughout the countries of the world. Most of them were forced to leave their homeland, leaving behind practically all of their worldly goods and with no foundation to start a new life. Many of them in European countries today are afraid of further deportation movements, and realize that they may have to move again anytime to they know not where.

In regard to the influence of immigrants or refugees on the unemployment problem, Dr. Abraham called attention to the fact that the total immigration to the United States since 1933 approximated 100,000 individuals, of which about 35,000 were workers. With some 7,000,000 unemployed, he felt that the effect of 35,000 more or less was negligible.

Dr. Abraham mentioned several large refugee organizations in America who are doing a great work to help the refugees regain their confidence in mankind and get a new start in life.

Racquet Club Plans For Coming Season

The Newtonville Racquet Club is making preparations for the opening of its thirtieth season. The two clay courts on Jamieson st., Newtonville, will be reconditioned as usual, and it is hoped to have them in condition for playing shortly after the 19th of April. A drive for about fifteen new members will be started, which will fill up the allowed membership of the club. It is planned to have the usual matches with several of the nearby clubs during the season.

The Annual Meeting will be held at 7:30 p. m. on Tuesday, April 8th at the home of Mr. W. C. Auryansen, 27 Jamieson st., Newtonville.

Present officers are: W. C. Auryansen, president; Rodney C. Eaton, vice-president; F. C. Alexander, secretary; F. L. Edmands, treasurer.

MY OWN SAVINGS BOOK

Children will find it hard to resist filling the attractive and enticing pages of a novel, eye-appealing coin depository called "My Own Savings Book" which is being distributed by the Newton Savings Bank in its program to bring to children a realization of the value of money and thrift.

Colorfully illustrated with elfin-like figures and playful animals, and with a running commentary and text of tantalizing verse, "My Own Savings Book" is designed to create the savings habit among children by making a game of thrift, and to teach them the relative values of coins and money. It provides an attractive "bank" at home for the small coins children are likely to earn or save.

The illustrated cardboard pages hold the coins securely in place while little figures and animals dance and caper among them. A seal, for example, balances a nickel on his nose, a cow jumps over a "copper penny" moon, and an energetic ball player bats out a "silver dime" baseball.

When the collection of coins is complete for a total of $2.00 the capacity of each book, the verse with the nursery rhyme flavor concludes with this bit of advice:

"And sakes alive, 'fore I knew,
I had really saved up Two—
With such a very large amount
I started my own bank account.

Copies of "My Own Savings Book" are being distributed by the Newton Savings Bank at a charge of only 15c to defray costs. Get one for your child today.

Newton Families

THE ALBERT E. EVERETTS

Mr. and Mrs. Albert E. Everett of Crown st., Auburndale, and their family of four offer one very good reason as to why the phrase "one big happy family" was coined.

Mr. Everett is professor of coordination at Northeastern University from which he graduated. As usual he is doing graduate work and research in his field in order to keep in touch with recent developments. On the side he also keeps his hand in at carpentering, telescope making, and gardening. A trio of hobbies well suited to round out his academic interests. These Mrs. Everett shares with him as a former teacher in the Newton schools before her marriage.

Gardening is also a hobby with his son, Herbert—Herbie to his family and friends—aged twelve who with his elder brother, Sonny, aged thirteen, or Albert as he appears on the school records, go to the Warren Junior High School. Anne Marie aged ten, and Robert or Robin as he prefers to be called, complete the circle. Anne Marie is a pupil at the Burr School, and Robin is a proud kindergartener.

Music is a strong tie in the Everett family. The three older children are already proficient at the piano, while their father is a soloist of some reputation. He is also active in the Church of the Messiah, Auburndale, where the family goes regularly.

Mr. and Mrs. Everett have made their home in Newton since their marriage in 1926.

EDWARD H. Powers' Paragraphs

On Tuesday at the annual banquet and conference of the Massachusetts State Safety Council, Newton was awarded a trophy for having had the best highway safety record in 1940 for cities in Massachusetts between 50,000 and 100,000 in population. In presenting this trophy Governor Saltonstall said that the reduction in both fatal and non-fatal accidents in Newton last year was due to the aroused interests of its citizens, expressed through the Newton Safety Council, and a long and effective speed control campaign carried out by the police.

It is not our purpose to detract from the commendable and continued interest displayed by the small group of men and women who have persevered in the work of the Newton Safety Council. At the request of Mayor Childs, the writer served as chairman of the organization meeting of the Newton Safety Council a few years ago, and there were about four score persons at that meeting. We observed a gradual and large decrease in the attendance at meetings of the Safety Council. Those of us who were sincerely interested in the council at the start, might have had good reasons for having dropped out of it, but I shall not state any of them now. I shall give credit to the limited number who continue in the organization for their interest in highway safety.

But the real reason for the drop in automobile accidents in Newton during 1940 was the action of Chief of Police Hughes in establishing a 30 mile speed limit in Newton, and the co-operation he received from many members of his department in enforcing this speed limit and in apprehending violators of other automobile laws. And credit must be given to the members of the Newton Traffic Bureau, Sergeant Burke and Inspectors Hammell and Dowling for the zeal they have shown in apprehending and prosecuting offenders against highway safety, and in endeavoring to arouse the public to co-operating in reducing accidents.

For nearly a score of years the writer has advocated in Newton newspapers a campaign against speeders and other reckless drivers, and the abolition of "fixing." I have also favored the operation of "traps" on highways to catch speeders and drivers who ignore traffic signals. In this I have differed from many who contend that "traps" are unfair to motorists. If the manner in which a trap was being operated on Commonwealth ave. Wednesday night by two Newton policemen was a criterion, I would have to admit that the opponents of "traps" are right.

Near Lake st., at the Newton-Boston line is a pedestrian operated traffic signal. A trap can well be operated at this place because too large a percentage of motorists who drive along the avenue at this point, ignore this signal. Wednesday night a few minutes before 9 I was driving easterly along the avenue when I observed two policemen. One was operating the pedestrian signal. The other was standing 40 or 50 feet to the West of the signal. As I approached at a speed of about 20 miles an hour, the red and yellow lights were flashed on by the policeman at the signal. I stopped. A car coming the opposite direction did not. The officer at the signal blew his whistle and the other car halted. The policemen then turned on the green light and I started my car. As I did, the other policeman stepped out onto the highway and gave me a hand signal to stop. I wondered what kind of a game the two cops were playing.

I stopped again, opened the left door window of the car and told the policeman who had stopped me that the officer at the signal had given me the green light. His reply was—"I know it, but we have the right to stop you even when you have the signal light to go ahead." I answered that I knew he had this right, but it seemed peculiar to have the other policeman give one signal and he to immediately give an opposite one. Whereupon the policeman, with whom I was talking, arrogantly said—"We are running this thing, drive along." I did, but the officer at the signal again switched it onto red and yellow and a taxi coming rapidly the opposite direction went by the lights, got the whistle and stopped about 100 feet West.

I alighted from the car and asked the policeman at the signal (whom I knew) who his partner was. He told me. At the same time the couple who were in the car which had first passed the red and yellow lights came across the street to talk to the officer. They were a refined American couple apparently in their late 60s. The elderly gentleman was so flabbergasted that he could hardly speak. The lady with him said in a frightened voice to the policeman—"He has never been stopped before. He will not have to go to court will he?" The policeman replied—"That will be up to the Traffic Bureau."

I asked the other policeman who was up the road to come down to the signal and he did. I told him that in my opinion he had been rude, and

NEWTON In The Past

55 YEARS AGO

Newton Graphic, April 3, 1886

The annual prize drill of the Claflin Guard, Company C, 5th Regt. M. V. M., was held in Armory Hall, Newton, on Monday evening and was attended by several hundred ladies and gentlemen. The company turned out with full ranks, Captain Houghton in command, and toward the last when the contestants for the Pulsifer medal had narrowed down to three, and then to two, excitement ran high. The three were—Private Callaghan, Sergeants Kaiser and Farwell. Finally, after Callaghan had dropped out, the prize was awarded to Kaiser. The medal is of gold and Sergeant Farwell had won it twice. Had he won it Monday night, it would have been his permanently. After the drill, dancing was enjoyed.

Go to Eliot Church on Sunday at 5 p. m. and hear good music by the Eliot Church choir and orchestra, and hear Rev. Dr. Calkins talk on "Absalom, the Fast Young Man." You will be amply repaid.

On Wednesday Dr. Mary E. Bates was suddenly called to attend C. B. Lancaster's young daughter who was convalescing from a severe attack of scarlet fever, and who had a sudden, critical attack. For this reason she was 20 minutes late in commencing her lecture in Eliot Hall. Immediately at the close of the lecture she returned to care for her patient, accompanied by Dr. Henry O. Marcy and Dr. Langmaid, who had come from Boston to hear the lecture. Little hope is entertained for the child's recovery at this writing.

Dr. G. A. Tower of Watertown had an interesting confinement case at Nonantum last week. The mother was Mrs. F. A. Peterson who gave birth to a little girl of only 15 pounds.

A largely attended indignation meeting was held in Vycle Hall on Tuesday evening. E. H. Pierce presided and the "Dexter block nuisance" in Newtonville was fully discussed. The building was once a piano manufactory, stands in the heart of the square and is used for tenements and stores. It is owned by O. B. Leavitt and Dustin Lancey and the general impression is that something ought to be done to improve it. One proposal is to move the building back 30 feet and citizens to stand the expense. Another plan is to form a stock company and purchase the building. Shareholders would be property owners within a half mile of the depot.

Barbers of Boston and vicinity will hold a mass meeting on Sunday afternoon in Vernon Hall, Tremont st., Boston. It will be in the interest of all barbers to attend. The shops in Boston which have been charging 5 cents for a shave raised their price to 10 cents today. Sunday closing will be next on the program.

At 2:35 a. m. Saturday a fire was discovered in a small wooden building on Washington st., Newtonville, owned by J. Warren Bailey and occupied by S. F. Hatchard, meat dealer, and F. H. Rose, upholsterer. The building was only partly consumed and the loss will not exceed $1000. The building has been an eyesore to the village and threats to burn it have been frequently made, and its occupants have been to some extent boycotted. The fire was of incendiary origin.

A Thompsonville gardener reports that the first croak of a frog this year was heard on March 26, six days later than last year.

The city fathers having declined to give Thomas Belger a permit to build a blacksmith shop at Eliot st., near Boylston st., Newton Highlands, he proposes on advice of his lawyer to build a fireproof shop on the spot.

50 YEARS AGO

Newton Graphic, March 27, 1891

Crocuses have made their appearance on many of the lawns of the city.

E. L. Bacon very beautifully sang Gounod's song, "Easter Eve," at the 4 o'clock meeting at Eliot Hall last Sunday afternoon.

Any pew-holder of Eliot Church having two seats they are willing to sublet will please address P. O. Box 1172, Boston, stating the price for same per year, and the number of the pew.

A gentleman and wife can obtain board in a private family in one of the most charming and healthy locations in Newton Centre, near depot. Stabling if desired. Address P. O. Box 462, Newton Centre. (Adv.)

Master Richard M. Gould entertained the "Tiddly Winks" Club at his home in Newtonville last Friday. He received very pretty remembrances on the occasion.

The steamroller was left on Grafton st., Newton Centre, on Monday night. Someone fired it up and left it, and during the night the whistling of escaping steam was loud and continuous until Mr. Peck was aroused from his sleep. He came and examined the streamroller and found the pressure up to 60 pounds, although 40 pounds is as high as it is run ordinarily.

At Hickey's paper mill, Upper Falls, the gates were closed on Tuesday to enable some repairs to be made to the waterwheel. Messrs. Crandall and Brown were just decending into the flue when the gates gave way with a crash, and the water came rushing down the raceway starting the wheel and machinery. A moment later and the two workmen would have lost their lives.

Recreation Dept.

Several staff members of the Newton Recreation Department are availing themselves of an excellent opportunity for professional advancement by attending the Recreation Training Institute being conducted at the Boston Y. M. C. U. The courses are in charge of outstanding leaders who are presenting new methods and materials for community recreation. Through lectures, games, social programs and seminars, ideas are being crystallized and new enthusiasms aroused, the effects of which will, no doubt, result in higher standards throughout the entire local Recreation Department. Those attending one or more courses are: Helen Andersson, Mary Feeney, Ralph Hamilton, Margaret Hills, Ragna Hovgaard, John Lawless, John Leary, Claire McCarthy, Sheila Parker, Leighton Reimer, Leo Sullivan, Pauline Teschner and Ewing Wilson.

Boys' Handcraft

The boys of the Emerson Neighborhood Center, working under the direction of Mr. Leighton Reimer, have been making many attractive articles such as door stops, magazine racks, ash trays, book-ends, tie racks, waste baskets and towel driers. Those in the group include Gordon Ulass, Fred Shivone, Frank Generazio, David Horrigan, Alton Lane, Richard McClelland, Stephen Gastowski, Jack Braceland, Christy Torantino, Walter Horrigan, Graham Lane, Bobby Lawn, Paul Schivone, Arthur Muldoon and Joe Russell.

Table Tennis

The Stearns Center table tennis group played a tournament at the Nonantum Athletic Association club house last Tuesday night. It was an elimination match, the winner, Ed D'Angelo, being the survivor. Competitors in the tournament were:

Stearns Center	N. A. A.
Ed D'Angelo	A. Sbordoni
K. Boudreau	S. Fried
E. Boudreau	P. Pasquale
J. Ricciardi	F. Fraini
P. Leone	M. Piantidosi
W. Howe	D. Patriarchi
R. Hamilton	B. Lembo

The N. A. A. challenged the Stearns Center group for a return match to be played early in April at the Stearns School.

Letters To The Editor

SERVICE MEN RECEIVE GIFTS

April 2, 1941.

Editor, Newton Graphic,
Box 205,
Newton, Mass.

Dear Sir:

On behalf of the Newton Bon-Voyage Citizens' Committee, we wish to thank you for the splendid results received from your article in the Newton Graphic of March 14th.

This publicity requested citizens to donate various useful articles including playing cards, magazines, Victrola records, etc. The response was immediate and generous.

We want the donors to know that all contributions have been delivered and distributed to the Newton men in service at Camp Edwards. These men were most appreciative of the efforts made by our citizens to make life just a little more enjoyable.

Sincerely yours,
ROY S. EDWARDS,
Chairman,
Newton Citizens'
Bon-Voyage Committee.

WALK WARILY

Suggestions from an Overworked Guardian Angel

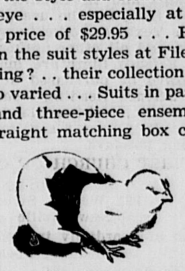

7. **CORNERS VS. CORONERS.** Always cross at corners, where motorists slow down and expect to meet foot traffic. Use crosswalks where available. Most pedestrian accidents occur *between* intersections, especially when the unwary walker steps out from between parked cars.

Wow! . . . Wow! A rain drop here . . . some sunshine there . . . will never harm our Easter Wear.

Filene's
IN WELLESLEY

SUITS soar to stardom . . . practical, wearable, forever popular suits . . . and Filene's has conscripted a smart young glen plaid two-piece suit for immediate wear . . . Tailored with all the distinguishing details that label it "new" . . . the smoother shoulder—medium length jacket—bias-pleated skirt—plus four diagonal patch pockets . . . It just can't help but attract the style and comfort-conscious eye . . . especially at the modest price of $29.95 . . . Have you seen the suit styles at Filene's this spring? . . their collection was never so varied . . . Suits in pastels . . . and three-piece ensembles with straight matching box coats

($35.00) . . . Marching side by side in the draft are the 1941 versions of Coats for misses and women . . Coats in finest fabrics . . . interesting weaves . . . smart materials . . . in models featuring braid, tucking, Trapunto trimming . . . your choice of fitted or classic boxy styles (priced from $10.95-$39.95) . . . Do your Easter shopping at Filene's where it's so convenient to match accessories to your ensembles.

Terr-Germaine

The Terr-Germaine Shoppe at 15 Central st., Wellesley has hosts of thrilling new California Hats just out of their tissues . . . hadn't you better see if yours has arrived? You know that the California Hats are most exciting and dramatic . . and much in demand. . . The last shipment sold out completely . . . Your Easter Bonnet should give emphasis to the feminine trend this spring . . . perhaps an old fashioned bonnet like grandmother wore . . . Whatever your choice in hats—Terr-Germaine has the silhouette most becoming to you.

THE TRIANGLE SHOP, 22 Church st., Wellesley . . . presents its Preview of Easter . . . Exciting new costume suits and dresses . . . tailored with youthful enthusiasm to appeal to youthful eyes . . . The two-piece jacket frocks—always a favorite in every smart wardrobe . . . Smart long coats of wool, beautifully lined, over frocks of gay print or matching color . . . Navy or black afternoon dresses with crisp touches of white . . . Don't fail to look over this selection (new as the first peep of an Easter chick!)

MANDELL'S, 311 Walnut st., Newtonville . . . If you're choosy about your "Brute's" Easter gift—here is the place to do your choosing—where hosts of new shirts and ties afford you great assortment . . . There isn't a tie you won't be proud of and an AROTOWN ENSEMBLE (as adv. in Esquire) consisting of Arrow Shirt ($2.00)—matching shorts (65c) and handkerchief (35c) . . . plus a stunning Arrow Tie ($1.00) . . . is certainly well worth mentioning . . . It's MANDELL'S for the MEN!

Russo's hair stylists

Beauty that turns men's heads is not just in a clever coiffure . . . but in the sleek loveliness of your hair . . . in live, springy curls and radiant color . . . If your hair is drab or gray and becoming a problem to you . . . let Russo do the

Recent Weddings

MICAUD—WADDELL

Miss Nancy Bradley Waddell, daughter of Mr. and Mrs. John Gilchrist Waddell of 50 Shaw st., West Newton, was married to Charles Antoine Frederic Micaud of Brunswick, Maine on Saturday afternoon at the home of her parents. Rev. Raymond Lang, D.D. of St. John's Episcopal Church, Newtonville, performed the ceremony at five o'clock. A reception followed.

The bride wore navy blue trimmed with white with a hat of navy and carried a bouquet of white roses. She was attended by her sister, Mrs. E. Kent Damon, a senior at Smith College, as matron of honor and Miss Betty Black of New York City was the maid of honor. They wore gray dresses with navy hats and carried bouquets of pink gladioli.

David Graham of Freeport, Maine was the best man.

On their return from a wedding trip to New Hampshire Mr. and Mrs. Micaud will reside at 25 Federal st., Brunswick, Maine where they will be at home after April 16.

The bride was graduated from Smith College in 1940. She spent her junior year in France where she studied at the Universities of Dijon and Paris in The Sorbonne. The groom attended the Universities of Paris and Lyons, and Columbia University. He is a member of the faculty of Bowdoin College.

Long Chase After Drunken Driver

William Pridey, 22, of 66 Tremont st., Brighton, was arrested by Newton police, including Patrolmen Henrikus, Charlton and Smith at Newton Centre sq. about 10 o'clock on Monday night after the stolen car he was driving had crashed into a hydrant on Centre st., near the Newton Centre Women's Club. Pridey had been chased five miles from Wellesley by Patrolman Chisholm of that town. Chisholm notified Wellesley police headquarters by radio as he pursued the fleeing car, Wellesley notified Newton police headquarters, and a radio message to Newton cruising cars had local policemen waiting for the fleeing automobile at Newton Centre.

Pridey, who had operated the stolen car along Washington st. from Wellesley to Beacon st. at Lower Falls, and thence over that street, was blocked by a car which had stopped by the traffic signal at Newton Centre. The fleeing automobile hit the traffic tower before striking the hydrant. In the car with him was Edward Ryan, 23, of 384 1-2 Washington st., Brighton, who was arrested for drunkenness. He was turned over to Brookline police, who charged him with being involved in the theft of the car, which was owned by Saul Greenberg, owner of a Brookline market. Pridey was arraigned in the Newton court on Tuesday on charges of drunkenness, and driving while under the influence of liquor. His case was continued until April 10.

Two companions of Pridey and Ryan were arrested by Natick police in a tourist cabin and turned over to Brookline police. One of them had been occasionally employed by Greenberg.

Fires In Newton Dwelling Houses

A defective chimney caused a fire in the house at 41 Lincoln rd., Nonantum shortly after 2 p. m. last Friday. Engines 1 and 8 and Ladder 3 responded to a still alarm.

At 11.25 a. m. last Friday a fire was discovered at the home of Minnie H. Nickerson, 34 Hartford st., Newton Highlands. Box 64 was pulled bringing five pieces of apparatus. The fire started in a room on the second floor and was confined to that room. Damage was estimated at $700.

At 1 a. m. Sunday Patrolmen Sullivan and FitzSimmons discovered a fire in the tool house on the Albemarle Golf Club grounds near Crafts and North sts. They pulled an alarm from Box 28. It was necessary for the firemen to lay 600 feet of hose to reach the fire. The blaze, which was of incendiary origin, caused damage estimated at $1000.

Fined $35 For Drunken Driving

Lewis Breck, 42, of Bright st., Belmont, was fined $35 by Judge Mayberry in the Newton court on Wednesday for driving while under the influence of liquor. He was arrested on March 12 by Patrolmen Murphy and Goodale after his car became stalled in a snowdrift on Arnold rd., Oak Hill.

STALWART AGAINST THE STORM!

When the sea shimmers peacefully in the sunlight, the strong wall which protects the house above the shore seems useless and unnecessary. But the wise householder knows to what furies that still surface can be stirred; he rests content because the wall is there.

Storms break on the shore of every family's life — and nobody knows when they will come. That is why life insurance stands guard over homes where all is now serene. Seemingly unnecessary to-day — it becomes a strong wall against the world when financial storms arise.

The storm of adversity is at its height during the period immediately following the death of husband and father. The John Hancock Readjustment Income Plan provides protection during this critical period at a cost that is within the most rigid family budget. Ask us about a plan to fit *your* budget.

Women's Club Activities

Coming Events

Upper Falls Woman's Club

The Newton Upper Falls Woman's Club will meet at the Emerson School, Monday, April 7, at 7:30 p. m. Mrs. Harold T. Sprague, president, will preside at the business meeting. The Newton Upper Falls Garden Club will provide the feature of the evening which is to be a lecture by Mr. Charles E. Gilbert whose subject will be "Boston, Old and New."

The Art Committee, Mrs. Frank G. Mordo, chairman, is planning an exhibition of Sandwich glass. Mrs. Raymond Capobianco is chairman of the evening and Mrs. Austin W. Flint and Miss Alice Temperley will serve as hostesses.

Newton Centre Neighborhood Club

The Newton Centre Neighborhood Club will hold its next meeting on Monday, April 7th, at the home of Mrs. Allen Hubbard, 51 Montvale rd., Newton Centre. It will be a supper meeting at 6:45, followed by a short business meeting. Miss Esther Winslow is chairman of the supper committee.

Waban Junior Women's Club

Monday, the seventh at eight p. m., the Waban Junior Women's Club will gather with its friends for an advance showing of Easter and spring fashions. Club members, under the direction of Miss Virginia Hamilton, will model the latest styles of a local shop.

Miss Dorothy Loud is in charge of the refreshments to follow the fashion show. At the business meeting plans for the annual dinner in May will be presented to the club.

Newton Centre Garden Club

There will be a meeting of the Newton Centre Garden Club on Monday, April 7th, at 10:30 a. m. at the Newton Centre Woman's Club house. Address by Mrs. Ralph G. Swain, Brockton, on "The Modern Trend in Conservation." Mrs. William H. Lothrop will preside. Coffee will be served at 10 o'clock by the Hospitality Committee, Mrs. Elias Field and Mrs. Clifford P. Smith, assisted by Mrs. D. Allen Smith.

Newton Highlands Junior Woman's Club

Alice Dixon Bond, Newton's widely known literary critic, will speak on "A Literary Banquet" at the meeting of the Newton Highlands Junior Woman's Club to be held on Tuesday evening, April 8th, at 8 p. m. in the Workshop, Newton Highlands. Due to this feature attraction Tuesday evening will be a guest night, and all club members are urged to come with relatives and friends who will, of course, be as anxious as we are to hear Mrs. Bond's entertaining and instructive talk. At this meeting, also, Miss Betty Townsend, chairman of the Nominating Committee, will present the ballot of officers for next year.

Auburndale Woman's Club

The annual meeting of the Auburndale Woman's Club will be held at the club house Tuesday, April 8th. Luncheon served at one o'clock. Norma Woodward will participate in the afternoon program.

Social Science Club

A meeting of the Social Science Club will be held at the Museum of Fine Arts in Boston, Wednesday morning, April 9th, at ten thirty o'clock.

Newton Community Club

In the Underwood school hall on Thursday, April 10, at 2 p. m., Newton Community Club will present Dr. David D. Vaughan, Professor of Social Ethics at Boston University. Dr. Vaughan will speak on the subject "Youth and the New Age." During the early part of his career he was a social worker back of the stock yards and on South Halsted st. in Chicago, which brought him close to those vital problems of today that demand sympathetic and scholarly interpretation. Twenty years in the class room of a graduate school and on the lecture platform have combined to give his message both the scientific viewpoint and the popular appeal.

Mrs. William W. Burnett will serve refreshments during the social hour assisted by Miss Nettie L. Stiles, Miss Margaret E. Reeve, Mrs. Edgar M. Horne, and Mrs. John R. Webb. Mrs. E. P. Leonard, Jr., and Mrs. Norman R. Millard will arrange the table decorations.

Recent Events

Upper Falls Woman's Club

The Newton Upper Falls Woman's Club held a spring fashion show and bridge at the home of Miss Clementine Vara, Chestnut st., Waban, Monday evening, March 31.

Sport clothes, afternoon dresses, ensembles and evening gowns were modelled by Miss Marie Sullivan, Miss Lina Vara, Miss Hope L. Hunting, Miss Eleanor Lane, Mrs. A. Perry Holt, Jr., Miss Frances Warren, Mrs. Frank J. McHugh and Miss Alice E. Jones.

Mr. Harold R. Slaney of Needham provided the musical program. Bridge followed the fashion show, arrangements for the successful party were handled by Mrs. John Donlon.

Newtonville Woman's Club

"Garden Pictures Through the Year" was the subject of an illustrated lecture presented at a meeting of the Newtonville Woman's Club, on Tuesday, April 1st, at the clubhouse.

Anne Leonard, an authority on flower photography and an ardent lover of nature took her audience on a tour of lovely gardens by means of her natural color slides. Throughout her lecture, Mrs. Leonard cleverly presented much practical information on the care and cultivation of flowers without detracting from the beauty of her delightful talk. The informal New England gardens with their brilliant perennial borders were shown. The more formal restored gardens of Williamsburg, Virginia, outlined by their trim box-wood hedges gave forth an atmosphere of the days of long ago. The homey cottages of Sconset, Nantucket were almost completely hidden under the luxurious growth of climbing roses of every hue. The transforming of a barren courtyard eleven stories high in the heart of New York City into a spot of dazzling color and beauty was one of the most interesting stories of the afternoon. In addition to the many gardens, Mrs. Leonard also presented several close-ups of our choicest blooms and shrubs.

Mrs. Kenneth Bernard, soprano, and a member of the club, sang a group of flower songs. She was accompanied by Mrs. Ernest Nichols, pianist.

The Art Committee, under Mrs. Edward J. Norris, chairman, held a "Silver Coffee" in the Social Hall before the meeting. There was also a display of rugs made in the Rug-Hooking Class by club members.

Newton Highlands Woman's Club

The regular meeting of the Woman's Club of Newton Highlands, was held in the Parish House of the Congregational Church, Tuesday, April 1, 1941 at 2:30 o'clock.

Mrs. Frank Mansfield Taylor gave one of her very interesting talks on "History in the Making."

The Art Committee, of which Mrs. Roger C. Ellis is chairman, had a very interesting exhibition of miniatures carved out of celluloid by Mr. Flansburgh. There were also some beautiful birds carved out of wood, the chickadee was especially interesting because it has recently been adopted as the State bird.

The Review Club

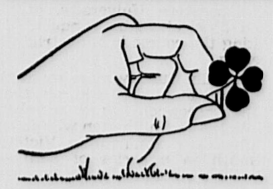

Three papers on South America were read when the club met at the home of Mrs. Edward Kelly, 91 Central st. on Tuesday morning, April 1, Mrs. James G. Patterson, the president, conducting the business meeting.

Mrs. George F. Howland, chairman of the morning, opened the program with her paper on "Buenos Aires, the Paris of the New World" and described this very modern and up-to-date city which compares most favorably with our own metropolis.

The next paper on "New Roads to Riches" had been prepared by Mrs. Harold Knowlton and was read in her absence by Mrs. E. Sherman Chase. The many sources of income to South America as noted in her paper including, minerals, oils, rubber etc., were emphasized, showing this country has great possibilities in manufacturing those things necessary to the needs of the present crisis.

Miss Eleanor Pinkham brought the program to a close with a review of the journey made by Tschiffely who traveled on horse back from Rio to Washington, D. C., and spent three years on this unique trip.

The club adjourned to meet two weeks later with Mrs. Wickliffe Spaulding.

MORTGAGEE'S SALE

By virtue and in pursuance of the power of sale contained in a certain mortgage deed given by Francis Clark Atwood and Eleanor Bonnar Atwood, his wife in her right, both of Newton in the County of Middlesex and Commonwealth of Massachusetts, to the Danvers Savings Bank, a corporation duly established under the laws of said Commonwealth, and having a usual place of business in Danvers in the County of Essex and said Commonwealth, dated November 26, 1924 and recorded with Middlesex South District Registry of Deeds Book 4792 Page 340, for breach of the conditions in said mortgage deed contained and for the purpose of foreclosing the same, will be sold at public auction upon the premises hereinafter described on Monday, the twenty-eighth day of April, A. D. 1941, at three o'clock in the afternoon (Daylight Saving Time) all and singular the premises conveyed by said mortgage deed and described therein as follows, viz:

"The land with the buildings thereon situated in said Newton being Lot No. 5 on a Plan of Land in Newtonville belonging to Eleanor Bonnar Atwood E. S. Smilie Surveyor, October 4, 1923 recorded with Middlesex South District Deeds Plan Book 326 Plan 19 bounded and described as follows:—Southerly by Frederick Street fifty (50) feet, Westerly by land of owners unknown one hundred (100) feet, Northerly by Lot six (6) as shown on said plan fifty (50) feet, Easterly by Lot four (4) as shown on said plan one hundred (100) feet. Containing according to said plan four thousand nine hundred eighty-eight (4988) square feet. Being part of the premises conveyed to me by Dennie P. O'Sullivan by deed dated October 10, 1923 and recorded with Middlesex South District Deeds Book 4666 Page 248. Said premises are hereby conveyed subject to restriction of record so far as they are now in force and applicable, and to a right of way over a strip of land five feet wide on the northerly side of said lot, and together with the benefit of a right of way over a strip of land five (5) feet wide on the northerly side of Lot four (4) and a strip of land five feet wide on the southerly side of Lot six (6) on said plan, said strips together forming a passageway ten (10) feet wide to Denis Street, for the common use of the owners of said Lots four (4), five (5) and six (6) and their heirs, executors, administrators and assigns."

Said premises will be sold subject to all unpaid taxes, assessments, or other municipal liens.

SIX HUNDRED ($600.00) DOLLARS will be required to be paid at the time and place of sale, and the balance in ten days thereafter on delivery of the deed.

Vaccine For Dogs Jumps In Price

Because the City of Newton cannot procure the same type of vaccine used in former years to inoculate dogs against hydrophobia, and the vaccine available costs twice as much, Mayor Goddard has asked the Aldermen to add $460 to the $900 requested in the budget for the expense of the annual inoculation of dogs this month. The clinic will be conducted by Dr. Richard Schofield, Inspector of Animals.

night for the hospital assessment. The remainder of its budget recommendations will be passed at the regular meeting of the Board next Monday night.

An interesting feature of the special meeting Monday night was the attendance of groups of students from various colleges who are studying city government. These included students from Harvard, Boston University, M. I. T. and Wellesley, and in addition pupils from Newton schools. These students were accompanied by some of their professors and instructors. Another interesting matter in connection with the budget was the inclusion in the $1850 asked for the Executive Department by the Mayor of an item of $1000 for use, if necessary in conducting any secret investigation in the interests of national defence. No action was taken on the budget recommendations of the Finance Committee Monday night. They were only discussed.

Among the increases in salaries recommended by the Finance Committee are—Miss Laura Ellice, Deputy Collector, $2500 to $2750; James Reynolds, Director of Welfare from $3500 to $3750; F. Ewing Wilson, Recreation Commissioner, $3500 to $3750; WPA Sponsor's Agent, Harold Young, $3050 to $3130; Captain Nicholas Veduccio, police department from $2950 to $3000; Police Radio Technician Walter Hartford from $2290 to $2450; Police Garage Mechanic Charles Beckert, $1790 to $1990; Chief Inspector Robertson of the Health Department, $2600 to $2700.

The Fire Department will be provided with a new aerial ladder to cost $15,000. This ladder will be stationed at Ladder 2 house at Newton Highlands to replace the present small truck there. The latter will be sent to Engine 9 house at Chestnut Hill.

Speeder Fined $25 In Newton Court

Theodore Plimpton, 2 West Hill place, Boston, was fined $25 by Judge Mayberry in the Newton court on Saturday. On February 24 Motorcycle Officer O'Donnell stopped Plimpton for speeding at 11.50 a. m. on Commonwealth ave., and gave him a warning. At 3.50 p. m. the same day O'Donnell again caught Plimpton speeding along the avenue at a rate of 50 miles an hour. Plimpton was fined $10 in the Newton court on March 12 for speeding. At that trial, Inspector Hammell was the complainant.

Will Make Change In Golf Course

As a result of complaints by residents of Pine Grove st., Lower Falls, that golf balls from the nearby golf links of the Metropolitan District park have been breaking windows in houses, it is planned to relocate number 12 hole there. It is estimated that it will cost $8350 to make this change.

and carried unanimously: "I move that the Newton Community Council, with appreciation and commendation for a job well done, accept Mr. Dickerman's report; that the Newton Community Council go on record as favoring the creation of an unpaid Board of Public Welfare in Newton along the lines recommended in that report; that copies of the report, with a record of these votes, be sent to all the Newton Community Council's member-organizations, delegates, individual members and to appropriate members of the city government. I further move that the Governing Board of this Council be instructed to take all proper steps to bring about the creation of such an unpaid Board of Public Welfare."

Other Committees and Divisions Report

The following Divisions and Committees submitted written reports, all of which showed great activity and real accomplishment. Group Work Division, Haydn Pearson, Chairman; Research Committee, Chairman Richard B. Carter; The Thrift Center, Kenneth W. Rogers, Treasurer; Case Conference, Chairman, Mrs. Henry T. Dunker; Volunteer Service Committee, Chairman Mrs. B. Alden Thresher; Social Service Index Committee, Chairman Mrs. Lucius E. Thayer; Christmas Basket Committee, Chairman Rev. Irving Murray; Legislative Committee, Mrs. Philip A. Segal; Public Relations Committee, Chairman Norman A. Hall; Newton Employment Committee, appointed by the Council at the request of Mayor Goddard, Chairman Howard W. Selby. The Treasurer's report, from Maynard Hutchinson, showed the Council ended the year 1940 with a balance of $98.78.

Slate for 1940-1941 Elected

Chairman Carver in closing the meeting called upon Mr. Richard B. Carter, Chairman of the Nominating Committee, for a report. Mr. Carter and his committee, comprising Mrs. F. Ward Paine, Mrs. Douglass B. Francis, E. T. Dungan, and Haydn S. Pearson submitted the following slate of officers and Governing Board members of the Newton Community Council for 1941-1942: Chairman, Mr. Harold P. Carver; Assistant Chairmen, Mrs. Lucius E. Thayer, Mr. M. John Barry, Mr. Clarence G. McDavitt, Rev. John A. Sheridan, Rev. Irving R. Murray, and Mrs. Henry T. Dunker. Other members are: Mrs. Philip A. Segal, Mr. Kenneth W. Rogers, Mrs. Edward S. Stimpson, Mrs. John MacNeil and Rev. Richard T. McClintock.

Powers' Paragraphs

(Continued from page 2)

suggested that he engage in better team-work with his partner in operating the trap, instead of giving contradictory signals. He again reiterated that he had the right to disregard the signal light and stated that we will do as he sees fit.

We know many members of the Newton police department, especially the older officers. With few exceptions they are our friends. We know they have a tough job, that if they do their duty they are criticised, and if they don't do it, they are criticised. We have found most Newton policemen to use good judgment and courtesy. But a few, like the young policeman with whom we had the argument, think that because they have considerable authority vested in them, they can ignore the rights of citizens and act like miniature dictators. We still believe in "traps," but we don't believe that any policemen operating them should snap on traffic signals when a car is so near that the driver either must jam on brakes or pass the light and be booked. Policemen who abuse their authority either through lack of common sense or arrogance, should be enlightened, or curbed.

Alleged Hit-Run Driver In Crash

Gerard Souliere, 19, of Seekonk, while driving from Orleans, Vermont, to Newton to appear in court last Friday on a hit-run charge, was injured in an automobile collision near St. Johnsbury, Vermont, early that morning. The car he was driving in, accompanied by his father, collided with a car allegedly driven by a drunken driver. Souliere telephoned his attorney, Thomas Donnelly, at 5:20 a. m. last Friday and stated he had received a head wound, and that his father's nose was fractured. The case was accordingly continued until April 11.

Souliere is accused of having been the driver of the car which on February 23 hit John Berndtson, 78, of Harding st., West Newton, as the aged man was crossing Waltham st. at Crafts st. Souliere's car was stopped an hour later at the Needham-Newton line and strands of thread clinging to a door handle on the car, matched the cloth in Berndtson's coat, which had been torn when he was hit.

Wrong From The Beginning

The controversy over the use of land adjacent to Crystal Lake, formerly the site of the ice house, has temporarily been concluded as far as action by the Board of Aldermen is concerned. Two petitions were rejected recently—that for a permit for a gasoline station at that location and the more recent one seeking to change the zoning of a portion of the land from manufacturing to residence. The second petition was filed by the owners of the land with the understanding that it would be agreeable to them provided the filling station permit was obtained. This understanding was a tactical error upon the part of those aldermen who tacitly or otherwise agreed to consider the evidence to be submitted. Either or both petitions should be decided upon their individual merits. Not only did the understanding place the Aldermen in the position of being charged with "making a trade" but it made somewhat uncertain the sincerity of those seeking the filling station. Yet the understanding once having been made that were the filling station petition rejected the owners of the land would be permitted to withdraw their request for changing the zone of the remaining land there is a little moral justice in the viewpoint that their withdrawal be granted.

We believe that the situation is best relieved by permitting the withdrawal of the zoning petition. The chief concern at present can only be the erection of some sort of manufacturing plant that would be permissible under the present zoning restrictions. However, the ever-widening interest in the proposed Smith Memorial Park makes it desirable that the city take steps to insure the proper protection of the vicinity by ac-

Aldermen Pass Budget Of $5,193,498.57---More Services to Be Provided

Alderman Hoffman Votes Against Budget Because of Continued Increase

The Newton Board of Aldermen on Monday night voted to pass the 1941 budget as recommended by the Finance Committee. The budget figures totalled $5,193,498.57, omitting the Water Department budget, which totalled $302,190.26. Appropriations this year before the budget have been $331,081.58, plus $2485.80 for the Water Department. In addition to the budget figures the Aldermen appropriated at the request of Mayor Goddard, $475 for a two-way radio in the armored car of the police department, $675 to equip the 5 police motorcycles with two-way radios, and $210 for 3 portable power-plants in fire stations for remote receivers. These additional radio appliances, and eight additional patrolmen for the police department, were described by President Floyd as necessary for "defense plans." It had commonly been supposed that the additional patrolmen were for the purpose of giving the members of the police department one day off in each 6, instead of one day off in eight, as in the past. The budget also provides $1000 for use by the Mayor in secret investigation for national defense.

In addition to having eight additional patrolmen, the police department will have two more of its members with the rating of sergeant.

The budget provides salary increases for two department heads, 66 clerks at City Hall, and 126 other city employees. These increases total $10,067, so many of them are small. The Fire Department budget includes $15,000 for a new aerial ladder which will probably replace Ladder 2 at Newton Highlands. The old ladder will go to Engine 9 house at Chestnut Hill.

Alderman Hoffman was the only member of the Board to vote against accepting the budget figures. He said there has been too much of an increase in the Newton budgets the past 4 years. He stated that the recent annual report of the State Department of Education shows that the per capita cost of education in Newton is still the highest in this State, and that Newton's junior high school cost has proved too expensive. Referring to expensive costs in running Newton, Hoffman said an employee of the Library Department gets $2500 for handing out books.

Alderman Hoffman said that he wished he could share the satisfaction expressed by the chairman of the Finance Committee relative to the 1941 budget, but it is $132,000 higher than expenditures in 1940 and $369,000 higher than expenditures in 1937. He quoted figures to show that in 4 years the cost of the Buildings Department increased from $160,357 to $225,982; Fire Department from $264,715 to $331,015; Street Department from $837,647 to $936,038. He argued that the cost of city expenses in 4 years is equivalent to $2 in the tax rate, and that the only result of a salary survey made in 1940 was a net increase in costs to taxpayers. He said "it would be interesting to know what happened to the 'self-analysis' survey made by the School Department. Has anyone ever seen it?"

Hoffman said that the prospective cut in the tax rate must be due to other factors not within the control of the Board of Aldermen, and the Board should not take pride in any reduction of the tax rate this year, Hoffman argued that the increase in the Newton tax rate between 1937 and 1939 was due to the administration of Governor Curley, and the decreases this year and last are due to smaller State assessments and increases in other revenues. He said that Newton's per capita tax is higher than that of other cities and is growing at a faster rate. Hoffman contended that Newton assessors plug away at minor revaluations, but they never have changed the policy of high valuations. He said that Newton grew most rapidly during the period of high real estate prices, and we have, therefore, a more serious problem than has Wellesley which has grown since the depression.

Alderman Hoffman argued that Newton's debt is high, that the trend is unfavorable, and that the high cost of government in Newton can only be met by the Aldermen making lower appropriations. He believes that Newton would get better service if we spent less money and action should be taken now. If we wait many more years, Newton will fall under a weight of a tax burden that will change the character of this fine residential community.

Airport At Oak Hill Discussed

A letter sent out recently to members of the Oak Hill Improvement Association gave the information that on March 24 the executive committee of that association held a meeting at which was discussed the proposed airport at Oak Hill and the recommendations that new facts concerning this airport should be communicated to the members of the association.

The letter signed by Norman Hall, president of the association, stated that on March 17 Mayor Goddard received the report of his committee appointed June 11, 1940, to "consider the question . . . of planning a municipal airport for some time in the future;" and immediately made it available to me, and to the com-

Supreme Court Sustains Verdict In Cullen Case

The Massachusetts Supreme Court has affirmed its decision on the case of Bart Cullen against the City of Newton. The full bench of the court recently overruled a decision made by a single justice and found for Cullen in his contest to be restored to his former position of sergeant-mechanic in the Newton police department. Cullen ceased to hold this position on July 1, 1939, after the Board of Aldermen early that year had abolished the position by refusing to make an appropriation in the budget for it. The Alderman had considered that the position was unnecessary. Cullen contended that they had not acted in good faith, and that his civil service status protected him against removal from police service.

A master was appointed to hear evidence and reported in favor of the city. A superior court judge sustained the report of the master and so did a judge of the Supreme Court. Then, the full bench of the highest court found for Cullen.

Francis X. Hurley, attorney for Cullen, on Wednesday filed a motion for entry of judgment. This motion will be heard on April 18 by a judge of the Supreme Court. If granted, a writ will be issued ordering the Mayor and Chief of Police to reinstate Cullen. The city will have to pay Cullen his back salary and also part of the court costs. The ruling of the Supreme Court was based on the contention that Cullen should have been given a hearing before his position was abolished.

More Draftees to Report Wednesday

Four men have been ordered to report at City Hall on Wednesday morning, April 16 to provide the next quota from District 113. They are Arthur E. King, 30 Charles st., Auburndale; George C. Wilson, 543 Dedham st., Oak Hill; Frederick M. Stearns, 12 Glastonbury Oval, Waban; Roland J. Hart, 162 Melrose st., Auburndale. The first three are volunteers. In case any of the four named men may not pass physical examinations at the induction station, two other men have been notified that they may be selected as replacements. They are—Kenneth W. Sharpe, 39 Newtonville ave., Newton; Leonard J. Priore, 20 Hale st., Upper Falls.

Three draftees will be provided by District 112 and the following have been notified to report Wednesday morning: James F. Ellis, 12 Chesley ave., Newtonville; John J. Scarlett, 8 Jepsen court, West Newton; Paul G. McDonald, 53 Bowers st., Newtonville. All are volunteers. As replacements in case of any rejections, three more volunteers have been notified to be in readiness: Charles F. Cunniff, Lenglen rd., Newton; Arthur Macaluso, 28 Chesterfield rd., West Newton; Joseph S. Campisi, 27 Cottage place, Newton.

Three draftees have also been notified to appear by the Board of District 114. They are John J. Higgins, 87 Washington st., Newton; William H. Haines, 44 Ripley st., Newton Center; George T. O'Donnell, 30 Crosby rd., Newton Center.

To Show Model of Smith Memorial at State Convention

At the annual meeting of the Massachusetts State Federation of Women's Clubs at Swampscott for three days beginning Monday, May 5th, the model of the proposed Smith Memorial Park in Newton will be on display. Alderman Donald D. McKay has been invited to show the model and explain the plans to the meeting. It is possible that the State Federation may formally endorse the movement which shows indication of developing widespread public support.

The proposed Memorial to Samuel Francis Smith, author of "America" and for many years a resident of Newton Centre, would be as a park on the shore of Crystal Lake on the site of the former ice house. The land in question is that which has caused considerable controversy as to petitions for rezoning and filling stations before the Aldermen for the past several years.

New Rules For Milk Delivery In Newton

The Newton Health Department has issued an order to all milk dealers delivering milk in this city, informing them that starting October 1, all milk bottles, cans and paper containers must be covered or equipped with caps of a type to protect the pouring lips of the containers. This means that instead of merely having a single cap to keep the milk from escaping from the bottle or container, a second cap, or a cap of a type that will cover the edges of the top of the bottle or container must be used. This will protect consumers against germs getting onto the lip of the bottle from the hands of milk truck drivers, or otherwise. A large percentage of milk dealers in Newton now use the protective type caps.

The second rule which will be placed into effect is—that all surface coolers in pasteurization plants must have shields so that exposed milk will not be contaminated. Other rules issued are — unwarranted use of special names for milk, such as "baby milk"; that deflectors be used on filling machines; that all barns at Grade A farms must have concrete floors, and sheathing on walls and ceilings and that anyone selling goat's milk in Newton must have a license.

Name Eligibles As Reserve Police

The following names have been received from the Civil Service Commission as eligibles for appointment to the reserve force of the Newton Police Department on which there are three vacancies: John Umina, 120 Pine st., West Newton; James McManus, 61 Pond st., Newton; Thomas J. Brady, 18 Washburn st., Newton; Alfonso Mascia, 458 California st., Newtonville; John Duane, 216 River st., West Newton.

Lengthy Controversy Precedes Rejection of Crystal Lake Zoning

Petitioners For Filling Station Had Asked Permission to Withdraw

Another episode in the long-drawn-out controversy over attempts to establish a filling station adjacent to Crystal Lake, Newton Centre, took place at City Hall on Monday night when the Board by a vote of 14 to 5 voted to approve the unanimous report of the Claims and Rules Committee, granting leave to withdraw to the petition (presented last year) of Elsie Tufts (Metropolitan Ice Company), which asked that a lot of land on the north side of Norwood ave. be changed from business zone to single residence zone; and the petition of the Purity-Crystal Ice Company which asked that the land formerly occupied by the Crystal Lake Ice Company, and lying between Centre st., Norwood ave. and the lake, be changed from manufacturing to general residence zone. Debate on the matter took nearly two hours of the Board's time and was featured by bitter retorts.

Alderman Rawson, chairman of the Claims and Rules Committee, in presenting the report, said it has been the custom of the Board to grant petitioners leave to withdraw their petitions if they desire to do so. He gave as an example the case in recent months where John Richardson of Dover was granted leave to withdraw a petition he had filed for a change of zone of land on the Worcester turnpike near Florence st. Rawson said that Elsie Tufts had filed a petition for a permit to establish a filling station at the locus, corner of Centre st. and Norwood ave., and the two zoning petitions had also been filed at that time, contingent upon the granting of the petition for the gasoline station. He commented that the Newton Planning Board had reported unfavorably on the zoning petitions; the Planning Board having declined to act on these petitions because they were contingent on the petition asking for the gasoline station permit.

Alderman Gaddis opposed the report of the committee. He said that the Board was not obligated to allow the petitioners to withdraw their petitioners. He said that his decision to favor the rezoning, and thus oppose the committee's recommendation for the withdrawal of the petitions had been brought about by the remark made at a preceding meeting by Alderman Rawson when the latter said that a business block or manufacturing establishment might be erected on the ice company property in question. Alderman Hughes said that the Claims and Rules Committee had executed a back-flop in making the report, that rezoning is the only available remedy to clean up the situation caused by the condition of the ice company property near Crystal Lake, and it is more important to consider the welfare of the city and the people who own properties around Crystal Lake than it is to defer to the petitioners.

Alderman Lee favored the report of the committee. He said the two petitions were filed in good faith contingent to the granting of the petition for the gasoline station, and these petitions had come together. He said he is interested in the public, but our dealings with taxpayers require good faith. Alderman Hughes said Lee had presented a hypothetical case, and if the Aldermen did not consider this matter on its merits, they would be establishing a very dangerous precedent. He said the ice company had permitted a bad condition to exist at the property for a number of years, to allow the petitions to be withdrawn would continue this condition, and that no member of the Board had admitted that any agreement had been entered into with the petitioners. Hughes commented that the Aldermen should keep good faith with the citizens who have elected us, and not with the petitioners who have kept the property near the lake in the condition in which it is.

Alderman Jamieson said he agreed with Alderman Lee. He said the effort to rezone the property did not emanate from the petitioners, but from the Newton Centre Improvement Association. Alderman Everts favored the report and said the petitions had been entered together, so it would be unfair on his part to vote against the committee's report. Alderman Hughes said the ice company has not co-operated and has acted like a spoiled kid. He argued that the city should take any property that will benefit the people of the city. Alderman Rawson referred to a case in 1935 when the city refused to change a parcel of land from general to private residence zone because it was argued that to do so would be confiscation. He said he had been working for the interests of the city during all the years he has been on the Claims and Rules Committee.

Alderman Hoffman said the ice company had made a strong protest against the rezoning of its property near Cold Spring swamp area, nevertheless the Claims and Rules Committee recommended that this property be rezoned. Hoffman called it a parallel case. Alderman Rawson said that the rezoning Hoffman referred to dealt with the size of house lots, and was not a parallel case.

Alderman McKay read a long speech in which he disagreed with the report of the committee and favored the rezoning of the ice company property. This speech is printed elsewhere in this issue of The GRAPHIC.

Alderman Hughes interrupted McKay to quote from a speech made by Alderman Rawson at a meeting of the Board of April 17, 1939 when Rawson was opposing the majority report of the Claims and Rules Committee on a petition to allow the Florence Crittenton Society to use the Clark residence on Claremont st., Newton, as a home for girls in its custody.

Alderman Temperley opposed the report of the committee. He said there are public service companies and semi-public service companies which cater to public good will, and some do not. He told of the petitions entered in 1930 by the Gas Company for permits to erect a large gas holder and service yard near Grove st., between Auburndale and Lower Falls, and how the Gas Company withdrew these petitions and co-operated in the changing of its property from manufacturing to single residence zone in deference to the wishes of Auburndale residents. He contrasted this with the attitude of the ice company in its treatment of the people of Newton Centre by continuing the nuisance caused by the condition of its property near Crystal Lake.

Alderman Rawson said he did not have to write his speeches. He commented that he understood there was to be a glorious memorial on the ice company land and that the public and the children would rally toward creating this memorial by contributing dimes and nickels, so why was there worry about the future of the property. Rawson said the memorial project reminded him of the definition of the Missouri mule. It had no pride of ancestry, and no hope of posterity. Alderman Walker said the reputations of the seven members of the Claims and Rules Committee can safely be left to the judgment of the members of the Board of Aldermen. He argued that the matter of granting leave to withdraw to the petitions is a question of fairness, decency and self-respect, that the owners of the property had stated they would be willing to restrict the zoning of the remainder of their land near the lake, if the permit for the filling station were granted. He said he could not hold his head up, and be faithful to his oath of office if he did not vote for granting leave to the withdrawal of the two petitions.

Alderman Hoffman said this mess is due to the lack of clear thinking on the part of the Aldermen at the outset. The contingent petitions should not have been brought in together. He said that he believed a majority of the Aldermen will vote to rezone the property, but a petition for such rezoning should be brought in clean cut, and the Board should accept the present recommendation of the Claims and Rules Committee.

Alderman McKay, replying to Alderman Rawson's twitting at his plan for the memorial, said that if sabotage had not been practiced on his project by some members of the Board of Aldermen, during the past 6 months, he would have made more progress on the memorial project. McKay said he had advised some members of the Aldermen not to bring out certain issues at the meeting, but since they had seen fit to do so, he would reveal that he had been invited to attend the first meeting which had been held at the residence of a Newton Centre citizen residing near Crystal Lake when the matter of the rezoning was first discussed. McKay said that meeting was attended by several members of the Board of Aldermen, and others interested in the gasoline station and the ice company property. He said that the granting of the permit for the gasoline station and the rezoning contingent upon it, was put up as a plain, bold deal, and "I said I would have nothing to do with it. I was not invited again."

Alderman Hughes asked that the matter be referred back to the committee, now that the barnacle of the filling station had been removed, and that a hearing be held to obtain the sentiment of the public on this matter. Hughes said he regretted to see Alderman Rawson step out of his usual role as the champion of Newton citizens, to fight for a mythical right of a public service company. Alderman Rawson moved the previous question. Alderman McKay asked that action on this matter be held over until the next meeting so that we can hear what the public and the Planning Board says.

President Floyd put the question to a voice vote and declared it carried. Alderman Temperley doubted the vote, so a rising vote was taken. Those who voted to accept the committee's report and allow the zoning petitions to be withdrawn were Aldermen Lee, Fahey, Schipper, Everts, Whidden, Bacon, Floyd, Walker, Jamieson, Hoffman, Inches, Lockwood, Rawson and Eustis. Those who voted in the negative were: Aldermen Cronin, Hughes, McKay, Gaddis and Temperley. Alderman Barwise did not vote. Alderman Eaton was absent.

THE HORACE B. DAVIS'

There is an international flavor to the household of Mr. and Mrs. Horace B. Davis and their four children at 300 Lake ave., Newton Highlands.

First of all — it's American to the core. Mr. Davis, who was born in Newport, Rhode Island, is the grandson of John Davis, Governor of Massachusetts, and grandnephew of George Bancroft, historian and secretary of the Treasury, who founded the Naval Academy at Annapolis. He holds a bachelor's degree from Harvard and a Ph.D. from Columbia.

Since then he has served on the staff of the International Labor Office in Geneva, and held teaching appointments in all four corners of the earth. At the present time he is assistant professor of economics and sociology at Simmons College.

Mrs. Davis, who graduated from Smith College as Marian Rubin of Minneapolis, is also teaching at Simmons, and often conducts summers lectures in current events.

Of their four children, Horace Chandler, aged fourteen, who plans to be a chemist, still remembers vividly his year at school in Sao Paulo, and his sister Barbara, who is thirteen, reads in Portuguese as well as English.

Wind instruments are popular in the Davis family, since Horace plays the clarinet and Barbara the flute, accompanied by their father on the more prosaic piano. Wilhelmina at nine has taken stage dancing lessons, while Esther Fisher, at six months, goes in for the vocal arts.

The international flavor is strengthened by one other member of the family, Patrick J. Houlihan, tried and trusty Irish terrier.

Honor Students Inducted Into National Society

The Newton Chapter of the National Honor Society of High School students held its annual induction ceremony at the Newton High School on Wednesday morning. Forty-one juniors together with 69 seniors became members of the honor society, joining the forty seniors who became members a year ago, making a total of 150 honor students in the high school. Dr. Herbert Gezork, professor at Wellesley College and Andover Newton Theological School was the guest speaker.

The service opened with a trumpet selection by John Sircom and Charles Thomas followed by four short addresses defining the equalities upon which membership in the society is based. George Sheridan spoke on "Character," Barbara Kehn on "Service," Alice Birmingham on "Leadership" and Richard Bolin on "Scholarship." As each came forward to speak a torch was lighted symbolizing the quality represented. President Donald Holmes presided and Principal Raymond A. Green welcomed the new members and distributed society pins.

Mr. Green introduced Dr. Zezork who gave an inspiring and thought-provoking talk on "What America Means To Me." The speaker was formerly general secretary of the German Baptist Youth Movement and a speaker and commentator for the German National Broadcasting Company in 1935 and 1936. He has written many articles in German and in British periodicals on religious and social topics.

The selection of members to the National Honor Society is based on the four qualities noted. To be eligible a pupil must be in the upper 25 per cent of his class scholastically, must have no red marks at regular marking period during the year of election, and must have been in school for one year. Eligible lists are posted after the third marking period and faculty members vote for the pupils they know on a point system. Averages are taken and those who rate highest in this collective opinion become members. Approximately five per cent of the junior class and 15 per cent of the senior class thus become elected to the Newton Chapter.

The induction ceremony as given at Newton will be repeated next Wednesday by Donald Holmes, George Sheridan, Barbara Kehn, Alice Birmingham and Richard Bolin at Marlboro High School which received its chapter in the national society this year and invited Newton to give its first ceremony.

The members of the Newton Chapter are as follows:

NEWTON In The Past

55 YEARS AGO

Newton Graphic, April 10, 1886

Some of our taxpayers want to know who among our city fathers, has an interest in the manufacture of muzzles for dogs?

Burglars visited Newton on Monday night and secured over $400 worth of plunder from the houses of George E. Hatch on Waverley ave. and James Scott on Ward st.

The tunnel under the B & A tracks opposite Channing st. is again flooded. Raising of the grade will probably be necessary. There is ample room overhead, the only objection being the frighful noise of passing trains rumbling over the roof of the tunnel.

One of the youngest organists who ever sat before the keyboard of a church organ began his services on Sunday at the new Baptist Church, Newton. He is J. Wallace Goodrich, a young man of great promise, who has a marked musical career before him.

Prices of feathers and birds are dropping. Ladies who care to be fashionable will no longer wear them on their hats. Flowers will be the popular trimming for the coming season.

A horse and buggy belonging to Andrew Cromwell of Dorchester was run into on Crafts st. on Sunday. A lady and gentleman were thrown out but fortunately were not injured. Both shafts on the buggy were broken and the horse ran to West Newton where it was caught by John Buckley and put up in Brackett's stable.

Jerry Corcoran of Walnut st., Newton Centre, reports he has a dog which he thinks is mad and he wishes to have shot. Officers Fuller and Heustis are looking after the case.

We are credibly informed that liquor selling is openly carried on in certain sections of this city in violation of the law. If asked why this traffic is allowed, it may be answered because of inherent defects in our police system. The cities of Cambridge, Somerville and Lowell each have one or two detectives whose special duties are to ferret out and bring to justice violators of the criminal and liquor laws. No insignia of office warns the law breakers of their approach.

50 YEARS AGO

Newton Graphic, April 3, 1891

The Easter offerings at Grace Episcopal Church amounted to $1500.

A black and tan dog was shot near the Newton depot on Tuesday morning by Patrolman Harrison. It was running about snapping at everyone and grabbed Baggage Master Morgan by the hand. Fortunately he had a thick leather glove on.

Easter Sunday was a red letter day in the history of the Newton Street Railway and hundreds took the opportunity to use the new services of this electric railway to go to the various churches in this city. Every closed car the company owns was pressed into service, and even an open car was used during the afternoon. The number of passengers carried totalled 3067.

The streets received their spring cleaning the past week but the clouds of dust were very disagreeable and there have been loud demands for the water carts to be sent out.

The Auburndale Village Improvement Society has issued a spring circular asking the various storekeepers in the village to co-operate in the spring cleaning up. Every householder is also asked to give proper attention to old barrels, heaps of ashes and rubbish which are so apt to collect in back and side yards during the winter months, much to the annoyance of neighbors and passers-by.

At the Methodist Church in Upper Falls last Sunday evening the Easter and Missionary concert was rendered, and the annual jug-breaking took place. The contents of the jugs were counted and Mr. Sherman's as usual was the banner class, their jug containing over $12. The total amount from the jugs was over $42.

The Magnolia baseball grounds on Watertown st., Newtonville, are now a thing of the past. The fence which enclosed them has been removed, and the grandstand and ticket office have been torn down.

All taxpayers of Newton opposed to the present plan for the assessment for sewers, as embodied in the new sewer ordinance, are earnestly requested to attend the public hearing at City Hall on Monday evening, April 8 at 6 o'clock. John W. Carter, Marcus Morton, Nathaniel Allen, T. B. Fitz, committee of Ward 3.

FOR SALE—A roan horse, stands 15 hands, 2 high; weighs 950 pounds. Sound and kind, and is not afraid of electric or steam cars. Has good action and is a good roader. Address C. E. Sweet, Box 193, Auburndale. (Adv.)

EDWARD H. Powers' Paragraphs

The meeting of the Newton Board of Aldermen on March 31 was attended by groups of students from Mass. Inst. of Technology, Harvard, Wellesley, Boston University and Newton High School. They attended the meeting to obtain a practical demonstration of "democracy at work." It is too bad that instead of having attended that meeting, the students of government did not attend the meeting of the Aldermen held last Monday night. It would have been much more interesting, and a far better demonstration of "democracy at work."

The meeting held on March 31 was a special one, and was devoted mostly to a reading of the report of the Finance Committee on its budget recommendations. The meeting was quite colorless, apart from some queries made by Alderman Hoffman. But the meeting held last Monday night, April 7, was something else. Had the college students attended that meeting, they would have been more entertained. They would have listened to some arguments tinged with bitterness, heard pleas for good faith, decency and the rights of the public, and observed such intensity of emotions as revealed by the facial expressions of several of the Aldermen as are rarely witnessed, at least in this intelligent, legislative body of the City of Newton. A few of the Aldermen became so nerved up during the discussion, that the floridness of their faces indicated a blood pressure which might have produced a cerebral hemorrhage.

Alderman Hoffman contributed a worth while contribution to the discussion when he remarked that the mess was caused by the mistake of the Aldermen in permitting a petition for a gasoline station permit to be linked up with accompanying petitions for rezoning of land, contingent on the granting of the filling station permit. All of the Aldermen did not make this mistake. From the start, some opposed this trafficking in the exercise of an Aldermanic power, which should not have been indulged in, and which created a dangerous precedent. Alderman Temperley also made a pertinent remark when he contrasted the attitude of the company owning the property in question with the attitude displayed by the Boston Consolidated Gas Company in 1930 relative to land at Auburndale. The Gas Company desired to use this land, which was in a manufacturing zone, for plant purposes. But when this public utility corporation realized that its desire was contrary to the wishes of the people of Auburndale and Lower Falls, it willingly co-operated in having this property changed to a residence zone. This is quite in contrast with the attitude displayed during the past 8 years by the owners of the property near Crystal Lake over which there has been so much controversy.

During the World War in which this country was engaged in 1917-1918, there was much ridiculous activity (or should we say hysteria) on the part of many citizens of the U. S. A. who endeavored to manifest their patriotism by "opera bouffe" manifestations of zeal. We are having a repetition of this nonsense at the present time, when another involvement in a European war by this country appears to be imminent. No intelligent person will disapprove of practical preparations for national defence. For the past three years the writer has frequently criticised the slowness of the U. S. A. in making such preparations. We have also made reference to the "Don Quixote" stuff.

In this category we are inclined to include the appropriation of $475 made by the Board of Aldermen (on the request of the Mayor) last Monday night for the purpose of installing two-way radio equipment in the armored car of the Newton police department as part of Newton's contribution to national defence. This car was purchased by the City of Newton in 1934 after the bandit activities of the Millen brothers and Faber had come to a climax in February, 1934, in the adjoining town of Needham. A bank was robbed there, and a policeman and fireman killed. As a result, Newton Aldermen made an appropriation of several thousands of dollars to purchase an armored car, bullet-proof vests and modern revolvers for our police department.

On August 23, 1934, the Newton police exhibited their new equipment by staging a "bandit hold-up" of the Newton Trust Company at Newton Center. Pseudo bandits, impersonated by four members of the Newton police, held-up the trust company office. An alarm was sounded by bank employees and within a couple of minutes five police cars, including the "armored car" had converged on Newton Centre square and captured the bandits. A gallery of 1000 or more spectators witnessed the performance. It was quite a show. But, several months later, on January 18, 1935, real bandits performed a real hold-up at the Earnshaw Knitting Company in Nonantum, stole $10,000 and made a successful getaway before the Newton police even knew of the robbery. In recalling this we mean to offer no criticism of the Newton police. We simply are showing that there is a big difference between prearranged, fake commissions of crime and the "real McCoy," when the real worth of armored cars and other preventives is concerned.

The armored car was used regularly by the Newton police in cruising work for awhile, but it has been in storage for several years. It was so heavy and unwieldy, and wore out brakes and tires so rapidly, that it was not practical to operate it regularly. Just what purpose it would serve in national defence that warrants the expenditure of $475 to equip it with a two-way radio, we don't know. Perhaps those who sponsored this idea can give detailed information.

We were interested to read in the papers the past week of a statement made by Congressman Foster Stearns of New Hampshire that this country "must get tough" in dealing with Hitler and his tough associates. This attitude on the part of Mr. Stearns interested us because we remembered him as a very mild-mannered boy when he attended the Bigelow School in Newton. The son of Calvin Coolidge's sponsor, Frank W. Stearns, Foster Stearns was an idealistically inclined youth who entered the ministry. Ordinarily he believes in anything but toughness, but he realizes one cannot overcome a ruthless bully by turning the left cheek after having been walloped on the right cheek.

The latest "blitz" success of the German armies and air forces in their three days' drive through Yugoslavia and Greece to capture the vitally important city of Salonika has resulted in admission of great apprehension from persons in high positions both in this country and abroad, who only a few days ago were talking optimistically of the assured defeat of the Axis Powers. The alleged great obstacles which the mountainous Balkans were to present to the Nazis were quickly overcome by Hitler's forces.

This latest amazing feat of Hitler's terrific war machine came just a couple of weeks, or less, after the publication in Collier's Weekly of Colonel Charles A. Lindbergh's latest dissertation on the war and this country's involvement in it. This recent popular idol of the U. S. A., and now one of its most adversely criticized citizens, is not, in our opinion, correct in all his views, but in many things he has told the truth, and because he has had the courage to face facts, he has been castigated. Lindbergh had far more opportunities to become acquainted with real conditions in Europe, and with the comparative strength of Germany, Russia, Britain and France than did our politicians, publicists and educators who recently made brief visits abroad. He was accused of being a Nazi tool when he told Chamberlain and other British leaders of Germany's strength and Russia's weakness in air forces and armaments. His statements regarding Britain and France's weakness in restraining Hitler and apathy in preparing for defense have been proved true. His accusation that the U. S. A. has delayed in making preparations for defense cannot be denied, nor can his charge that intensive propaganda has been and is being waged to bring this country into the war. This country is not now, as Lindbergh says, prepared to wage a successful war — nor will it be within one year, or two years unless production is stepped up to a far greater degree than it has been during the past year. And the current strife between capital and labor in our land does not offer much encouragement for Britain in her appeals for ships, airplanes and other war supplies.

Winston Churchill's solemn speech to the House of Commons on Wednesday did not indicate that aid from the U. S. A. in 1942 or later will be of much avail. The wishful thinkers of this country should cease deluding themselves, and face the real conditions which confront us.

A few days ago the big publicist from the plains of Texas, Martin Dies, urged that an expeditionary force of young American soldiers be sent to Greece and Yugoslavia. Does he still believe that such an A. E. F. could reach those countries in time to be of assistance?

Dorothy Thompson on April 4 addressed a meeting in Boston sponsored by persons, some of whom advocate a political union of this country with the British Empire. From the report of her speech, as referred to somewhat briefly in Boston newspapers on April 5, Miss Thompson must have been disappointing to some of the advocates of such a union. We are not surprised at her seeming change of attitude. Because in her syndicated article on March 26, Miss Thompson wrote — "Briefly, I think we ought to use this war to prove once and for all time that war is hooey, that all historical causes for it have disappeared, that the age of imperialism has passed, and that the age of Power for Humanity has dawned; that we, the American people, have the answer, and we, the generation alive in 1941 are in on the greatest revolution in all human history."

In this same article Miss Thompson continued by saying—"There have been all sorts of slogans used to rationalize wars, but behind them is the plain fact that most of them have been for markets. That's one of the things that this war started to be about, and that's what our left-wing friends mean when they say it's 'just another imperialist war.' But in the course of the war, we are going to learn something if we keep our eyes peeled—every last one of us, and every last nation—namely that it isn't for markets, but for a way of life, and that our markets are in our own back yards, and that our own backyards are everyone else's."

Plan Adult Music Courses For Next Fall and Spring

Two courses on "Understanding Composers" given by Harry A. Seaver and sponsored by the All Newton Music School, as part of its "adult education" program, have just come to a close. At the last lecture held on Monday evening, a questionnaire filled out by the subscribers of the courses showed keen interest and a desire for further music study of this type. The lectures, which began the first Monday of March and continued for six consecutive weeks, have been well attended by an appreciative group of music lovers and the Music School will make immediate plans for opportunity in this field again during next season,—one series to come in the early autumn and one in the early spring. Mr. Seaver is a Newton man, a graduate of the Music Department of Harvard University, and a thoroughly devoted student of music in all its phases. He is especially interested in composition and has composed several works which have attracted attention.

The spring season will be a busy one for faculty and students at the Music School. Pupils from the string department will assist at the Spring Music Festival in Jordan Hall on Sunday, May 4. On the following night, a string ensemble from the All Newton Music School will open the program and assist in several later numbers of the Annual Spring Festival of the Community Service Glee Club of West Newton to be held at the Warren Junior High School.

While no special occasion is being planned for the thirtieth birthday of the Music School—which comes on April 21—the Annual Spring Concert to be held this year on Monday evening, May 26, at the Newton High School, will be a very special event and the highlight in a full and successful year. In addition to several prominent Newton citizens who will be special guests at the concert, groups from the West Newton Community Centre and the Rebecca Pomroy House will join in the Music School groups in a well-known Bach chorale.

TASTE WHY

Gas Cooking leads!

See how Modern Gas Cooking serves you in making this delicious Chocolate Cake. Gas, with its unequaled *speed*, heats to the required 350 degrees in half the time. The astonishing *control* of Gas Cooking melts the chocolate *slowly*, or gives you hundreds of cooking stages up to full-speed-ahead for every other job. The big oven — even-heated throughout — makes it possible to bake three or four similar cakes at once.

Other reasons why Modern Gas Cooking is the Nation's No. 1 choice are: complete automatic lighting; smokeless broiling; unrivaled dependability; perfect cleanliness; unequaled economy.

Milk Chocolate Cake

2 cups sifted cake flour
½ teaspoon salt
½ cup shortening
1½ cups sugar
2 eggs
1 cup sour milk
1 teaspoon vanilla extract
2 ounces unsweetened chocolate, melted
1 teaspoon baking soda
1 tablespoon vinegar
3 ounces unsweetened chocolate
15-ounce can sweetened condensed milk
1 tablespoon water
Temperature: 350° F.
Time: 35 to 40 minutes

Sift flour and salt 3 times. Cream shortening, add sugar gradually and cream mixture thoroughly. Beat eggs until light and add to butter mixture. Add dry ingredients to creamed mixture alternately with sour milk and vanilla extract, using 4 additions of dry ingredients and 3 of sour milk. Add melted chocolate, and mix well. Dissolve soda in vinegar, and while still foaming add it to the batter. Bake in a preheated oven. Loosen cakes from sides of pans. Invert onto wire racks. Melt chocolate slowly. Add condensed milk and cook slowly about 3 minutes or until mixture is thick. Stir constantly. Remove from flame, add water and mix well. Spread frosting between layers and on top and sides of cold cake.

Patrolman Riley Suggests Traffic Changes at Newton

Patrolman Timothy Riley, who has been stationed at Newton Corner for the past four years, and whose duties include the supervision of Nonantum sq., the most complicated traffic area in Newton, offers some interesting suggestions which he believes will improve conditions there. Nonantum sq. is the terminal for the bus lines of the Middlesex & Boston company, and is the point where most Newton passengers of the Boston Elevated Railroad board and leave cars. A very large number of motor vehicles pass through this square, adding to the traffic problems there.

Patrolman Riley calls attention to the fact that the Middlesex & Boston buses from Waltham and Framingham (and way points) now travel easterly along Washington st., make a sharp left turn through heavy traffic onto narrow Bacon st., require the entire width of Pearl st. to make another turn, and again create a dangerous traffic hazard turning right from Pearl onto Centre st. to reach the present terminus in the square. There the buses during rush hours seriously interfere with the normal flow of traffic. He says that thousands of daily commuters transferring between the buses and the Elevated cars are forced to cross the square under present conditions.

He suggests that to eliminate these conditions the buses enter Newton Corner by coming straight down Washington st., discharge passengers on Centre st., opposite the Newton Corner Market and the Kennedy store, and then continue on, turning right on Washington st., and turning around either at the site of the old fire-engine house, or at the junction of Washington and Park sts., circling the small park. He states that buses ahead of schedule should remain on Washington st., the other side of the B & A railroad bridge, re-entering Nonantum sq. to pick up passengers at the trolley stop, opposite the Waldorf restaurant, leaving immediately, just as do the trolleys, and thus, he says, greatly relieving congestion.

In Patrolman Riley's opinion this plan would eliminate the necessity of bus and trolley passengers crossing the heavily travelled traffic arteries at Nonantum sq., traffic hazards at Washington and Bacon, Pearl and Centre sts. would be lessened, and more parking space in the square would be created.

Patrolman Riley also suggests that if the traffic tower at Nonantum sq. were set back several feet, or removed, and traffic signals installed at other locations, traffic entering Newton Corner from the West, could continue along Washington st., thus eliminating the detour through Hall st. He says a wider turn at the location of the traffic tower would greatly facilitate traffic to Watertown, and a traffic signal near the bank building would allow traffic from Boston and Watertown to enter Centre st. to the left of the building and would allow traffic from Boston and Watertown to enter Centre st. to the left of the building, rather than the complicated way of circling the building, as at present.

Unitarian Women's Alliance Holds Annual Meeting

The West Newton Branch of the General Alliance of Unitarian Women held its annual meeting at the First Unitarian Society Church in West Newton on Wednesday, elected officers and listened to vocal selections by Mrs. Jean Bachrach Kimball.

Mrs. William Carroll Hill, a resident of Auburndale, and Wellesley College graduate of the class of 1912, was elected president, to succeed Miss Caroline Freeman, who has served as president for three years. The other officers elected were: Vice presidents, Mrs. Stephen W. Harris and Mrs. Albert A. Pollard; recording secretary, Mrs. Jennie M. Thomson; corresponding secretary, Mrs. Leonard A. Monzert; treasurer, Mrs. William H. Best; auditor, Mrs. William H. Zoller.

The following chairmen of committees were named: Appeals, Mrs. Ethel P. Coty; Cheerful Letter, Mrs. William E. Tomlinson; Fellowship, Miss Harriet M. Norton; Hospitality, Mrs. Roy R. Merchant; International, Mrs. Marshall I. Stone; Luncheons, Mrs. James R. Melcher; Postoffice Mission, Mrs. Arthur W. Lane; Programs, Mrs. Julius E. Warren; Purchasing, Miss Fannie F. Gray; Religious Education, Mrs. Henry Whitmore, Jr.; Sewing, Mrs. Harry B. Fowle; Ways and Means, Mrs. Harry D. Cabot; Nominating, Mrs. Marshall B. Dalton.

Resists Officer, Goes To State Farm

Last Friday afternoon at 5 o'clock Edward McDonald, 34, of 311 California st., Nonantum, attracted a large crowd at the corner of Watertown and Chapel sts., as he resisted arrest by Patrolman John Bibbo. The officer placed the man under arrest after he had twice been ordered to go home, and had not obeyed. In the Newton court on Saturday he was found guilty of drunkenness and disturbing the peace. As he was on parole from the State Farm, he was returned to that institution.

Taxpayers' Assn. Approves Budget

Praising the present administration of the city as "efficiently and as economically as is consistent with necessary services to citizens" the Newton Taxpayers' Association this week issued a statement approving increased outlays for certain purposes. Among the budget matters the Association approves are certain salary increases, replacement of certain automotive equipment, new boilers at the high school, the use of surplus funds to care for the "must" items of the two-platoon system in the fire department, and the day off in six for the police department. The Association concludes that it will continue to cooperate in seeking additional improvements, economy and efficiency in municipal affairs.

The statement follows:

"Officers and directors of the Newton Taxpayers' Association, Inc., have had several long discussions with the mayor, members of the Finance Committee of the Board of Aldermen, and some of the department heads in connection with the 1941 budget. The directors feel that it is not in the province of the Taxpayers' Association to question the judgment of department heads and other city officials in matters of minor detail, but the principal items of the budget have been carefully studied.

"Increases in salaries for clerks in City Hall are the result of a recent study by a committee of the Board of Aldermen of salary schedules among city employees. Firemen, policemen and teachers in Newton have received benefits in the past and readjustment of salaries in City Hall should be the means of abolishing inequalities which have been evident. Although the cost may be slightly higher, the morale of employees should be considerably improved with resulting increased efficiency in city departments.

"With the national defense program getting underway, there is every likelihood of increased costs in automotive equipment, and the directors of the association agree with the mayor and city officials that it would be false economy to delay necessary replacements.

"One substantial item in this year's budget is the cost of preliminary work on the installation of new boilers at the Newton High School. There have been four reports from qualified engineers during the last ten years and all of them have pointed out the necessity for this work to be done as soon as possible. The work proposed this year at the cost of $75,000 should save nearly $5000 for fuel, maintenance, and repair costs even beginning with the first year. The installation cost of equipment and labor will undoubtedly be less in 1941 than in future years. Since it is evident that the work must be done soon anyway, the directors of the Association feel that it is wise to proceed as the mayor has recommended.

"If figures for the two years, 1940 and 1941, are compared, it would seem that the actual cost of operating the city would have been substantially reduced in 1941 had it not been for the "must" items in the 1941 figures, which include the cost of installing a two-platoon system, the cost of additional patrolmen in order to install a day off in six for the Police Department, and capital expenditures for a new ladder truck for the Fire Department and the high school boilers. With the record city surplus from which to draw if necessary this year and with larger amounts than were expected in disbursements from the state, it is proper that in 1941 the city should make use of these extra funds to take care of necessary capital outlays rather than waiting until some year when the financial condition of the city may not be as favorable.

"There is every indication that there will be a reduction in the tax rate in 1941. The trend is in the right direction from the standpoint of the taxpayers of the City of Newton. Improvements are still possible, however, and the Taxpayers' Association will continue to co-operate with city officials attempting to find ways and means for added economy and efficiency in municipal affairs. Members of the Association and all other taxpayers of Newton may take satisfaction in the conscientious efforts of the present administration to operate the city's affairs efficiently and as economically as is consistent with necessary services to citizens."

Alderman McKay Opposes Withdrawal of Zoning Petition In Long Argument

At the meeting of the Board of Aldermen on Monday night, Alderman Donald McKay, sponsor of the plan to convert the ice company property near Crystal Lake into a memorial park honoring Rev. Samuel F. Smith, author of the patriotic hymn, "America," read a lengthy speech opposing the report of the Claims and Rules Committee, which recommended that leave to withdraw be given to the petition of Elsie Tufts and the Purity-Crystal Ice Company, that parcels of land owned by the ice company near Centre st., Norwood ave., and Crystal Lake, be changed from business and manufacturing zones to residence zones. Alderman McKay's speech in part follows:

"The Claims and Rules Committee has unanimously reported Leave to Withdraw. I know of no precedent under similar circumstances. They are apparently confusing this with an entirely different type of petitions —those where someone is seeking a personal right, of interest only to himself, such as an auctioneer's license, conversion of a single into a two-family house, a taxi stand or some permissive non-conforming use. Never have I known of a petition which is in the public interest being so casually treated. It is ominous because six months ago this same committee unanimously reported granting it, and then suddenly requested their report be returned to committee. It is not my intent to chide in an unfriendly way those who were motivated by sincere and honest desires to remedy a bad situation, but unfortunately in my opinion and that of Newton generally they adopted a most unwise method of accomplishing it.

"Let us examine the facts.

"Many of you were members of this board when some time after the ice-house burned, long and serious conferences were held in committee-of-the-whole as to the advisability of rezoning that property from manufacturing to residential. Members of this present committee were eager to make that change. Upon the advice of certain ones it was agreed to defer action until more time had elapsed, as possibly the owners could establish they had been damaged by being prevented from continuing in the ice business. So time went on and seven years have now passed. Some of us began discussing it again prior to the filing of the several petitions a year ago. The petition on the part of the owners to do the very thing everyone desired seemed very fortunate. It was only known to a very few that there was a condition attached, that the city had to pay a price. That was not written in the petitions. It was verbally conveyed by the company's representative.

"I have publicly accused the ice company of leaving the property in its unsightly condition for its nuisance value. Later in these remarks I shall use the simile 'gun' as illustrating a point. I now quote from a letter to the editor published in The NEWTON GRAPHIC, signed by Allen T. Rogers, a director of and attorney for the Metropolitan Ice Company. I quote 'I wish to advise that no ice has ever been harvested at Crystal Lake since the property was taken over by Metropolitan Ice Company, and the ice manufacturing plant located at the property near the intersection of Walnut and Beacon sts. was shut down in 1933 and has since been dismantled.' Later too I shall comment on that latter property. It would not seem that the company will suffer damages to its ice business if this land is rezoned.

"I doubt if many of you have done what I have in the past few days. In fact I doubt if one of you has ever done it. I have read the City Clerk's records of 1922 when the zoning ordinance was introduced in January, debated for months and successfully enacted on the third attempt, December 27th. I have also read the debates when amendments were later adopted. I am going to quote copiously from these records, and from The GRAPHIC, whose files I have thoroughly searched."

In his many quotations from the records of the City Clerk and from editorial comments in The NEWTON GRAPHIC, Alderman McKay referred to the long and bitter fight which was made against zoning in 1922, and of the frequent arguments made by the minority then in opposition, that to zone land would be confiscation. He also quoted the arguments offered by Alderman Whidden, Nichols, Jewell and Saltonstall, members of the 1922 Board who favored zoning as protection for the future of the city and for the great majority of property owners here. He told how Mayor Childs in 1922 vetoed the vote of the majority of the Board in passing the zoning ordinance as it was then drawn, and how, after 12 months the Board of Aldermen, in 1923, finally passed a zoning ordinance which was in later years amended to include much larger areas in single residence zones.

"The entire shore circumference of Crystal Lake has the same character, except the stretch from the bathhouse east along the railroad tracks. That section can easily be made to conform with the rest as has recently been done near Lake ave.—a wall, filling and landscaping. The ice company land is of like character with all the residental shore line. True, it is near the railroad, but that does not preclude residential development. Along the railroad from Boston to Riverside can be seen houses much nearer the tracks than any need be on this lot. In zoning Newton no account was taken of swamps, or ledges or abutting railroad, or embankments, or noises or construction obstacles when the residential zones were established. Such conditions are the hard luck of the owners. In the city records are many instances of protest that land was being put in the residential zone which the objector claimed was confiscatory. Land on both sides of Boylston st. is zoned almost without exception as residential, and all Boards have consistently denied the owners the right to use it otherwise. It is in the public interest to do so.

"The Boston & Albany might well consider installing a new station-stop at this locus,—naming it Avernus-on-the-Lake — The Sun Valley of Newton, skating, skiing, sailing and swimming.

"In the oath of office we have all taken are the words 'I do solemnly swear and affirm that I will faithfully and impartially discharge and perform all the duties incumbent on me as an alderman of the City of Newton according to the best of my abilities and understanding, agreeably to the Rules and Regulations of the Constitution and laws of this Commonwealth. So help me God.'

"I maintain it is one of our duties to improve this city. No man would be entrusted to this office in the first instance or continued in office if it were known he would do otherwise.

"There exists a warped sympathy —a kind of sob-sister attitude—on the part of some, that because the gasoline station permit was denied, that this land should not be rezoned. I refer to my early remark about the gun they have been pointing at us for seven years. If a man held you up with a gun, and upon your showing some resistance, he pulled the trigger and the gun jammed, would you say 'I'm awfully sorry at your tough luck. Let me help you fix it and then you can shoot me.' Giving leave to withdraw is handing the gun back to the Metropolitan Ice Company, fully loaded and ready for future use against us.

"And I now refer to the property near the corner of Beacon and Walnut sts. which Mr. Rogers mentioned in his letter. Happy Newton should be that they only enjoyed non-conforming and now discontinued use of it. There are just three of us on this Board tonight who were members in 1933, when this company petitioned for an extension of that use—from manufacturing ice to the establishment of an oil farm. It was to be just 50,000 gallons at the start. I wonder what it might be today if that Board had granted it. You have seen how oil storage can grow from small beginnings in many places north of Boston. From the records of the hearing on July 31, 1933, coincidentally timed when the majority of opposing citizens would be away, I refresh my memory that Rogers admitted they had been operating without a permit. There was tankage there which had been used in the ice business.

"Following the denial of the gas station permit, a member of the Board, famous in every other instance as a champion and a defender of zoning, stepped momentarily out of character, I am most regretful and reluctant to state, and recited the dire results of leaving the property in the manufacturing zone. I am told, but I don't want to believe it, that an alderman was in an exultant mood of happiness when he related to others that the petitioner had asked that leave to withdraw be granted.

"New evidence is always admitted in legal cases. I hope I haven't presented it discourteously. The public is entitled to know what is said here, and I shall give it to them.

"A year ago the Planning Board refused to approve the Zoning petition because, as a member has told me, they did not relish the trading factors involved. A few days ago the Planning Board held a meeting and the matter was introduced inasmuch as it is now a clean-cut (or should be) question of rezoning. To divert a moment I shall say what of course you all know, that the Planning Board has advisory powers only. But there is a provision in our ordinance that if the Planning Board disapproves of a zoning change or expresses no opinion it requires a three-quarters vote (16 aldermen) to effect it. If the Planning Board approves the change then a two-thirds vote (14 aldermen) is all that is necessary unless there is a written protest by an abutter. At their meeting, March 26, it was discovered that they had not been asked for an opinion by the Claims and Rules Committee. Strange as it may seem, this is a prerequisite. Therefore they were stymied.

"Now a brief summary, and a few concluding remarks. I have only touched on a few high spots in a very brief way. A great deal more could be said.

"1—For many years it has been considered advisable and in the public interest to rezone this region upwards.

"2—The Claims and Rules Committee so recommended unanimously last September.

"3—Hundreds of Newton property owners have had their property 'confiscated' (so-called) by zoning. The law provides that this be done.

"4—If this land is not now rezoned there is the implied threat that it may be used for some purpose detrimental to the neighboring property owners and Newton in general.

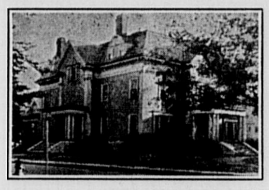

"5—The owners have petitioned that it be done. This representative body cannot traffic in permits, franchises and petitions. Those who have been misled have been sinned against, more than sinning.

"6—Any Aldermen who cannot subscribe to the foregoing is not true to his oath of office. The word 'infidel' has been used by one in a somewhat similar case, but that is putting it pretty strongly. If anyone cannot vote for the city's interest he should ask to be excused from voting.

"I have served on this Board over eight years with more than fifty different Aldermen. I count the members of Claims and Rules among my best friends. Parliamentary debates don't sever friendships. I hope they serve the city for many more years. It would be a very great loss if any one of them retired. I have been proud of the unswerving courage of the Chairman in defending Newton's zoning ordinance. I want him to continue the same way.

"I want to close by repeating two quotations from the records:

"'Alderman Philip Nichols said the law had given them the means to save Newton for their children. He believed that now is the splendid opportunity as members of the Board of Aldermen to save the city which has been intrusted to their care.'"

Duplicate Bridge Series Opens At Hunnewell Club

The opening of a series of contract bridge duplicates took place last Friday evening at the Hunnewell Club. This was the first of a series which will be held regularly each week on the same evening under the direction of Mr. Frank Perkins and Mr. Lawrence Weiss. The affair was well attended and attracted many prominent Newtonians among whom were:

Mr. and Mrs. Geo. M. Lovejoy, Mrs. Walter Van Patten Steiger, Mr. Alban Rosene, Mr. Thomas Marston, Mr. and Mrs. H. M. Perkins, Mrs. Reina Dill, Mr. and Mrs. Mathew Byers, Mr. and Mrs. J. R. MacDonald, Mr. and Mrs. Robert G. Emerson, Miss Genevieve Boughan, Mr. and Mrs. Kenneth Dow.

Top and second scores for north and south were made by Mr. and Mrs. Olsen and Adams and Wilson. Mr. and Mrs. Lovejoy and Hart and Weiss were the two top teams, east and west.

At the mixed progressive bridge party on Wednesday evening prizes were won by Mrs. Kittredge and Mr. Rowse, Mr. and Mrs. Marston, Mr. and Mrs. Bancroft and Dr. and Mrs. Higgins. Mrs. Charles E. Morrow was hostess for the evening.

The four semi-finalists in the elimination bowling tournament are Henry Jones, Arthur Quimby, Frank G. Dennison and Edward O. Loring. Jones will bowl Quimby and Dennison opposes Loring in the semi-final matches on Monday evening.

Drunken Driver Is Fined $100

William J. Pridey, 22, of 66 Tremont st., Brighton, was fined $100 by Judge Mayberry in the Newton court on Tuesday, $50 for driving a car while under the influence of liquor, and $50 for driving after his license had been suspended. He was given until May 26 to pay and then turned over to Brookline police who had a charge against him for using a car without authority.

Pridey was the driver of the car which was pursued 5 miles from Wellesley by a policeman of that town on the night of March 31. The chase ended at Newton Centre sq. when the fleeing car hit a hydrant.

quiring title to the land. We further believe that the owners of the land in question will not be unreasonable in the matter. We reiterate our belief that the suggested Memorial will be to the best interests of all and trust that definite steps will shortly be taken to bring it about with the assistance and co-operation of public donations to complete the project over a period of years.

An Airport In Newton

Sooner or later citizens of Newton will be facing the question of whether or not there should be an airport within the city limits. In these days when national defense is all-important it is obvious that such a decision may well come quickly than otherwise. For some time there has been the possibility of an airport in the Oak Hill section of the city and committees and organizations are studying the proposal. We believe that all citizens should take an interest in the problem which might well have a considerable effect to the detriment or benefit of Newton as a whole.

Several Oppose Oil Storage At Newton U. Falls

The petition of the Chadwick Coal Yards, Inc., for a permit to store 60,000 gallons of fuel and range oil in three underground tanks at its property adjoining Oak st. and the New Haven railroad at Upper Falls was given a public hearing on Monday night before the Board of Aldermen. James P. Gallagher appeared as attorney for the petitioners.

He said the company has been established at this location for many years and has been under the present management since 1927. The property abutts the railroad tracks and is in a manufacturing zone. The present trend in fuel is toward oil, the tanks will be underground, the petition has the approval of Chief Randlett of the Fire Department, and public interest will not suffer by the granting of it.

Alderman Temperley asked how much oil the Chadwick Company would sell in a week, and Attorney Gallagher replied that this would depend on the weather. Temperley also asked if other dealers will buy oil from the Chadwick Company, and the attorney for the petitioner answered that he had no knowledge of such a plan. He commented that the larger amount of storage, the less trucking will be necessary in carrying oil to the yard.

Hugh Stevenson of 142 Oak st., Upper Falls, protested against the granting of the permit. He said he owns a 16-room house near the coal yard, which represents his life's savings, and he considers the storage of oil there would be unsafe. City Clerk Grant read a letter of protest which was signed by several owners of properties nearby on Abbott, Williams and Chestnut sts.

Heads British War Relief Society

Vincent C. Stanley, of 1395 Commonwealth ave., has been named chairman of the Newton Branch of the British War Relief Society. Mr. Stanley is president of the Gamewell Company in Newton Upper Falls and president of the Newton Chamber of Commerce. He has long been identified with civic and charitable projects. He was born in Derby, England, where most of his family still reside, including a brother, Lord Ashfield.

The society has had an active year in Newton, placing 50 children of English birth and 10 parents in Newton homes for the duration of the war. Contributions for continuing his work are being sought.

Associated with Mr. Stanley as vice-chairman will be Mrs. Frank E. H. Johnson of Newtonville, who is in charge of workrooms here. During the last war she did similar work in England and was honored by being made an honorary lieutenant in the Canadian Army. Henry S. C. Cummings of Newton Centre will also serve as vice-chairman. He is a former president of the Oak Hill Improvement Association and is at present chairman of the National Archery Association. The Newton group has selected Donald A. Cameron of Waban Hill rd. as treasurer. Mr. Cameron for many years has been Massachusetts manager for the Sun Life Insurance Co. of Canada.

Others serving as committee chairmen are Mrs. Frederick Bacon, Mrs. Richard N. Johnson, Mrs. Charles M. Sykes, Mrs. Warren K. Russell, Mrs. Harold B. Kellar, Miss Clara Boswell, Mrs. William F. Kessler, Jr., Mrs. Warren E. Hyslop and Mrs. Charles Cobb.

The present organization has resulted from the merger last December of the British War Relief Society under the direction of Mrs. Malcolm Morse of Newton Centre and the Allied War Relief Society under the direction of Mrs. George Van Gorder of Newton Centre. Over 700 knitters and 150 sewers are active in the Newton branch. Numerous successful affairs in the form of bridge parties and musicales have been promoted to raise money for the work by various women in Newton, including Mrs. Morse, Mrs. Bacon, Mrs. Frank Johnson, Mrs. Hyslop and Mrs. Walter Archibald.

The main workroom is located at the Newton Centre Trinity Church and is open every Thursday from 9:30 to 4:30. Ten homes are open each week for volunteer work: Miss Florence Marble and Mrs. Walter Archibald of Newton Highlands, Mrs. L. M. Clark of Newton, Mrs. V. A. Neilson of Newtonville, Mrs. Charles Penhallow of Waban, Mrs. Lawrence Ticehurst of Newton Upper Falls, Mrs. Charles M. Sykes of West Newton, Mrs. Ashley Wright of Auburndale and Mrs. William Keesler of Newton Centre.

Many plans and projects are being arranged for the coming months to help raise funds for the care of children, for providing yarn for knitting, for the purchase of mobile kitchens, and for other activities. On April 25th a dance will be held at the Auburndale Club. At a date to be announced later the Highland Glee Club will plan a concert at the Lasell Auditorium under the direction of George Wight and Leonard R. Clinton.

Secretarial School Has Spring Recess

Classes at the Newton Secretarial School were suspended for the spring recess Wednesday at one o'clock. They will resume Monday morning, April 14. Since the work at the school is of an intensive nature, there will be no further interruption of classes until school closes June 27. Courses in shorthand and typewriting, beginning and advanced, will be offered in the summer division, opening July 7 and continuing for a period of six weeks.

The Gregg Publishing Company of New York have awarded certificates of proficiency in typewriting to Gloria Deagle of Newton and to Ottilie Johnson of Newtonville, and competent typist pins to Virginia Linquist, who typed at a rate of 51 words a minute without error for a period of ten minutes, and to Josephine Wittig, who typed at a rate of 53 words a minute without error. Both girls live in West Newton. Mrs. Blackburn, director of the Newton Secretarial School, made the presentation.

SARAH HULL CHAPTER, D. R.

Sarah Hull Chapter, Daughters of the Revolution, held the last meeting of the winter at the home of Mrs. Albert B. Hinkle, Jr., 26 Dexter rd., Newtonville, on Wednesday, April 9th, 1941, at 2:30 p. m.

Mrs. Raymond S. Fosgate, the Regent, called the meeting to order, and after the Salute to the Flag, a short business meeting was held. Miss Grace I. Gay, past National President, spoke of the paper of the society, "The Patriot." Then the Rev. Laurence L. Barber of Arlington was introduced, as the speaker. He spoke very interestingly, with many amusing stories, on the subject, "Life in the Colonial Home," picturing the family life centered around the fireplace in the kitchen-living room. A social hour followed, during which ice cream and little cakes were served. Mrs. William F. Bacon served the ice cream at the table which was beautifully decorated for Easter.

The hostesses of the afternoon were Mrs. J. Henry Bacon, Mrs. William F. Bacon, Mrs. Everett W. Crawford, and Mrs. Edward A. Cahill.

NELLIE FRANCES MONK

Miss Nellie Frances Monk, a highly respected and much beloved teacher in the Newton Public Schools, passed away Friday, April 4, at the home of her sister, Mrs. Joseph C. Gillett of Montpelier, Vermont. Miss Monk was born in Braintree, daughter of the late Henry A. and Emma J. Monk. Her father, an officer in the Grand Army of the Republic, was a leading citizen of Braintree.

Miss Monk was a graduate of State Teachers' College at Bridgewater. After teaching in Braintree and Malden, she came to Newton in 1908 as principal of the Froebel School. When this building was destroyed by fire, she continued her duties at the Peirce School up to the time of her death, giving thirty-two years of faithful and valuable service to the City of Newton.

She was an outstanding character. Daughter of a soldier, she ever instilled in her boys and girls a love of country and a respect for its flag. Her high ideals, love of nature, and sense of fair play endeared her to all who came under her fine influence and loving care.

Beloved by children, parents and friends whose lives have been enriched by her sympathetic understanding and strong personality, she will be deeply mourned by all who knew her.

Fire Features Birthday Party

An event not on the program featured the 76th birthday party of Mrs. Samuel Waters at 111 Webster Park, West Newton, last Friday night. While the party was in progress a fire started in a barn at the rear of Mrs. Waters' home. Spontaneous ignition is supposed to have been the cause. The fire caused $1000 damage to the building and to furniture stored in it. The blaze was discovered by two girls who were walking along Webster Park and they interrupted the birthday party, to inform Mrs. Waters. An alarm was sounded from Box 313 at 7:58 p. m.

Rotary Club

Mr. Kenneth S. Dale, General Secretary of the Newton Y. M. C. A., spoke on the subject, "Your Most Constructive Asset," at the weekly meeting of the Newton Rotary Club last Monday at the Brae Burn Country Club. Mr. Dale, who is himself a Newton Rotarian, emphasized the fact that the initial letters of his subject, and also those of the Young Men's Christian Association, are the same—Y. M. C. A.

In sketching briefly the history of the Y. M. C. A., Mr. Dale stated that it was founded in London, England, in 1844, by a group of young men led by George Williams, who was then only nineteen years old. The primary purpose of the association is to encourage young men and boys to live in accordance with the teachings of Christ. In pursuance of this purpose the association, which is non-sectarian, is interested in all wholesome forms of recreation, all activities that promote healthful living, and all programs and techniques which increase the sensitivity of youth toward spiritual truth. It believes in the integration of the total personality of the individual and in the development of a social, political and economic order in which this may best be accomplished. It is desirous that those within the influence of the association experience greater vocational, social, intellectual and spiritual harmony.

The Newton Young Men's Christian Association, according to the general secretary, has a large and varied program to fit the needs of its membership, which totaled just over 3000 last year. On this program are gymnasium and swimming classes, squash racquets, bowling, handball, track, baseball and softball. The association operates a summer camp for boys at Brookfield, Mass. Last year there were 114 groups organized for participation in the various activities.

In closing, Mr. Dale said that the three outstanding problems facing the Newton association are, first—the modernization of the present building, which was constructed in 1910; second — the problem of the Y. M. C. A. and the underprivileged boys in the community; and third—the challenge of the opportunity to work with young women and girls in the community. This is now done in several cities which have no Young Women's Christian Association. The Newton Y has already organized two Tri-Hi clubs with an enrollment of 85 girls and three Girl Scout groups meet at the association building.

Present at the meeting was Mr. Harry Bascom, honorary member of the Rotary Club, whom Mr. Dale succeeded as General Secretary upon Mr. Bascom's retirement last year.

President John Cahill presided and the speaker was presented by Vice-President Charles A. Meeker.

Annual Meeting of Hyde School Parent-Teachers' Assn.

The annual meeting of the Parent-Teachers' Association of the Hyde School will be held on Monday evening, April 14, at 7:45 o'clock, for the purpose of electing officers for the coming year. Superintendent of Schools Julius Warren will be the speaker of the evening. His address will be followed by a question period. Ward; Vice-President, Miss Marjorie Manchester; Recording Secretary, Mrs. Norman W. Davidson; Corresponding Secretary, Mrs. Sidney F. Dixon; Treasurer, Mrs. Richard F. Chapple. Mrs. Philip Richardson, chairman of the social committee, is in charge of the refreshments to be served following the meeting.

The association entertained at tea on Tuesday afternoon, April 8. Mrs. Julius Warren, Mrs. Edward H. Woods and Miss Florence Blakemore poured. Mrs. Ralph Morrison was chairman of the afternoon assisted by Mrs. Emory Leonard, Mrs. Allston Budgell, Mrs. Sidney Dixon, Mrs. Raymond Baker, Mrs. Charles A. Doyle, Mrs. Lyman Whitcomb and Mrs. Joseph Wellman.

Highland Improvement Assn. To Elect Officers

The annual meeting of the Newton Highlands Improvement Association will be held on Wednesday, evening, April 16 at 8 o'clock at the Hyde School.

Mr. Warren B. Kennedy, president, will preside and Mr. Ralph K. Shaw, chairman of the nominating committee, will present the list of nominees.

All residents of Newton Highlands are invited to attend and to take part in the discussions following the regular business session.

Troop 5 Awarded 30-Year Service Award

Over 350 Scouts and parents attended a District Court of Honor at the Mason School in Newton Centre of the Sachem District on Friday, April 4th, when Troops 5, 17, 18, 19 and 20 in the Newton Centre District made awards to boys for advancement.

The program was directed by a committee composed of Stan Merrill, Ed Cohen, Henry Cummings and W. H. Brown with Henry S. C. Cummings as toastmaster. The 30-piece orchestra of the Junior Weeks High School, with Mr. Parker conducting, was a feature.

Ed Cohen of Troop 17 with Dick Molby, the Assistant Scout Executive of Norumbega Council, conducted a most impressive candlelight service in which picked boys from each of the five troops participated, giving in turn the 12 attributes of a good Boy Scout. The colors made a beautiful picture on the platform with a beam of light reflecting on the flags during the singing of "God Bless America."

Mr. Brown of Troop 20 introduced Lyscom Bruce, former Scout Executive of Norumbega Council, who gave a most interesting account with pictures of the life of the boys at Quinapoxet Camp which is a Boy Scout Camp for boys of both Norumbega and Cambridge Councils. These pictures were followed by movies of "Life at Nobscot," by Wayne B. Dow, the Scout Executive of Norumbega Council.

William V. M. Fawcett of Newton, a former President of Norumbega Council, a veteran of many Jamborees and active in Scouting circles for the past 17 years, described his trip to Ireland on business and certain experiences he had with those interested in Scouting in that country.

The Court of Honor was in charge of Walter N. Howe, a member of the Advancement Committee of Norumbega Council. Assisting in making the awards were Richard V. Molby, Jr., Charles W. Lueders, Jr., James B. Blackall, H. W. Brown, Robert S. Austin, Edwin B. Goodale, Jr., Henry T. Dunker, Dr. Morrison Boynton and Ralph B. Emery. Those who were awarded Second Class Certificates included: Fred Anderson and Rodney Davis, Troop 5; Leonard Alpert, Howard Finberg and Robert Sandman, of Troop 17; Robert Davidson, Robert Farnam, Karl Goldberg, Dick Hovey, Carter Hoyt, Jr., Tom McCormick, Travis Nutting, Bill Proctor, William Ripley and Barrows Whittemore, all of Troop 19; and Edwin P. Almond and Donald Huke of Troop 20. Thomas McCormick of Troop 19 made the presentations.

Troop Committee Member Edward E. Cohen of Troop 17 awarded to Roderick C. Clifford, Jr., of Troop 20 a First Class Certificate. The Winter Camporee Badges were presented by Dick Molby to five members of Troop 5, namely: Francis C. Newton, Patrol Leader; Harold Smith, Assistant Patrol Leader; Robert Van Gorder, Robert A. Newton and Peter Cummings. A Grade A Certificate for a 94% rating was presented to this same group, the Panther Patrol, for having not only scored so high but a Banner for having won from all the other Patrols in the Council first place at the Winter Camporee. This award was made by Charles W. Lueders, Jr., Scoutmaster of Troop 20 and Chief Judge of the 1941 Winter Camporee.

The Lumberjack Badge was awarded by James D. Blackall, Assistant Scoutmaster of Troop 5, Newton Centre, to Richard Melick of Troop 5. Explorer Badges were awarded to five members of Explorer Patrol of Troop 20 by Mr. H. W. Brown, Chief Examiner of Troop 20, to the following boys: Roger Bryant, August Klein, John Klein, Eliot Robinson and John D. Walch. The Veteran Awards were presented by Robert S. Austin, Sachem District Commissioner, and a member of Troop 5 Committee to the following: Five-Year—Robert S. Austin, Scout Leonard Berkowitz, Star Scout, Troop 5; Dr. Edwin B. Goodale, of Teddy Roosevelt Rover Crew Committeeman; Hugh Van Roosen, Troop 5 Committeeman; Scout Richard S. Whipple, Assistant Scoutmaster, Troop 5; A. S. Kendall, Chairman, Troop 18 Committee; Benj. L. Brittain, Troop 19 Committee; Harold E. Carver, Troop 19 Committeeman; Stanley W. Merrill, Assistant Scoutmaster, Troop 19; Scout Lea Monks, Jr., Star Scout, Troop 21; and Joseph Murphy, Scoutmaster, Troop 21. Ten-Year—Joseph Mandile, Associate Scout, Troop 5; Worthing West, Troop 5 Committeeman, and L. Lee Street, Troop 20 Committeeman. The Norumbega Swimming Shield was presented by Edwin B. Goodale, Jr., to Troop 20 of Newton Centre.

The high spot of the Court of Honor was the event that followed. Henry T. Dunker, Vice-President and Scout Commissioner of Norumbega Council, Inc., B. S. of A.,, presented to Troop 5 of Newton Centre a Thirty-Year Troop Veteran pennant. In making the award he spoke of Scouting as being but one year older than Troop 5. On April 11th he related that the Playground Association sponsored a meeting at which Donald Horace was the principal speaker. In June, 1912, Edward Kimball became the first Scoutmaster of Troop 5, which was the first troop to be registered in Norumbega Council. Previously the Newton area was supposed to be a part of the so-called 8th district of the Boston Council. Instead of camping at Nobscot in those days, he said, the Scouts camped in the Goochies Woods and a Scout's Pace track was laid out over a measured mile along Parker st. Back in 1913 the troop was mobilized to look for someone believed to have drowned. Edward Barney, the second Scoutmaster of Troop 5; Ralph B. Emery, or many years Scoutmaster of Troop 5, as well as Jim Laughton, the present Scoutmaster of Troop 5, were present—while the oldest graduate of the troop, Edwin B. Goodale, and the youngest member of the Troop 5 group, Freddie Knight, received the symbolic pennant of Veteran Service of the troop.

The final act of the Court was the awarding of Eagle Scout with Gold Palm by Dr. Morrison Boynton, Pastor of First Church of Newton, and member of the Troop Committee 19, to Fred D. Fowler, Jr., of Troop 5. This is a very rare award and represents further advancement after having previously achieved the rank of Eagle. Ralph B. Emery, Chairman of the Advancement Committee closed the Court as all present repeated the scout oath and sang the national anthem.

Kiwanis Club

Mr. A. P. Williams, New England Public Relations Manager of the Colonial Beacon Oil Company, was the speaker at the Newton Kiwanis meeting held Tuesday noon. Mr. Williams gave a brief address regarding some of the work of his company, and showed a very interesting moving picture covering an expedition from Paris, France, through the Dardanelles, into Turkey.

The local club has accepted an invitation from the West Roxbury Club to meet with them at an evening meeting on Thursday, April 17th. This meeting will be held in the Legion Hall in West Roxbury, and was arranged by Mr. Frank Perkins, chairman of the Inter-Club Relations Committee.

Word has been received from New England Governor Pryde that he will attend the Fifteenth Anniversary meeting of the local club to be held on April 21st. Lieutenant-Governor George Whoriskey has also accepted invitation to be present.

WORLD'S ONLY DRIVE WITH NO CLUTCH TO PRESS! . . . NO GEARS TO SHIFT!

WHEN you see the Hydra-Matic emblem on the "car ahead," you know it stands for two things: *One* — the drive that's backed by the biggest name in motordom! *Two* — the drive that does things no other drive can do! *No other drive in the world* completely eliminates the conventional clutch and clutch pedal. *No other* gives completely *automatic* shifting through all four forward speeds. And *no other* makes driving so *simple, easy* and *safe*. Why not *try* the car that has the drive that General Motors builds — try Oldsmobile!

NEWTON NEWS

Two young men of the membership, Arthur Jacobs and Ernest Groves will attend the Young Men's Council meeting of Massachusetts and Rhode Island at Worcester this afternoon and evening. Mr. Kenneth S. Dale, general secretary, will also attend the meetings. The representatives plan to discuss new young men program ideas, significant trends of young men's work and what can be done to get more participation of young men on Y. M. C. A. boards and committees. A dinner will be served at 6:30 followed by a talk on Photography. Mr. Neville Booth, president of the two state young men's council, will preside.

Tomorrow morning, Mr. Dale will be the speaker at the Sunrise service in Worcester sponsored by the Worcester Y. M. C. A.

The summer membership will be going into effect soon at the Y. M. C. A.

Boy's Division

A very successful Good Friday morning breakfast and service was held at the Y yesterday morning sponsored by the Newton Tri Hi and Hi Y clubs. The following served on committees. Service, Jane Mansfield, June Holmes, Bob Beatty, Jack McKeevor; Refreshment, Gilbert Hamlin, Ed McGinnis, Ruth Sheehan, Audrey Quilty; Promotion, Tom Murphy, Gus Avantaggo, Ruth Robbins, John Tillotson. The Rev. Richard P. McClintock was the service speaker.

The Hi Y Club of Watertown under the leadership of Gust. Frye will hold a swim this coming Monday night in the Y pool.

On next Saturday Mr. John Andrew, associate boy's secretary, will conduct the annual trip of the boy's division to Lexington and Concord. The boys will leave the Y at nine in the morning and return about four in the afternoon.

Physical Department

On Thursday night, April 17th, the swimming team will hold their dinner and dance. The speaker at the dinner will be Mr. Hal Uhlin, swimming coach at Harvard and one of the outstanding swimming coaches in this area. This affair will be strictly for the members of the team and their friends.

The Life Saving classes with Andy Anderson as instructor are meeting each Monday and Wednesday night at 8 o'clock. Swimming instruction is given at nine o'clock on these nights also.

With the warm weather rapidly approaching work is being started on the athletic field and the tennis courts. It is planned to have the outside equipment ready for use by the 19th of this month.

Bowling

The bowling league is now in its last round and the competition is very keen. Teams 1, 3 and 8 in that order head the league to date. Playoffs will be held the first week in May.

Newton Nurses Alumnae Hold Annual Institute

On Wednesday, April 2nd, the Alumnae of the Newton Hospital School of Nursing held their eighth Annual Institute at the Hospital. One hundred and thirteen members of the Association registered.

Miss Phyllis Keene, Acting-President of the Association and Miss Bertha W. Allen, Administrator of the Hospital opened the Institute and welcomed the graduates.

Dr. Charles A. Lamb spoke on "Peritoneoscopy," a new surgical diagnostic procedure. Dr. George C. Prather delivered a very interesting talk on the "Importance of Blood Pressure in Relation to the Genito-Urinary System." Dr. David W. Sherwood made the closing address of the morning. His subject was "Prophylaxis in Infancy and Childhood."

During the afternoon, Miss Faye Crabbe, Director of Nursing, spoke on the activities of the School. This was followed by a student project in the New Educational Unit under the direction of the Teaching Staff. The graduates assembled in the living-room of the Nurses' Home and were addressed by Charles Raymond Cabot on "Civilian Defense."

GIRL SCOUT PLAYS

The Newton Upper Falls Girl Scouts will present three one-act plays at the Emerson School Hall on Friday, April 18th at 7:45 p. m. Miss A. Gertrude Osborne will direct the plays. Girls of Troop 7 will comprise the cast of "The Discriminating Princess" with Ann DiMichele, Esther Kerivan, Beverly Boardman, Jean Wallace, Alice Mahoney, Dorothy Pendergast and Jane Holt. Flower girls will be Nathalie Sharrott, Lois Cedergren, Anna Garafalo and Elaine Langdon.

The cast of "The Ghost in Green" will be of girls in Troop 17, Jean McCullough, Virginia Manning, Elinor Newey, Dorothy Holt, Lillian Mannishian and Virgin Davis. Celia DiMichele will serve as understudy.

Troop 17 will also furnish the cast for "Blame It On the Movies" with Eleanor Springham, Dorothy Bellefleur, Helen Brown, Gloria Flagler and Susan Digman.

Music will be furnished by the All Newton Music School. Ushers will be Eleanor DiCicco, Georgia Dow, Dorothy Sheridan and Barbara Sharrott. Candy girls will include Joyce Braceland, Betty Goewey, Phyllis Leary, Zita Muldoon, Barbara Bales, Emeldo Lykes.

Automobile Accidents

A car operated by Thomas Connelly, Jr., of 207 Auburn st., Auburndale, hit a tree and overturned on Washington st., near Brookside ave., Newtonville, at 2:20 a. m., last Saturday. The car was badly wrecked and young Connelly hurled on to the street. He received concussion of the brain, possible skull fracture, and cuts and bruises on his head and body. He was taken to Newton Hospital in the police ambulance.

Cars driven by Kenneth Hodgkins of Lynn and Rosalie Greenbaum of Roxbury collided on Sunday afternoon at Beacon st. and Hancock ave., Newton Centre. Hodgkins and two passengers in his car received injuries and were taken to Newton Hospital.

A car driven by Christine Russo, 23, of 150 Fayette st., Watertown, went out of control on Sunday afternoon and hit a tree at Church and Bellevue sts., Newton. Miss Russo and Daniel Cetrone, 48, of Rochester rd., Newton, who was teaching her to drive, received injuries and were taken to Newton Hospital.

Auburndale Garden Club

The Auburndale Garden Club will meet on Monday, April 14, at 2:30 p. m. at The Barn, 38 Vista ave. A motion picture in natural color will be shown. The subject will be "How Does Your Garden Grow?" Mrs. Charles A. Grover will be the hostess and Mrs. Lyscom A. Bruce, Jr., tea chairman.

Recreation Dept.

Mr. James Stevens, who is Superintendent of Recreation at Greenwich, Conn., and is now conducting classes at the Recreation Training Institute in Boston, was the guest of honor at a luncheon given by Mrs. Ragna Hovgaard, supervisor of Newton's Neighborhood Centers. Those present included many of the Recreation Department workers from Newton who are enrolled in Mr. Stevens' courses; Mr. Arthur Swanson, Buildings Superintendent for the Newton School Department and Mr. Duncan Russell of Boston Community Service, Inc. Mrs. Hovgaard was assisted by Miss Claire McCarthy and Mrs. Sheila Parker, with Mrs. Louis H. Marshall, Chairman of the Newton Recreation Commission, pouring. Following the luncheon, Mr. Stevens was taken on an inspection tour of Newton's recreation facilities.

Bowen Puppeteers

The Bowen Puppeteers entertained all of the children attending recreational activities at the Bowen Center last Wednesday. Candy was made and served by Priscilla Doyle, Barbara Dixon, Barbara Faricelli, Elinor Egizi, Phyllis Carderelli, Marie Hume and Mary Renaldi. Mrs. Sheila Parker and Miss Gladys Forbush were in charge.

Lincoln-Eliot Center

A group of children from the Lincoln-Eliot Center were delighted by their visit to a chicken hatchery last Tuesday afternoon. They also enjoyed the Easter display at the Newton Flower Shop, where Mr. Rosenthal presented pussy willows and jonquils to each child. Those making these trips were: Claire Marlin, Eleanor Martin, John Bibbo, Bernadette Reagan, Nancy Quinan, Donald Bibbo, Charles Morrow, Ann Morrison and Constance Smith accompanied by the directors of the Center.

Foreman Retires

Mr. James Saunders, foreman in the Maintenance Division, retired on April 5 after twenty-five years of service for the City of Newton. Best wishes from his friends in the Recreation Department go with him.

Metal Craft

The Tuesday evening Metal Craft class, held under the auspices of the Newton Recreation Department, closed on April 8 after a very successful course under the expert guidance of Mr. Carl F. Ockerbloom. The improvement was notable, advancement being made from an unrecognizable ash tray, the class advanced to such articles as nut bowls, console sets, fruit bowls, candlesticks, hostess trays and many other beautiful articles. Mrs. Eycleshymer made American eagles to be used as wall plaques to match that design on her antique clock. The class included: Mrs. F. W. Swaine, Mrs. E. H. Pendergast, Mrs. J. J. W. Farley, Mrs. R. E. Brown, Mrs. G. W. Eycleshymer, Mrs. C. E. Downing, Mrs. William Rauha, Mrs. O. J. McCourt, Mrs. J. L. Sevigny, Mrs. J. A. Dolan, Mrs. R. R. Jenkins, Miss Ellen Easton.

MORTGAGEE'S SALE

By virtue and in pursuance of the power of sale contained in a certain mortgage deed given by Francis Clark Atwood and Eleanor Bonnar Atwood, his wife in her right, both of Newton in the County of Middlesex and Commonwealth of Massachusetts, to the Danvers Savings Bank, a corporation duly established under the laws of said Commonwealth, and having a usual place of business in Danvers in the County of Essex and said Commonwealth, dated November 26, 1924 and recorded with Middlesex South District Registry of Deeds Book 4792 Page 340, for breach of the conditions in said mortgage deed contained and for the purpose of foreclosing the same, will be sold at public auction upon the premises hereinafter described on Monday, the twenty-eighth day of April, A. D. 1941, at three o'clock in the afternoon (Daylight Saving Time) all and singular the premises conveyed by said mortgage deed and described therein as follows, viz:

"The land with the buildings thereon situated in said Newton being Lot No. 5 on a Plan of Land in Newtonville belonging to Eleanor Bonnar Atwood E. S. Smille Surveyor, October 4, 1923 recorded with Middlesex South District Deeds Plan Book 326 Plan 19 bounded and described as follows:—Southerly by Frederick Street fifty (50) feet, Westerly by land of owners unknown one hundred (100) feet, Northerly by Lot six (6) as shown on said plan fifty (50) feet, Easterly by Lot four (4) as shown on said plan one hundred (100) feet. Containing according to said plan four thousand nine hundred eighty-eight (4988) square feet. Being part of the premises conveyed to me by Dennie P. O'Sullivan by deed dated October 10, 1923 and recorded with Middlesex South District Deeds Book 4666 Page 248. Said premises are hereby conveyed subject to restriction of record so far as they are now in force and applicable, and to a right of way over a strip of land five feet wide on the northerly side of said lot, and together with the benefit of a right of way over a strip of land five (5) feet wide on the northerly side of Lot four (4) and a strip of land five feet wide on the southerly side of Lot six (6) on said plan, said strips together forming a passageway ten (10) feet wide to Denis Street, for the common use of the owners of said Lots four (4), five (5) and six (6) and their heirs, executors, administrators and assigns."

Said premises will be sold subject to all unpaid taxes, assessments, or other municipal liens.

SIX HUNDRED ($600.00) DOLLARS will be required to be paid at the time and place of sale, and the balance in ten days thereafter on delivery of the deed.

Commonwealth of Massachusetts
Middlesex, ss. Probate Court

To Walter I. Badger and George Stanley Harvey, trustees under the will of
Emma L. Waitt
late of Newton in said County of Middlesex, deceased, for the benefit of Albert H. Waitt and others, and to all other persons interested in the trust under said will:

A petition has been presented to said Court by Henry F. Waitt, of Wayne in the state of Maine, representing that he is a beneficiary under said trust: and praying that the decrees of this Court allowing the first to tenth accounts inclusive, of Albert H. Waitt, George Stanley Harvey and Walter I. Badger as trustees under said will for the benefit of said Albert H. Waitt and others, be revoked and for such other and further relief as the nature of the case may require:

If you desire to object thereto you or your attorney should file a written appearance in said Court at Cambridge before ten o'clock in the forenoon on the twenty-eighth day of April 1941, the return day of this citation.

Witness, **John C. Leggat,** Esquire, First Judge of said Court, this seventh day of April in the year one thousand nine hundred and forty-one.

Coach Myers To Speak At P. O. Bowling League

Coach Denny Myers of Boston College and his entire staff will be the guests of the Postal Employees Bowling League members at their second annual banquet and ladies night April 14th at the Hotel Westminster. Superintendent of Delivery John J. Sheehan of Boston will represent Postmaster Peter F. Tague and present the prizes to the various winners. Superintendent Joseph F. O'Gorman of the Newton Post Office, who is president of the league, will be toastmaster. About 300 are expected to attend as the teams represent the various postal branches in the Newtons, Waltham, Watertown, Wellesley Hills and Needham.

The season closed this week and starting the last match any one of the top four teams had a chance to win the league championship. Newton Highlands, last year's winner, and Newton tied for first place. Under league rules in such cases the team having the highes pinfall for the entire season is the winner, and consequently Newton was awarded first place with 139 pins more pinfall.

Newton also won the high team single with 558 and three string total with 1535. High individual average went to Pat Hanson of Newtonville with 103, Joe O'Gorman of Newton taking second prize with average of 97 and Mike Whelan of Waltham winning third place with 96. The individual single string record was won by Joe O'Gorman with 149 and the three string individual mark went to Eddie Gleason with 368. The prize for rolling the highest string without a strike or a spare was split into three ways, as John Kane of Newton, Frank Clarke of Wellesley Hills and Jim Hennessey of Watertown tied with a mark of 94. The final standing:

Newton Man Wins National Table Tennis Title

Lloyd Shepardson of Newton won the veteran's singles crown last Friday in the eleventh annual National Table Tennis Tournament held in New York City.

Shepardson, an unseeded entry, conquered Al Machsin of Philadelphia in straight games 22—20, 21—12, 21—18.

Shepardson had previously eliminated William Gunn, defending champion of Mamaroneck, N. Y., in the semifinal round 15—21, 21—7, 21—17, 21—18.

Mr. Shepardson's next competitive match will be in the play-offs of the Greater Boston Table Tennis League which will be held at the Newton Table Tennis Club next Monday night. At this time Newton meets the Cambridge Y. M. C. A. for the championships in the A. division. Frank Dwelly, who recently defeated Les Lowry, N. E. champion is a member of the Cambridge team. The matches promise to be interesting and will start at 8.30.

Newton Track Coach Named To Executive Committee

Donald G. Enoch, teacher and varsity track coach at Newton High School, has been named to the executive committee of the New England Track Officials Association which was organized Monday night at a meeting of 72 representatives of amateur track organizations. Officers of the new organization are Carrol Getchell of Harvard, president; Oscar Hedlund of M. I. T., vice-president; William C. Hultgren of the Boston Y. M. C. A. secretary, and William Comins of Yale, treasurer.

Gambling Raids In Newton Sunday

Newton police last Sunday conducted two raids, one at the Waltham Gun Club, located at Forest Grove near the Waltham line at the Charles River; and the other at the Newton Centre Royal Rooters' Club, rear of 373 Boylston st., Thompsonville. The Gun Club was raided at 6 a. m. by Sergeant Sullivan and Patrolmen Greeley, Bagley, Eliot and Sherman. The occupants refused to open the door at the clubhouse, so Patrolman Bagley broke a rear window and entered. Twelve men present were arrested, $200 in cash seized, and the furniture was later cleared out of the place.

In the Newton court on Monday John Goulding, 42, of Chaaske ave., Auburndale, caretaker of the club, was charged with keeping a gaming house. Seven of the other defendants were charged with gambling on the Lord's Day, and the other four were charged with being present when gambling was going on. All pleaded not guilty, and their cases were continued until April 17.

At the Royal Rooters' Club the raid was made shortly before 11 o'clock Sunday night. It was conducted by Sergeant Cleary and Patrolmen Charlton, Madden and Smith. Charlton knocked at the door and was admitted, together with the other officers. Ten men were arrested and $4 in cash was seized. The furniture was also removed from this place. In the Newton court on Monday four of the men arrested were fined $10 each for gambling on the Lord's Day. The other six were fined $5 each for being present.

Taxi Driver Fell Asleep; Fined $35

Colin M. Ross of 76 Bennington st., Newton, a taxi operator, was fined $25 by Judge Mayberry in the Newton court last Friday for driving a car so as to endanger the safety of the public, and $10 for driving without a license. About 4 a. m. on March 29 a taxi driven by Ross hit a tree opposite Prince st. on Commonwealth ave. Ross said he must have fallen asleep at the wheel after having driven a passenger to Auburndale. He had neglected to renew his driving license when it expired.

Study Course In Economics Begins At Newtonville

On Tuesday evening last, at the Newtonville Public Library and the East Branch Library, 451 Mt. Auburn st., Watertown, the extension class conducted by the Henry George Institute of New England held its first session of ten consecutive Tuesday evening meetings. The class is engaged in the study of the fundamentals of economics, and is free of tuition charge to residents of Newton and Watertown.

The theory of the school is that the continuance of free enterprise in America lies in the widespread knowledge of the fundamental principles of economics. No previous training is required. Only the ability and willingness to think.

Attending the class will lend weight to any individual's opinions and provide a sound argument for exploding foreign "isms". Readers of the GRAPHIC are invited to attend this "round table" discussion class next Tuesday evening. As the course of study is a "step-by-step" method of instruction it is important to start the series at the next session otherwise some of the essential basic knowledge will be lost.

Newton Man Dies When Car Sinks In Water Basin

John J. Boyce, 59, of 192 Chapel st., Nonantum, died from heart failure on Tuesday afternoon after his automobile plunged through a fence at the Winter st. end of the Cambridge water basin in Waltham, went down a stone embankment and was submerged in about 8 feet of water. Boyce was teaching Mrs. Amelia Rodgers, 53, of 18 Ware st., Cambridge to drive, and it is supposed the woman stepped on the accelerator instead of the brake. Louis LaVasseur of 144 Winter st., Waltham, near where the automobile plunged into the reservoir, hastened to the rescue. He observed that Boyce had escaped from the submerged car and was struggling feebly on the surface. LaVasseur held a long piece of broken fence rail toward Boyce, but the latter seemed to lose consciousness and sank. LaVasseur jumped into the reservoir, brought Boyce ashore and with the aid of Paul Brondo of Waltham, tried to resuscitate Boyce. Waltham police and firemen soon arrived, but could not revive the man. Mrs. Rodgers body was recovered from the car about an hour later.

Boyce was born in Nonantum, the son of John and Mary Boyce. He had been employed by the Newton Water Department about 35 years. He is survived by one brother. His funeral was held on Friday morning from the Doherty Funeral Parlor in Nonantum. The service was in Our Lady's Church and burial was in Calvary Cemetery, Waltham.

Draw Newton Residents For Jury Service

The following Newton residents were drawn for jury service at the meeting of the Board of Aldermen on Monday night. They will serve at sessions of Middlesex County superior court in Cambridge next month: Burt Gold, 35 Newell rd., Auburndale; John Lander, 30 Williston rd., Auburndale; Irving Kelly, 269 Lexington st., Auburndale; Everett Collins, 65 Commonwealth Park West, Newton Centre.

Newton Man Is Robbed of $800

Daniel Gentile of 44 Lincoln rd., Nonantum, reported to Newton police that he was robbed of $800 in his yard at 12:30 a. m. Sunday by an armed bandit. According to Gentile, he had the Saturday receipts of a chain grocery store in Quincy, of which he is manager. Gentile drove his car from Quincy after closing the store Saturday night, and put it in a garage he owns at 31 Lenglen rd., at the rear of his home on Lincoln rd. He had entered his back yard when the bandit came from behind, pressed a revolver against his back and seized the bag which contained the money and some checks. Gentile could give no description of the robber.

TEMPLE COURT CHAPTER

The Temple Court Chapter of Newton Centre, Daughters of the British Empire, Mrs. Leland A. Arnold, Regent, met at her home on Warren st., on Wednesday, April 9, for the presentation of two flags, the Stars and Stripes and the Union Jack, and for the induction of five new members. Mrs. Walter Woods, State President, and Miss Jenkinson, Regent of the Hampton Court Chapter, honored the local chapter with their presence. Temple Court Chapter numbers 20 active members. The chief object of the chapter is to help entertain the Victoria Home at Ossining, New York, a home for British men and women in needy circumstances, who might otherwise face deportation in their old age. Following the meeting, Mrs. Irving Carney and Mrs. Frank Graccia served tea.

mittee you appointed to follow the matter, Messrs. Feakes, Francis and Gruchy.

In this report, the Mayor's committee, headed by Alderman Jamieson, unanimously recommends that the City take steps at this time to secure options on property for an airport in the Oak Hill area. Appended to the report was a tentative cost estimate, and a map of the "Proposed Newton Airport," bearing WPA Project No. 22350.

Upon receipt of a copy of this, your committee met and submitted their report on the subject "Proposed Airport"; to the effect that "It is not believed that the City of Newton either for the present or immediate future should secure options . . . for . . . an airport." They suggest that there is no popular demand for an airport; they object to the City going into the airport business; they anticipate a drop in real estate values would follow.

The last suggestion brings up the effect on every resident of the district, regardless of whether he would us such an airport for his own plane, or would find it advantageous in connection with the suggested air-taxi service to the East Boston Airport. It would seem that less desirable residential conditions might be expected, in the majority point of view; and a lowering of real estate values in nearby property of from thirty to forty per cent. The effect of this depreciation might extend some distance, and in the aggregate amount to a considerable sum. Most of old Ward Five Precinct Four, used in the latest published Assessors' Report, is within a mile and a half of this airport; and this area contained in 1940 buildings and land appraised by the assessors at over ten million dollars.

In a covering letter to a copy of his committee's report, the Mayor remarks that "the City Government has at no time taken any official action with reference to this question, and most assuredly would not without giving adequate public hearing to the citizens of Newton."

The Massachusetts Aeronautics Commission is actively interested in the establishment of this airport. Legislation recently filed at the State House seeks to make such acquisitions quick and easy through eminent domain process. But, on the other hand, Representative Douglass B. Francis feels that there is a growing tendency at the State House to take into consideration the wishes of citizens resident in the vicinity of proposed airports.

Assuming the members of the Association persist in the point of view expressed in their vote at the Semi-Annual Meeting, and are opposed to this airport, it is suggested that they consider ways and means of making their attitude effective. The members of the State and City governments should be left in no doubt as to the attitude of the residents of this district. The Mayor, as well as Aldermen Walker, McKay and Jamieson should have letters from every resident who is interested. Write them today. At the Annual Meeting, which will probably be held April 28, we hope effective group action may be possible.

The special committee appointed by Mayor Goddard included Aldermen Jamieson and Whidden, Street Commissioner Haughey, Rupert Thompson, Secretary of the Chamber of Commerce; Lawrence Early of Oak Hill; Henry D. Ganteaume of Newtonville and Hervey F. Law, formerly of Auburndale.

The proposal to establish an airport at Oak Hill was unknown to most residents of that section for a considerable period after the committee was appointed, and when the news became known through the publication of an item in Boston papers telling of proposed appropriations for airports in New England, there was considerable concern among Oak Hill property owners. At a meeting held last year by the Oak Hill Improvement Association, the sentiment was almost unanimously against the establishment of an airport in that section.

Make your Power as you need it

THE only way to get power out of an engine is to burn fuel in it.

And it wouldn't be smart to burn enough gas to develop a hundred-plus horsepower all of the time – when it usually takes only a small part of that to give the performance you want.

The sensible thing to do is to develop power as you need it – and that is precisely what the Buick FIREBALL eight with Compound Carburetion† does.

As long as one of the two carburetors in this system will do the job, that is the only one that functions.

But when you need extra power, extra pressure on the foot throttle throws an extra carburetor into action, feeding more fuel mixture into your engine and pouring more horsepower out.

You thus make your power as you need it.

You know the lift and life of plenty-power when it's wanted.

You have a smooth-working, purring, never-overloaded engine at all times and all paces.

Hearing On Bill Of Newton Firemen

A hearing was held on Thursday at the State House on the bill sponsored by the Newton Firemen's Welfare Association which will have pensions for Newton firemen placed on an equitable basis. Several firemen who were retired during the period when the salary cut was in effect are receiving lower pensions than the firemen who were retired after the cut was removed. Among those who spoke in favor of the bill were Francis Linnehan, secretary of the association; Representative Clarence Colby, who said the Newton City government favors it; and M. J. McGonigle of the Mass. State Firemen's Association.

Brush Fires Keep Firemen Busy

Newton firemen have been very busy the past week responding to dozens of still alarms caused by persons starting bonfires. Chief Randlett calls attention to the city ordinance requiring a permit for any fire started in the open. Persons who start outdoor fires without permits may be prosecuted.

A fire on the roof of the house at 388 Boylston st., Newton Centre, early Wednesday afternoon worked into the attic and caused damage estimated at $1000. It was caused by sparks from a chimney. The house is occupied by Mrs. Vincent Signore. Traffic on the turnpike was delayed over a quarter hour and a long line of cars formed.

Short Circuit Darkens Hall At Boston College

A short circuit in a service cable caused a slight fire in the basement of St. Mary's Hall, Boston College, on Sunday afternoon. All the buildings at the college were deprived of light and power for two hours. A telephone alarm brought Engines 3 and 9 and Ladder 2. The damage was slight.

Powers' Paragraphs

(Continued from page 2)

Miss Thompson's views as expressed in that article differ considerably from the statement made by Lord Halifax about the aims of this war. Most Americans hope that her statement—"The age of imperialism is past" could only come true. But no assurance to this effect has come from the warring contestants. It certainly will not come from Germany, and it has not come from Britain. We also hope that Miss Thompson's statement that this war "isn't for markets" may come true before the strife will have been ended. The war certainly started out with "markets" as one of its chief causes. Many of us will agree with Miss Thompson that "our markets are in our own backyards," but all of us don't agree with her that our own backyards are everyone else's. When persons start butting into other persons' backyards there is apt to be trouble, and the same thing applies to nations.

In this week's GRAPHIC are some suggestions from Patrolman Timothy Riley for improving traffic conditions at Newton Corner. For the past few years he has been on duty days at Newton Corner and Nonantum sq., and he has endeavored to perform his duties efficiently. Regarding Mr. Riley's suggestions for the rerouting of the Middlesex & Boston buses, we shall offer no opinion. This is a matter which would have to be studied by the M & B officials as well as the police.

We differ from Patrolman Riley's suggestions regarding the removal of the traffic tower at Nonantum sq. and the discontinuance of routing automobile traffic around the bank building. When motor vehicles crossed paths by travelling in both directions by the bank building on Centre and Washington sts., in past years, there were many collisions. Since the traffic tower was placed in the square, and the present method of routing motor vehicles was established many years ago, there have been few accidents at Newton Corner, and to our memory, no fatal accident. We agree with the veteran patrolmen at Newton Corner, Henry McDonough and Michael Connolly, that the present arrangement has resulted in an amazingly small number of accidents, and that any change which would cause motor vehicles to pass through Newton Corner at increased speeds, would be apt to result in more accidents, especially to pedestrians. However, Patrolman Riley is to be commended for the interest he is displaying in his work.

Newton Bankers Assn. To Hold Annual Meeting

The officers, directors and trustees of all the banks in the city will hold their annual get-together on Wednesday evening, April 16th, at the Brae Burn Country Club. The meeting is in charge of James B. Melcher, president of the association, and the speaker is Mr. James M. Barker of Chicago, until recently the Vice President and Treasurer of Sears, Roebuck & Co.

LOUISE B. HAMILTON

Mrs. Louise Butler Hamilton of 314 Newtonville ave., Newtonville, widow of Charles W. Hamilton, died on April 10. She was born in Lynn 77 years ago and had resided in Newtonville for 52 years. Mrs. Hamilton is survived by a son, Daniel B. Hamilton of Newton; and a daughter, Mrs. Joseph A. Proctor of Newton Centre. Her funeral service will be held on Saturday at 11 a. m. at her late home. Burial will be in Falmouth, Massachusetts.

Still Leading the Way

The award to Newton as one of the top ten cities in the country in health conservation is exceptionally commendatory. It is the third consecutive year that the Garden City has been judged as a leading community in this form of municipal service. During the two preceding years Newton was ranked first in cities of its population class, 50,000 to 100,000. In the 1940 national contest the population classes were abandoned and all cities competing were grouped together. All the cities were given the same distinction. Newton and Hartford were also given commendation for a most effective tuberculosis control program making the honors doubly significant.

The Newton Health program was developed with the assistance of the Harvard School of Public Health and the Rockefeller Foundation under former Health Commissioner Harold D. Chope. The program is being effectively continued under the present Health Commissioner, Dr. Ernest M. Morris and Newton looks forward to the distinction of being rated one of the nation's "healthiest cities" in 1941.

Prohibiting Open Fires

The State Fire Marshal's office has invoked the authority given it under the general laws to prohibit the issuance of permits for fires in the open. Due to the prevalence of many brush fires which have gotten out of control the ban is scheduled to be effective from April 16th to June 7th. Local discretion is given only in the event of rainy days when it is absolutely certain that an open fire will not get out of control.

The Spring Season is with us. Many persons have been and will be clearing their grounds of the accumulation of fall and winter debris, leaves and burnable rubbish. Many of these persons have burned this material either with or without going through the formality of obtaining the required permit from the local fire department.

During the past week the fire department has been more than usually active and on call for many open fires. A record was made one day last week when

Newton Chosen For Conference of Educators

All-Day Sessions To Be Held On May 5th

Educational honors were accorded Newton this week when it was announced that this city had been selected as host to the New England regional conference sponsored by the Educational Policies Commission of Washington, D. C. The conference will be held at the high school on Monday, May 5, one of similar meetings to be held in various parts of the country. The purpose of the conference is to apply the principles of the case book, "Learning the Ways of Democracy," produced by the National Educational Association and the American Association of School Administrators, whose representatives form the Policies Commission. The research work of the commission is financed by the Rockefeller Foundation.

Prominent educators and civic leaders of New England have been invited to attend the morning and afternoon sessions which will be concluded with a mass meeting in the evening. About 150 are expected to attend the day sessions. The evening meeting will be open to the public, addressed by an educator of national prominence. Governor Saltonstall will address the meeting on "The Challenge of American Citizenship."

Supt. of Schools Julius E. Warren will preside at the conference which will open at 9:30 a. m. He will speak on the subject, "Why This Conference Is Being Held." Professor Carl A. Friedrich of Harvard will speak on "The Nation's Needs for Trained Citizens." Dr. William G. Carr of the Educational Policies Commission will speak on "The School's Response to the Nation's Needs."

There will be a general discussion period at 10:30 under the leadership of Dr. G. L. Maxwell of the Policies Commission. The subject of this discussion will be "How Can the Schools of This Region Educate Youth for the Responsibilities of American Citizenship." Round table discussions will begin at 11:30 on "How Can We Do a Better Job of Citizenship Education." The leaders will be Prof. John J. Mahoney of Boston University; Horace Kidger of Newton High School; Tyler Kepner of Brookline Public Schools; Victor E. Pitkin of the Reading Public Schools; and James F. Rockett, commissioner of education of Rhode Island.

Walter F. Downey, Massachusetts Commissioner of Education, will preside over the luncheon meeting at 12:30 followed by a discussion on the subject, "What I Should Like to See the Schools Do to Prepare Boys and Girls for the Responsibilities of

Publication Day To Be on Thursday

Beginning with this issue the Newton Graphic announces the change of its regular publication day to Thursday of each week. During the 69 consecutive years of service to Newton readers the Graphic has been published on Friday. Continual growth of the paper and the city, changing business conditions, mailing services and other factors have entered into the desirability of the earlier publication of the paper. All news and reading material offered for publication should be submitted before 5 p.m. on Wednesdays to insure publication. All advertising forms will also close at 5 p.m. on Wednesdays.

The publishers will appreciate the co-operation of its many friends in unforseen mechanical difficulties sometimes encountered in the development of a routine program under the new schedule. The change is being made in the interests of all and is one of several major developments planned for the near future to make the Newton Graphic a bigger and better Community Newspaper.

Appoint Three As Reserve Policemen

Three new members of the reserve police force were appointed last Friday by Chief Michael T. Hughes. They are John Umina, 35, of 120 Pine st., West Newton; James J. McManus, 33, of 61 Pond st., Newton, and Thomas J. Brady, 26, of 16 Washburn st., Newton. The appointees were the first three on the list certified as eligible candidates by the State Department of Civil Service and were named to vacancies caused by the recent promotion of three reservists to the regular force.

Chief Hughes has also asked the department of civil service to hold an examination for the promotion of two patrolmen to the rank of sergeant. The Board of Aldermen at its last meeting authorized the appointment of two additional sergeants and six additional patrolmen. The eight positions on the regular force will be filled from the reserve list.

Lower Gas Rates For Heating Uses

New rates which will lower the cost of gas to domestic users for kitchen heating and house heating have been filed by the Boston Consolidated Gas Company with the State Department of Public Utilities to be effective on meter readings on and after May 1, 1941. The company estimates that reductions will average from six to thirteen per cent.

At the same time the company filed new space heating rates applicable to commercial and industrial customers.

WINS NATIONAL HONOR

To Use Surplus Funds to Lower 1941 Tax Levy

Mayor To Recommend Action By Aldermen

Mayor Paul M. Goddard will recommend to the Board of Aldermen at its next meeting that a part of the city surplus be applied to reduce the current tax levy. The general surplus has been increased to about $300,000 by unexpended balances remaining in the budget of various city departments at the close of the year 1940. The surplus in the Water Department is about $100,000.

The tax rate is expected to be announced as soon as a report on the property valuation is available from the City Assessors. The value of new construction is expected to approximately offset the reductions in assessments on older property.

State Fire Marshal Bans Permits for Fires

Because of the prevalence of many brush fires throughout the state and exceptionally dry conditions State Fire Marshal Maxwell C. Hutchins has issued orders prohibiting the issuance of permits for open-air fires from April 16th to June 7 inclusive. Under the general laws the State Fire Marshal's authority takes precedence over that of local officials.

The order received by Chief Clarence W. Randlett of the Newton Fire department reads as follows:

"All permits for burning in the open air will be discontinued from April 16 to June 7th inclusive, except on rainy days they may be issued when there is absolutely no danger of fires getting beyond control."

Violation of the law provides for punishment by a fine of not more than one hundred dollars or by imprisonment for not more than one month, or both.

Newton Among Top Ten Cities In Health Conservation Program For Third Successive Year

Announcement was made this week of the winning of first honors in the national health conservation contest for 1940 by the City of Newton from the United States Chamber of Commerce and the American Public Health Association. It is the third consecutive year that Newton has received this distinction.

In the contests in 1938 and 1939 separate contests were conducted for cities of various population classes. Newton led in cities from 50,000 to 100,000 among those entered in the contest. During the past year the population classes were abandoned and all competing cities placed in one group.

Surveys were conducted and appraisals made of health services on forms supplied by officials in charge of the contest. The ten cities offering the most effective health protection to the community were selected from these statistics and surveys. Equal honors were awarded those chosen which in addition to Newton were Baltimore, Md., Evanston, Ill., Greenwich, Conn., Hackensack, N. J., Hartford, Conn., Honolulu, Hawaii, Madison, Wis., Memphis, Tenn., and Pasadena, Cal.

Newton and Hartford were also commended for having the most effective tuberculosis control programs.

Will Not Move Traffic Signals At Intersections

Budget Reductions Cause Postponement of Project

The proposal to relocate all traffic signals now located in the centre of intersections to sidewalk positions has been postponed for at least another year by the reduction of budget appropriations that were sought for this purpose. Recommendations by the State Department of Public Works and the Newton Traffic Bureau to this end resulted in the request by Street Commissioner John D. Haughey for an appropriation of $20,052.

Mayor Goddard reduced this sum to $6400 to provide for the relocation of traffic signals on Commonwealth ave. only. The Board of Aldermen further reduced the item to $2000, sufficient only to repair the present signals, leaving no funds for the removal and reinstallation project.

Hold Annual Dog Clinic Next Week

From Monday through Friday of next week the annual dog clinic will be held at the drill shed in the rear of the high school. Officials set the date to coincide with the school vacation so that children may be free to take their dogs to be immunized against rabies. Sessions will be held daily from 3 to 6 p. m. City veterinarian Dr. Richard C. Schofield will be in charge. Owners may call at the clinic with their pets in accordance with the following schedule: Initials A to D inclusive, Monday, April 21st; E to I inclusive, Tuesday April 22nd; J to Q inclusive, Wednesday, April 23rd; R to T inclusive, Thursday.

Band Concert During Marathon

Albert H. Walker, supervisor of the Newton WPA orchestra, has completed arrangements for a band concert to be given on the grounds at City Hall, Newton Centre from 12:30 p.m. to 2:30 p.m. on Saturday, during the time the marathon runners are expected to be passing that point. The concert will be given by the Medford WPA band under the direction of Alfonse DiVino. Popular music and marches will comprise the program. The portable bandstand of the Recreation department has been ordered erected by Recreation Commissioner F. E. Wilson.

Arrest Two High School Youths For School Burglaries in March

Had Broken Into Weeks Junior and Newton High Buildings

Two 18-year-old Newton high school juniors were arrested on Saturday night on charges of breaking and entering and larceny in the night time. The pair are alleged to be the safecrackers who burglarized cash boxes, vaults and offices in the Newton High and Weeks Junior High Schools last month, obtaining nearly $600 in loot.

In the Newton Court on Monday the defendants, Frederick W. Byfield of 20 Clyde st., Newtonville, and Charles E. McKeen, Jr., of 18 Cedar st., Newton Centre, pleaded not guilty and waived examination through their counsel. They were held for the Grand Jury in $1000 bail each by Judge Donald E. Mayberry.

Patrolman Thomas B. Concannon, who with Sergeants Andrew Moran, and John Sheridan, and Patrolmen John McArdle, Albert Yanco and Robert Turner, arrested the youths, testified that the boys admitted that they forced the vault at the Weeks School and stole $537.50 on March 22 and obtained $24 at the High School on March 7 although failing to batter open the safe.

In the junior high school the thieves used an electric drill and other tools obtained in the machine shop to force an entrance into the vault. They entered the school by breaking a window and after obtaining the tools went to the principal's office on the second floor and after removing the door of the vault gained access to the school cash. They failed to open an inner safe which contained receipts from the school cafeteria. In the high school

Homecrafters Club Plan Public Exhibit

The Newton Homecrafters Club will hold its sixth annual exhibition on Monday, April 21st at the Methodist Church, Langley rd., Newton Centre. The exhibition will be open in the afternoon from two until six and in the evening from seven until ten o'clock.

The Homecrafters Club is a non-commercial organization seeking to further the interest of its members in arts and crafts as a diversion and hobby. The exhibition demonstrates to a marked degree what man can do in his spare and leisure moments with a little interest in a home workshop. The public is cordially invited to attend the exhibit, there being no admission fee.

At the recent annual meeting of the club the following officers were elected: Charles R. Spaulding, president; Edwin S. Drowne, vice-president; Louis F. Billings, treasurer; Selden S. Hardy, secretary; and Ralph F. Atwood, Hoyt Hallas, Ernst Herrman, and Adrian M. Mathews, members of the governing board.

Colleagues Present Sen. Hollis With Gift

Senator Arthur W. Hollis of Newton was presented with a traveling bag on Monday by his colleagues in the State Senate. The honor was conferred upon him when it was announced that he will take a vacation trip on the advice of his physician.

The presentation was made by Senator Jarvis Hunt of North Attleboro, Republican floor leader. President Angier L. Goodwin stated that Senator Hollis had made a record of attending every open session of the upper branch of the legislature in his 12 years of service that had been equalled only once before in the 150 years history of the General Court.

The veteran Newton Senator was relieved of his position on the special committee studying legislation attempting to solve the tangled affairs of the city of Cambridge due to the enforced resignation of Mayor Lyons. Sen. Harris S. Richardson of Winchester was named in Sen. Hollis' place.

Legion To Hear Talk By Famous Deep-Sea Diver

The famous deep sea diver, Fred J. Wallace will be the guest speaker at the meeting of Newton Post, American Legion, this evening at the War Memorial building, Newton Centre. He will give his talk on "Twenty Fathoms Down" and will bring his complete diving equipment, including suit, boots, airlines and pump. He will tell of the more than 500 wrecked ships he examined as well as his diving experiences inspecting foundations of bridges and piers. Junior Vice-Commander Francis P. Frazier is in charge of the program.

Plans for Memorial Day will be discussed at the meeting.

Commander George F. Hennrikus has appointed Joseph Welch and Asabel Morse to head a committee to arrange for participation of the post in the Department markmanship program. Plans are under way for the post to sponsor teams of pistol and rifle marksmen.

Dr. Wm. K. Anderson To Preach at Newton Church

The morning preacher this Sunday at the Newton Methodist Church will be Dr. William K. Anderson, Educational Director of the Commission on Courses of Study of the Methodist Church, Nashville, Tennesses. His subject will be "King Herod."

Dr. Anderson is the son of Bishop William F. Anderson, who was formerly in charge of the Boston Area of the Methodist Church. For twelve years he was pastor of the Franklin Street Methodist Church, Johnstown, Pennsylvania, prior to taking up his present work. He has also served pastorates in Butler and Pittsburg, Pa. He has been a member of two General Conferences of The Methodist Church, and for many years has been prominent in Denominational affairs.

Burglar Turns Hold-up In West Newton Home

A burglar, surprised in a West Newton home on Sunday evening, turned hold-up and forced his victims to lie face down on the ground under threat of death and made a getaway. Joseph Moffette, 19, of 163 Cherry st., West Newton, told police that he was alone at home, seated in the darkened living room listening to the radio, when he heard someone moving around in the attic. Hastening out of the house he returned shortly with a neighbor, Richard A. Carroll, 25, of 167 Cherry st. As they were about to enter the Moffette home the burglar confronted them. Carroll turned a flashlight on him whereupon the intruder pointed a revolver at them, ordered them to lie down, took away the flashlight, searched their pockets and finding only two sets of keys, then made his escape on foot.

A search of the Moffette home revealed that the burglar had started to ransack the house believing no one at home when he heard Moffette go out hastily. In addition to a wedding ring the burglar stole two diamond rings and a ladies' gold wrist watch.

He was described as about 33 years old, 5 feet 10 inches tall, weighing about 150 lbs., and wearing a gray topcoat, gray hat and glasses with white gold rims.

Pistol Experts To Feature Annual Father and Son Night

The annual father and son night of the Claflin Club of the Newtonville Methodist Church will be held next Friday evening, April 25th, in the assembly hall of the church. A varied and interesting program has been arranged for the entertainment of all. George Hutching, cartoonist, and Clarence Hutchings, marimba soloist, will precede a moving picture showing the many recreational activities of the Metropolitan Park system. The feature of the evening will be an exhibition of expert pistol shooting by the Metropolitan Police Pistol team.

N.H.S. Class of 1916 Plans 25th Reunion

The Class of 1916, Newton High School, is planning an informal 25th reunion at the Brae Burn Country Club on Friday evening, May 23rd. The committee in charge is planning a short formal program with plenty of time reserved for informal reminiscing. Some of the former teachers of the class will be present. William V. M. Fawcett will be in charge of the program of music, pictures and other entertainment. The committee planning the reunion includes Beatrice Lowell Colby, Forrest Davidson, Frank Dorney, Eleanor Edwards, Philip Enholm, Wm. V. M. Fawcett, Mim Breed Freese, Harry Bibbs, Sydney Holden, Jeanette Lawson Jewell, Lillian Ducayet Kellar, Herbert Leonard, Harry Lord, Mark W. Noble, Polly Horne North, William Plumer, Hubert Ripley, Helen Shumway, Joseph Stubbs, Ruth Pierce Trefrey, Marion Kelsey Underhill, Gladys Keisler Vaughan, Mabel Mason Webber and Carl Wood.

Draft Boards Ask Address Changes

Local draft boards are advising all registrants under the Selective Service Act of the importance of keeping in constant touch with the particular board with whom they are registered. It is of extreme importance that the local boards be notified of any change of address or of any intended absence from the address to which the local board sends his notices.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Why does a Golf Ball bounce?

EVER notice that a golf ball, when you drop it, bounces higher than something hollow, like a tennis ball?

Know why?

It's partly because of internal *pressures*, which also have so much to do with Buick's extra FIREBALL power.

Rubber threads inside a golf ball are packed *tight*, highly compressed.

When flattened against a hard object they come back harder, with more push, and so the ball bounces higher.

A similar thing happens inside a Buick FIREBALL straight-eight cylinder.

Fuel compression *pressures* – which are even more important than compression ratios – are higher here than in any other standard-production automobile engine.

So when the spark jumps in the tightly-packed, fuel-fat ball of gas-mixture at the top of the stroke – the Buick piston goes rushing down with *more* push, *more* shove, *more* power than the same amount of fuel gives up elsewhere.

What that means is pretty important if you go for life and action and real competence in your cars.

It's important if you're interested in thrift – for every Buick engine travels farther per gallon this year than the same-size engines did last year, while Compound Carburetion† with Buick FIREBALL design gives as much as 10% to 15% more miles per gallon.

In fact, if you're buying any car this year, it's pretty important to see and drive a Buick before you're through; it's Number One in smart engineering as well as Number One in solid, rock-bottom, all-round VALUE!

†Optional equipment on the Buick SPECIAL, standard on all other models.

Thread of Yarn Convicts Youthful Hit-Run Driver

A thread of yarn from the overcoat of a hit-and-run victim convicted Gerard E. Souliere, 19, of Orleans, Vermont, as the driver of the car involved in the accident, in the Newton court last Friday. After a lengthy hearing before Judge David Nagle the defendant was found guilty of leaving the scene of an accident without making himself known, after causing personal injury. A suspended sentence of two months in the House of Correction was imposed. Souliere pleaded guilty to a charge of driving without a license and was fined $20. He had no previous record.

Lieut. Joseph F. Walker, chemist of the state police, and John W. House, of 55 Wyoming rd., Newtonville, a local yarn merchant, testified that a thread of yarn which had clung to the door handle of Souliere's car was of the same color and texture as the material of the victim's coat. The victim of the accident, which occurred on the night of Feb. 23 at Crafts and Waltham sts., West Newton, was John H. Berndtson, 78, of 33 Harding st., West Newton. He was severely injured and was confined to the Newton Hospital for several weeks.

The defendant admitted that he had passed the scene of the accident but denied knowledge of having struck anyone. Stanley Fern of Needham, who witnessed the accident, told the court that the car slowed down but soon disappeared. The first two registration figures of the number plate, which were black and white, were 92.

Patrolman Leo Gagnon testified that he stopped the defendant's car at the Needham line on Route 128 because of the description of the car and plates which had been broadcast, an hour after the accident. He asked Souliere where he had been and received the reply that that he "got lost" near City Hall. Sergeant Michael Sullivan and Patrolman John J. Bagley noticed the yarn thread on the door after the car had been brought to police headquarters. They also testified that they noticed that the door panel had been wiped while the rest of the car was dusty.

Public Approval For New Nash Cars

Sweeping public approval of the new car that was introduced in this area a few months ago by August Osterlund, Inc., Nash dealers, has brought the company the biggest sales in its history, according to August Osterlund, head of the local automobile firm.

Mr. Osterlund said that new Nash sales in this territory increased 106 per cent during the first quarter of the year, and surpassed by a wide margin the all-time record total of sales for this period. He said that the gain here was characteristic of Nash sales throughout the United States, with Nash Motors delivering two new cars for every one that was delivered last year, and chalking up the best January-February-March sales in its 25-year history.

To the new low-price Nash Ambassador "600" goes principal credit for the company's record-smashing sales, Mr. Osterlund declared.

"We feel that the '600' represents the fourth great step that the automobile industry has taken forward in the last thirty years," he said. "The first step came in the 1910-1920 decade, with the development of low-cost transportation; the second, in the 1920's, with the addition of style and beauty to the industry's products, and the third, the introduction of luxury size and performance, which was the chief automotive development of the last decade.

"The public received all of these developments with tremendous enthusiasm. Our contribution, we believe, has been the development of an automobile that has all of the things to which the industry has accustomed the American motoring public, plus about 40 per cent greater operating economy."

"Mr. Osterlund said that the company's engineers achieved this, after three years of research and development and the expenditure of $7,000,000, by producing a new kind of body construction that reduced dead weight and increased strength and useful size. To go with this new construction, he said, Nash engineers built an entirely new L-head motor that flashes the big car along at the rate of 500 to 600 miles on a tankful of gasoline.

"The reception given this car, and Nash's two other cars the Nash Ambassador Sixes and Eights—has been pushing the company's sales up steadily," Mr. Osterlund said.

CHRISTIAN SCIENCE

"All things are of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliation." These words from II Corinthians 5:18 comprise the Golden Text to be used Sunday, April 20, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The subject of the Lesson-Sermon will be: "Doctrine of Atonement." Included among the Scriptural selections will be: "Let us draw near with a true heart in full assurance of faith, having our hearts sprinkled from an evil conscience, and our bodies washed with pure water. Let us hold fast the profession of our faith without wavering; (for he is faithful that promised); And let us consider one another to provoke unto love and to good works" (Hebrews 10:22-24).

The following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be included: "Every pang of repentance and suffering, every effort for reform, every good thought and deed, will help us to understand Jesus' atonement for sin and aid its efficacy; but if the sinner continues to pray and repent, sin and be sorry, he has little part in the atonement,—in the at-one-ment with God,—for he lacks the practical repentance, which reforms the heart and enables man to do the will of wisdom" (p. 19).

Newton H. S.

The senior class had an assembly on Wednesday morning, April 16, sponsored by the English Club. William Hill, president, introduced the winners in the annual English Club Essay and Poetry Contest for seniors. Writers of the prize-winning essays were Jane Byers, Mary Gill, Kathleen Gordon, Leo Hession, Elizabeth Harlow, Georgia Leonard and Marjory MacNeil. The first award in poetry went to Olga Foxe, and an honorable mention to Virginia Horrigan. The book awards to winners were selected and purchased by the English Club. Several of the essays and poems were read by their authors at the assembly.

Mr. William Abrahams, student of Harvard University, lectured Thursday before the English and Debating Clubs.

Professor Raymond Morley of Worcester Polytechnic Institute spoke before the Mathematics Club, and demonstrated the use of mechanical instruments employed in mathematical calculations.

Mrs. George W. VanGorder, who has spent much of her life in the Far East, addressed the Social Studies Club. Her subject was "China and the World Crisis."

The Camera Club of Newton High won first place in the State Exhibit of high school photography, on April 5. First prizes were awarded to Gene Daniels and Kenneth Canfield, members of the Newton Club.

Miss Arlite Smith, holder of the national low-board diving title for three years, was a visitor to the school last week. She gave a talk and showed motion pictures of fancy diving.

The Junior Forum at a recent meeting made plans for its participation in the Newton Community Forum. Dana Danforth was elected chairman for the 1941-42 season. Alice Birmingham was appointed secretary by Dana Robinson who also appointed the following delegates to senior committees: Adrienne Albee, publicity; Cooper Eastman, membership; and Robert Warshaw, finance.

Some thirty-five members of the Personality Club met last Thursday for a very interesting meeting. Mrs. Mildred Albert, dean of the Academy Moderne, presented some very useful hints to the group on "How to Be Charming." explaining what clothes to wear and when, seasonable colors, how to care for the hair, and how posture and attitude fit in.

At the meeting of the Legislature several matters of prime importance to everyone in school were discussed following the official opening of the meeting at 8:45 by the president, Stetson Mick, and the reports of the secretary and treasurer. First, the Legislature passed the proposal for reorganization of the Orange Shield; namely, that henceforth the members of that organization should not be chosen by the Civics Board as has been customary, but should be elected towards the end of the year, one from each of the ninety-one English classes. Also that there should be certain positions in the school such as athletic team captaincies, literary editors, etc., from which the Civics Board might appoint honorary members. The second major point which was taken up at length on Wednesday morning was the new system in the lunchroom.

Miss Jane B. Dealy of West Newton, a senior at Vassar College, was awarded the Vassar College Fellowship for 1941-42 to study Journalism at Columbia University. Miss Dealy, who is an honor student, is editor-in-chief of the "Vassarion," senior class year book.

Day Jr. High School

Two girls from this school have been selected by a teacher poll to represent the F. A. Day at the convention of the Junior Red Cross in Washington, D. C., during the week of April 21. The girls chosen, Joan Thompson and Jean Webber of Grade Eight, are eagerly looking forward to their trip to the nation's capital.

The Girls Gym Meet took place in the auditorium on Tuesday. This high point in the girls' physical education program was open to parents and faculty members. The program began with the entrance march, Grade Seven being led by Patty Noel, Polly Noel, Patricia Burt and Mary Hurley; Grade Eight by Patricia Dunham, Margaret Sherman, Phyllis Burt, and Joan Kellar; Grade Nine by Audrey Ross, Harriet Collard, Nancy Jewett and Martha Roope. The next events were dances, apparatus work, inter-class games and a Gym Club exhibition. The presentation of awards was made by Mr. Burkhard after the judges, Miss Colette Kennedy of Needham, Miss Angela Murphy of Waltham, and Miss Doris Cole of Cambridge, had reached their decision. The ninth grade was awarded first place followed by the seventh grade. Irene Boudrot and Filomena Tempesta were in charge of apparatus. The next was under the direction of Miss Peoples.

The bicycle registration by the Newton Police Department at the Day School last Wednesday resulted in 235 registrations.

Mr. Cowles has issued the call for candidates for the tennis team and also for a boys' and girls' tennis tournament which is an annual event. The softball leagues are getting under way, including eighth and ninth grade groups and the "Luncheon League" which functioned so well last year at the end of each lunch period.

Log Deterioration

Logs are liable to deteriorate through attacks of insects and worms in the coldest months of the year.

Annual Meeting of Oak Hill Imp. Assn.

The annual meeting of the Oak Hill District Improvement Association has been called for the evening of Monday, April 28. In view of the large number of active issues before the association at the present time, no special speaker is scheduled.

Charles R. Davis, long active in the affairs of the association, is to report on plans and prospects for making available the large but unimproved Oak Hill playground, that was set off when the district was laid out, and the school built. Lawrence Early is to follow with the report of the Safety Committee, and several interesting developments they are sponsoring. Next on the program is Luzerne S. Cowles, who brings his long experience in the transportation field to the question of whether an extension of the Oak Hill bus line might be advisable.

Richard Feakes is scheduled to bring in a report from the special committee established at the semi-annual meeting, to follow the destinies of the proposed Oak Hill airport. The Mayor's Committee reported to His Honor recently in favor of this Airport; the Association at its last meeting voted overwhelmingly against it. The report of this committee and action taken on it is therefore a subject of lively anticipation.

Newton First In Residence Building

Newton continues to lead communities of the state in the volume of private residence building according to the March report of the State Department of Labor and Industries. The largest expenditures for dwelling purposes were planned in Boston with a total of $2,262,000 but with the exception of $102,000 this amount included the Orchard Park Federal Housing project in Roxbury.

Newton's total of private dwelling permits totalled $276,700. Wellesley followed with $115,000 and Needham was third with $108,000.

Newton, with $336,080, placed third to Boston and Worcester in the aggregate values for all work planned.

Over 500 At Easter Sunrise Service

Over five hundred young people attended the Easter sunrise service of the Inter-Church Council of the Norumbega District Council of Religious Education held on Sunday morning at Andover-Newton Theological School on Institution Hill, Newton Centre. Haig Nargesian, president of the council, conducted the services assisted by Joseph L. Yarlott. A trumpet quartet directed by J. Collins Lingo furnished the music. Young people from the Newtons and surrounding communities participated.

Letters To The Editor

BUDGET CORRECTION

April 16, 1941.

Editor of Graphic:

May I correct a mistake that appears in your article on page 1 of last week's "GRAPHIC", "Aldermen Pass Budget," last sentence of paragraph 4: "Hoffman said, 'an employee of the Library Department gets $2500 for handing out books.' "

Apparently this should have been "School Department," referring as it does to the recent annual report of the State Department of Education with reference to Newton Schools.

The largest amount an assistant of the Newton Free Library received last year was $1884.45; I refer to the salary received for the important position of Children's Librarian.

Yours truly,
JULIUS LUCHT,
Librarian.

Monaghan's Renew Petition for More Gasoline Storage

Another petition of J. V. Monaghan's Sons for a permit to enlarge the gasoline selling station at the corner of Auburn and Washington sts., West Newton, is scheduled for public hearing at the next meeting of the Board of Aldermen on Monday night. Similar petitions which seek to increase the storage facilities up to 3000 gallons and to install three underground tanks with pumps, have been rejected annually for several years. Opposition of residents and property owners in the vicinity has been effective. The permit is sought under the provisions of the zoning ordinance for extensions of non-conforming use.

The Board will also hold public hearings on other petitions. Herbert S. Tobin for storage of 500 gallons of gasoline in underground tank with pump for private use at Belmore Park, Ward 5. The Gulf Oil Corp. for filling station and lubritorium at 1354 Washington st., West Newton, to replace outmoded service station on adjoining lot and to store and sell 4000 gallons in three tanks, also 210 gallons of lubricating oil, 120 gallons of kerosene, and 110 gallons of alcohol. The Socony Vacuum Oil Co. for a one car lubritorium and additional gasoline storage at 417 Washington st., Ward 1.

Easter Drama Presented At Upper Falls Church

An Easter drama, "He Lives," by Gertrude R. Gowdey, was presented by the young people of the Second Baptist Church, Newton Upper Falls, last Sunday evening. The drama, outstandingly beautiful, is based around Philip, the rich young man who did not wish to sell his possessions for the benefit of the poor and Miriam the blind girl whose sight is restored after the Lord is risen. The cast included, Mrs. Elizabeth Stacy as Miriam; Miss Frances Morgan as Rebecca, Walter Stacy as Philip, Floyd Haise as Peter; George Thompson as John, Edward Thompson, Jr., as a Roman soldier, Dorothy Burns as an angel, Erville Morris, Marjorie Young and Lura Roberts as three women.

Music was furnished by Virginia Cotton, pianist, and Harold Schink and Ruth Marcy, vocalists. Perley Hilliard was in charge of lighting effects and Buddy Morris and Noel Roberts, Jr., the stage settings and sound effects. Scenery was by Ester Marcy. Rev. Harold Schlink directed the drama.

Postal Bowling League Banquet

The second annual banquet of the Postal Employees Bowling League was held on Monday night at Hotel Westminster, Boston. The league includes teams from the postoffices in the Newtons, Waltham, Wellesley, Watertown and Needham. Over 200 were present at the banquet, which was presided over by Supt. Joe O'Gorman of the Newton postoffice, president of the league. Representing Postmaster Peter Tague, Supt. of Delivery John Sheehan of the Boston postal district presented prize awards totalling $306 to various winning teams and individuals.

Teams from the Newton and Newton Highlands postoffices were tied for first place, but Newton having the highest pinfall, was awarded the first prize money of $45. Newton Highlands received second money, $40; Wellesley Hills, third, $30; Waltham, fourth, $20; and Newton Center, fifth, $10.

Individual prizes were won by the following—Pat Hanson, Newtonville, individual high average, (103) $15; Joe O'Gorman Newton, second, (93), $10; Whelan, Waltham, third, $5. O'Gorman was also first in the individual high single (149), but as two prizes cannot be received by the same team or individual, the $10 for this prize was given to Gorman of Watertown, who was second with 142. The $10 prize for the individual high 3 strings was won by Gleason of Waban with 368. High scorers on various teams who won $5 prizes included Costigan, Newton; Kilroy, Newton Highlands; Lyons, Wellesley Hills; Mogan, Waltham; J. Walsh, Jr., Newton Center; McKenna, Newtonville; O'Connor, Waban; Leary, mounted carriers; McGilivary, Watertown; Hall, Needham.

The standing of the teams for the season was—

Team	W.	L.	P.F.
*Newton	76	32	*37606
Newton Hlds	76	32	37469
Wellesley Hills	70	38	37129
Waltham	68	40	36934
Newton Center	60	48	36333
Newtonville	56	52	36582
Waban	44	64	35966
Mounted Carriers	33	75	34977
Watertown	31	77	35000
Needham	26	82	33805

The individual averages of bowlers who rolled over 3-4 of the schedule was:

Hanson 103, O'Gorman 97, Whelan 96, Kilroy 96, Connolly 95, Lyons 94, Swift 94, Leo 94, J. Walsh Jr. 93, Costigan 93, Cyr 93, F. Clarke 93, McCarthy 92, O'Connor 92, Hall 92, O'Farrell 92, W. Clarke 92, Gorman 92, J. Murphy 92, W. McKenna 91, Leary 91, Barry 91, O'Boyle 91, Mogan 91, Titchner 91, Kane 90, Eagan 90, Magennis 90, Bennett 90, McKinney 89, McGilvary 89, Pearce 89, Bryden 89, L. Doherty 88, Quinn 88, Martin 88, Hawksley 88, Patterson 88, Root 87, Sheerwin 86, Smith 86, Gleason 86, Wall 86, Manning 85, Hennessey 84, Kelliher 84.

President O'Gorman announced that the two teams tied for first place, Newton, and Newton Highlands, will roll a "grudge match" for $50 at the Miami Alleys in Newton on the night of April 28.

Supt. of Delivery Sheehan said that the large attendance at the banquet spoke well of the good fellowship which prevails among the postal employees of this section. He also paid a tribute to Michael B. Collins of Newton who was recently retired on a pension after having served over 40 years in the Newton postoffice. Mr. Collins, in behalf of his former associates in the Newton office, was presented by Supt. O'Gorman with a travelling bag and other gifts.

Jimmie Britt, radio baseball commentator, was a guest and speaker. He praised the national game which helps the people of this country to obtain wholesome relaxation and live normally. Denny Myers, new coach of Boston College football team, and Mrs. Myers, were also guests. They have recently moved to Newton. Mr. Myers said he has found a nice bunch of boys at Boston College, and while he doesn't expect them to win all their games the coming season, he feels confident that with the aid of his good assistant coaches, the team will give a good account of itself.

SPORT NOTES

Ernie Savignano, former star Newton athlete now an outstanding competitor for Brown University in football and basketball, will be the regular catcher for the Brown nine this season. He is a capable backstop and a hard hitter.

More 'Stop' Street Signs Are Erected

Traffic regulations became effective last Friday requiring motorists to stop before entering intersections in Newton Highlands and West Newton when police were notified that the necessary signs had been erected by the street department. Two signs were erected at the intersection of Lincoln and Woodward sts. requiring cars to stop on Lincoln st. before entering or crossing Woodward st. in either direction. In West Newton signs were erected making a stop necessary entering Watertown st. from Fairway drive.

High School Tennis Team Again Strong

The Newton high school tennis team next week Wednesday at Milton academy will make an effort to extend its winning streak, which now stands at 50 consecutive matches against all comers. This amazing record, which further includes a mark of 56 straight wins against high schools alone, will test the mettle of another classy team being moulded by Coach Walter Taylor. The winning streak compiled through the years by the efforts of such players as Phil Scanlon, Bill Betz, Ernie Johnson and Al Everts will, if successful, be featured this year under the captaincy of Stan Collinson of West Newton. He will be ably supported by Jack Lynch, Bill Powers and Bill Woods, all of whom are strong players for a high school outfit. From last year's second team Arthur Peabody, Ted Wood, Phil Birmingham and Lawson Ogilvie will be battling for remaining places on the varsity. Dick Pierce and Dick Lowry are other prospects for the team. Pierce was winner of the fall tournament while Lowry is a letterman in both football and basketball.

Coach Taylor looks upon Winchester high as the real threat to Newton's continued success. For some years Newton and Winchester have provided the individual stars of the scholastic tournaments with an occasional intervention upon the part of a Worcester youth.

The tennis schedule:

Varsity Tennis

Apr. 23—At Milton Academy.
Apr. 25—Huntington School.
May 3—At Worcester Academy.
May 6—Boston Latin School.
May 10—At Haverhill.
May 15—At Winchester.
May 21—At Quincy.
May 24—State Interschols at Winchester.
May 28—Melrose.

Second Team Tennis

Apr. 23—At Milton Academy Second.
Apr. 24—Roxbury Latin Varsity.
Apr. 29—Brighton H. S. Varsity.
May 1—At Needham Varsity.
May 6—At Watertown Varsity.
May 8—Dorchester Varsity.
May 16—Needham Varsity.
May 20—Malden Varsity.
May 22—Waltham Varsity.
May 29—Brookline Seconds.

Newton To Hold Three Quadrangular Spring Track Meets

Three interscholastic meets, three quadrangular meets and one dual meet comprise the Newton High School outdoor track season which will open on May 3rd. The track schedule was approved at a recent meeting of the High School Athletic Council.

The orange and black will open at the annual Worcester Polytechnical Institute Interscholastics on the first Saturday in May. The following Thursday, May 8th, Newton will be hosts to the first of a series of three quadrangular affairs with which have been an interesting and successful feature of the local outdoor track programs for the past few years. Newton will compete in all four meets, the first of which will find Boston English, Malden and Worcester Classical as the visiting aggregations. On May 15th Mechanics Arts, Rindge Tech and Somerville will be the visitors with the first two named continuing their battle for supremacy on the cinders which featured the board tracks this past winter. On Wednesday, May 21st, Newton will entertain Lawrence, Lowell and Medford.

On May 24th the annual State Interscholastic meet is scheduled for the Newton High oval with competition as usual in Class A and Class B. On May 28th Newton will oppose Brookline in the only dual meet of the spring on the local schedule. The wind-up of the season will take place on Memorial Day when Newton will enter its best performers in the Mt. Hermon interscholastics at Northfield.

Varsity Outdoor Track

Sat., May 3—Worcester Poly. Interscholastics.
Thurs., May 8—Quadrangular Meet, Boston English.
Malden, Worcester Class. at Newton.
Thurs., May 15—Quadrangular Meet, Mechanic Arts, Rindge, Somerville at Newton.
Wed., May 21—Quadrangular Meet, Lawrence.
Lowell, Medford at Newton.
Sat., May 24—State Meet at Newton.
Wed., May 28—Brookline at Newton.
Fri., May 30—Mt. Hermon Interschols, Mt. Hermon.

Speaks In Behalf Of Small Nations

Mr. E. O. Heyl who has just returned from Europe will speak at a free public meeting in Central Congregational Church, Newtonville on Friday evening, April 18th at 7:45. He has served on the staff of the Commission for Polish Relief and his intimate personal knowledge and experience of conditions in Europe makes his statements especially timely. The meeting is being held in the interests of the National Committee on Food for the Small Democracies.

Newton Nine Opens Today at Arlington

The Newton high school baseball nine opens its season this afternoon at Arlington in a Suburban league contest. Coach Jeff Jones' aggregation will play a ten-game schedule, all of which will be in league competition with home and home affairs with Arlington, Brookline, Waltham, Rindge Tech and Cambridge Latin.

The Newton coach labels the 1941 outfit as one of the most promising in the ten years of his coachship. The Newton nine will have a steady infield with Captain Edson Forbes on first, Don Chalmers at second, Phil Fessenden at shortstop and Dick Gleason on third. The starting outfield against Arlington will be Bob Walker in left, Louis Paulino in centre and Charlie French in right. Walter Ravinski, a veteran twirler will pitch the opening game and bat in the clean-up position, with Bill Byrne behind the bat, taking over the position held most of last year by George Norcross now ineligible.

Phil Fessenden, regular third sacker a year ago, has been switched to shortstop because of ability to cover more ground than other prospective infielders. Dick Gleason, intermediate shortstop a year ago, will hold down the hot corner. Gleason has a strong arm as a valuable asset. Chalmers, at second, is one of the best pivots on double plays that has come under Coach Jones' tutelage for some time.

As usual the story of Newton's fortunes will depend upon the pitching strength. The mound staff, headed by Ravinski, is supplemented by Everett Olds, speed-ball righthander, King, a senior out for baseball for the first time, and Keating and Mosher, southpaws. Ravinski and Olds are counted upon for most of the effective twirling.

The ability of the Newton outfit to hit opposing pitching is problematical. Arlington high has two veteran twirlers who are expected to be tops in schoolboy circles this season. Should Newton get by the Spot Ponders this afternoon they will cause the rest of the league plenty of trouble before June rolls around.

Varsity Baseball

Thurs., Apr. 17—At Arlington.
Fri., Apr. 25—At Waltham.
Tues., Apr. 29—Cambridge.
Fri., May 2—At Rindge.
Tues., May 6—Brookline.
Fri., May 9—Arlington.
Mon., May 12—Waltham.
Fri., May 16—At Cambridge.
Tues., May 20—Rindge.
Fri., May 23—At Brookline.

Newton Archers Hold Informal Tournament

The first warm Saturday of spring found a group of Newton Archers anxious to draw "the long bow"—an unscheduled tournament was held Saturday the 12th, for many it was the first time to draw a bow since Oct. 1940. This also was the first tournament under the new officers: Adrian Matthews, Newton Upper Falls President; Mrs. Anita Howarth, Secretary-Treasurer of Waban and Townsend Cushman Sr. Vice President Newton Centre; Miss Thelma Phillips, Mass. State and Newton Club Women's Champion made a score of 89-539 for the American Round, 30 arrows are shot at 60-50 and 40 yards and Miss Phillips missed the target only once. Letitia Doten of Newtonville shooting for the first time as a senior member (over 16) shot 77-381—Juniors are not required to shoot at 60 yards so her score was outstanding for her first tournament.

Mr. Matthews in the men division shooting the same American Round scored 89-601.

Scores with handicap were for first three places:

Miss Thelma Phillips, Newton Highlands, 89-539-343-882.

Mrs. Teresa C. Goldich, Newtonville, 45-167-600-767.

Mrs. Carolyn Wingett, Newton Centre, 59-247-513-760.

Bertram M. Harrison, Newton Highlands, 76-370-438-808.

Adrian Matthews, Newton Upper Falls, 89-601-191-792.

Philip Richmond, Waban—84-460-307-767.

Diamond Ring Valued at $1000 Disappears

Police were notified on Tuesday of the mysterious disappearance of a diamond ring valued at $1000 from the home of Dr. Bernard Lederman at 37 Montrose st., Newton. Dr. Lederman told Patrolmen Stephen Madden and James Rogers that Mrs. Lederman had placed the ring in a jewelry box on her dresser last Thursday but did not discover its loss until Monday night about 9 o'clock. Other articles of jewelry in the box were intact. The missing ring was a large blue and white diamond, surrounded by smaller diamonds in a platinum setting.

TASTE WHY GAS COOKING IS

America's No. 1 choice!

VEGETABLE LOAF

Another delicious way of serving a vegetable meal is to make this loaf:

1½ cups diced potatoes
2 cups diced carrots
4 tablespoons green pepper
4 tablespoons onion
1 cup bread crumbs
¼ cup melted butter
1 egg
½ cup beef stock
½ teaspoon salt
⅛ teaspoon pepper
¼ cup molasses
3 eggs, to be used as garnish

Prepare and cook separately the potatoes and carrots. Then chop them together coarsely with the green pepper and onion. Add bread crumbs, butter, beef stock, beaten egg, seasonings, and molasses. Mix thoroughly. Turn into a greased loaf pan and bake in a hot gas oven (400 degrees F.) for one hour. Garnish with slices of hard-cooked eggs, serve with mushroom sauce, and garnish with stalks of canned or cooked asparagus and pineapple rings or pimiento rings. Serves six.

Only GAS has hundreds of speeds!

Here's how Modern Gas Cooking serves you in making this appetizing Vegetable Loaf. Only Gas with its unequaled "controllability" can give you real "waterless" health cooking of vegetables. Slow cooking on Gas simmer-save burner seals in precious minerals and vitamins. In baking the loaf, fast Gas heats your oven to the required 400 degrees in half the time of less modern methods.

Other reasons why Modern Gas Cooking is America's No. 1 Choice are: complete automatic lighting; smokeless broiling; unrivaled dependability; perfect cleanliness unequaled economy.

News of The Garden Clubs

Newtonville Garden Club

The Newtonville Garden Club sponsored a very well attended lecture on April 10th, at the Newtonville Woman's Club, the speaker being Mr. Charles P. Gorely, Jr., of Wellesley, whose timely subject, "Planning and Planting the Home Grounds," proved most interesting and constructive, the "Before and After" colored slides being of particular value to the owners of new homes.

The Newtonville Garden Club will meet on Thursday, April 24th, at the Newtonville Branch Library at 10 a. m. Mrs. Chester M. Dunham will read a paper on "Nature's Treasure Chest."

Newton Highlands Garden Club

"Design in the Garden" will be the subject of the talk to be given by Miss Helen E. Cleaves at the next meeting of the Newton Highlands Garden Club, Tuesday evening, April 22, 8:00 p. m., at the home of Mrs. Edward Stuart, 15 Dorset rd., Waban.

Members are to bring miniature and diminutive floral arrangements. At this meeting the club will celebrate its tenth anniversary.

Recent Events

The Auburndale Review Club

The study program of the Auburndale Review Club was brought to a close on Tuesday morning when the club met with Mrs. Wickliffe Spaulding of Wolcott st. Mrs. Eldin Lynn opened the program with a paper on the "Trade Treaties" followed by "Progress of Education in Latin America" by Mrs. F. F. Davidson and Mrs. Edmund I. Wilson brought the morning to a close with one on "The End of the Hemisphere."

The president, Mrs. James G. Patterson, presided over the business meeting and announced that the place chosen for the annual meeting would be the same as last year, the Sudbury Tea House on the Boston Post Road in Sudbury. As this place is now owned by a member of the club, Mrs. Joseph Otis, it was felt to be a happy choice for this meeting which will be the fiftieth anniversary of the founding of the club.

An appropriate skit has been written for the occasion by a club member, Mrs. John I. Heibeck, and the cast includes Mrs. Guy M. Winslow, Mrs. Walter Amesbury, Mrs. E. Sherman Chase, Mrs. Edmund I. Wilson, Mrs. Franklin Leland, Mrs. Grace Fiske and Mrs. Ernest F. Drew.

At the annual meeting the usual reports will be given including that of the nominating committee with the slate for the coming year, the program for the coming year which is a continuation of this one will be announced, and after the election of officers, the skit will be presented.

Luncheon will follow the entertainment.

NEWTON DISTRICT NURSING ASSOCIATION

The April meeting of the Newton District Nursing Association was held Monday, April 14, at the Newtonville Library.

Mrs. Irving Fisher, chairman of the Well Baby Conferences reported a committee meeting at her home at which each member was assigned as sponsor to one of the six conferences, to work directly with the nurse in charge. They have a plan for doing posters emphasizing nutrition, habit development, etc. which will be circulated among the conferences.

Mrs. Stanwood Bradlee reported twenty-five azalea plants sent to patients for Easter under the auspices of the Comfort Fund.

The President, Mrs. John F. Brown asked for reports from the Board Members who attended the Health Institute held at the Statler April 2, 3 and 4. All sessions were covered by the staff and members. Mrs. Samuel Tower reported on the Wednesday conference on Pasteurization Plant Control, Medicinal Drugs, and the School Health Department. Mrs. Philip Warren told us about the Thursday Conferences on Administration, Public Health and Community Leadership in Public Health Work. Mrs. William Jones gave a report on the Friday morning lecture on Vitamin Development, and Mrs. John Brown told us that she and Mrs. Paul Chandler attended the afternoon discussion on the Pre-School Child.

Mr. Kenneth Dale, Secretary of the Newton Y. M. C. A. was the speaker of the day. He gave us a brief background and history of the Young Men's Christian Association from its origin in London in 1844 through its arrival in Newton in 1877, and the erection of our fine building in 1910. The work and opportunities of the Y. M. C. A. were very clearly outlined and he ended with a question period during which the Board members became more thoroughly acquainted with one of their fellow agencies in the Newton Community Chest.

W. C. T. U.

The West Newton W. C. T. U. will hold its regular meeting next Monday evening at 7:45 at the home of Mrs. Millie Beardsley, 108 Crescent st., Auburndale. Plans will be completed for a covered dish luncheon to be held at the home of Mrs. Flora Weeks on Tuesday, April 29th at one o'clock.

apparatus responded to thirty-three such calls, all at the expense of the taxpayers. Nevertheless means must be found to remove or destroy the accumulated debris.

We suggest that the city might well afford to advance its annual "clean-up week" program a few weeks in order to remove the debris by collection. It might even be desirable, because of the ban upon fires increasing the amount of material to be collected, to schedule a second "clean-up" week. The slight additional cost of such collection will be saved several times over with fewer needless and inconsequential calling out of fire apparatus.

Later Auto Registration

Among the many measures before the current legislature is a bill to change the motor vehicle registration date from January 1 to July 1. There are many good reasons why this bill should pass, many advantages which are now being lost under the present registration system which coincides with the calendar year.

The convenience of the million automobile owners who annually contribute approximately $30,000,000 of the State's revenue through gasoline taxes, registration and license fees, should be the principle upon which favorable action should be based. It is estimated that one-quarter of the total money spent during a year is paid out in the eight weeks before Christmas. Consequently automobile owners in the low income brackets are unable to pay for plates, insurance and other requisites to enable them to drive their cars until the spring season. On the other side many persons who find it necessary to keep their car on the road set aside the necessary auto expense and divert expenditures from retail trade.

A July first registration date would be of benefit to all. Deferred registration is in effect in forty-one states. Massachusetts is the only New England State which continues to penalize motorists by January registration. A public hearing will be given on the proposed measure on Tuesday, April 22nd. We trust that the Committee on Highways and Motor Vehicles will report favorably on the proposal and that the Legislature will enact the measure into law.

Bicycle Registration

The voluntary registration of bicycles which has been undertaken in Newton is an educational program which should be of immeasurable value in teaching the youth of the city greater responsibility and increased civic pride. Considerably more than a thousand bicycles now bear registration plates and their owners carry certificates. To obtain these each bicycle owner has subscribed to several promises leading to increased safety to themselves and to others. These promises include no double riders, single file riding while in groups, riding on the highway on the proper side and not on sidewalks, and obedience to all vehicular traffic regulations.

First offenders will be warned. A second offence will result in notification of the school which the offender attends. A third offence will result in notification of the parents and a subsequent offence will result in the suspension of the right to "operate" the bicycle. It is estimated that there are approximately 5000 bicycles in the city of Newton and it is to be noped that in coming weeks a greater proportion of registrations will be made in the interests of safety promotion.

School vacation week will be dog vaccination week.

Are humans ever satisfied? Were you uncomfortably warm Monday during the "muggy" weather? It is only the beginning.

If spring fever has made you weary, think of how you would feel if you had to run twenty-six miles this Saturday.

April showers bring May flowers—April sparks set new marks.

Fractures Ankle in Fall From Ladder

Severely injured in a fall from a ladder, Terrence J. Powers, 68, of 16 Kenyon st., Auburndale, was taken to the Newton Hospital in the police ambulance on Tuesday morning. Powers, employed by the city and working at the Technical High School building, suffered a compound fracture of the ankle.

The carpenter fell about eight feet while working on a partition in the office of Supervising Engineer Arthur S. Swanson, narrowly missing the latter.

Newton Families

Photo by Bachrach

Mrs. Samuel Kniess Philips of 155 Upland rd., Waban, is a gardener of no small reputation. Roses are her favorites, and during the season she may be found at all hours of the day in her beautiful garden the pleasure of which she shares with her neighbors.

A resident of Newton for twelve years, her community interests include the Church of the Good Shepherd and the Massachusetts Memorial Hospitals where she does considerable volunteer social work in the clinics. She also serves as secretary of the Ladies Auxiliary Hospital.

The two younger members of the family, John Nash and Elizabeth Annette, are both away at college. John, a junior at Harvard, is on the editorial board of the Crimson. Elizabeth, who was presented at the Ritz in 1937, is a senior at Vassar and a member of the famous Floradora sextette there. Both young people were born in Pittsburgh, Pa., and both attended local preparatory schools—Middlesex in Concord, and May in Boston.

A summer spent in France in 1937 has given them a decided interest in the morning headline of European news.

No picture of the family is complete without mention of Donner and Blitzen, the dachshunds who have been very much a part of the household for six years.

Rotary Club

Prof. J. Seelye Bixler, Bussey Professor of Theology at the Harvard Divinity School, was the speaker at the weekly meeting of the Newton Rotary Club held Monday at the Brae Burn Country Club. Prof. Bixler spoke on the subject "The Background for Hitler in German Thought." He studied in Germany in 1928-29 and has returned there three times since the Nazis came into power, his most recent visit being three years ago.

According to Prof. Bixler, the German people are not phlegmatic and stolid as is generally supposed, but are sensitive and highly emotional. Although most of the university and clerical groups do not approve Nazi policies, there is no question that the youth of the country have been thoroughly indoctrinated with Nazi thought.

Prof. Bixler mentioned four things which he thought accounted for present conditions; First, Germany as a nation of philosophers has not always understood its own philosophy. Therefore, it was an easy matter for the Nazis to turn the people's thinking into the channels the Nazis desired. Second, in the German emotional life there is a certain instability. They go from great heights to the depths very quickly and the transitions have been turned to their own uses by the Nazi party. The people were very devout, due primarily to a fear of unknown mysteries, and banded together in devout causes for mutual protection. It was a very easy matter for them to be led from this step to that of complete intolerance. Third, the people have an intense patriotic devotion and tend to tie all their activities to this devotion. Their religious feeling and their teachings have become colored because of this patriotic fervor. Fourth, the Nazis have singled out the philosophers, who have always had a high influence and standing with the German people, as individuals without regard to the setting in which the philosophers made their remarks.

Thus Nietzsche, who rebelled against the accepted formulas of philosophy, is quoted as upholding the Nazi cause in his writings while in reality he wrote many years before and for entirely different reasons. The Nazis also only quote isolated parts of his writings to further their own interests.

Prof. Bixler thinks that there is hope that the German people will eventually find their way out of present conditions. He cited as an example of what an intelligent German could do, the accomplishments of Albert Schweitzer. He had a doctorate in Philosophy and Theology, was an authority on Bach, and an accomplished organist and yet he left all this behind to win a degree in medicine and devote his life to conquering tropical disease in Equatoral Africa. Any change in present conditions will have to come from an appeal to the mass of German people and Prof. Bixler believes that this will eventually happen.

President John Cahill presided and the speaker was introduced by Frederick Fessenden of the program committee.

NEWTON NEWS

A very successful bridge party sponsored by the Woman's Auxiliary of the Newton Y. M. C. A. was held last Monday afternoon in the Y building. Forty-five tables of play were present and the proceeds from the party will be used for Y. M. C. A. field work and also to help in sending some boys to Camp F. A. Day who otherwise would be unable to go.

Forty persons were in attendance at the Swimming team dinner and dance held Thursday night at the Y. Carl Uhlin, swimming coach of Harvard was the speaker and special xylophone music was given by Stewart Stoney. Dancing was enjoyed afterwards in the auditorium.

The tennis courts will be open for use beginning today, April 19th. There are four courts, three double courts and a single.

Boy's Division

The registration for the swimming campaign was held yesterday afternoon at the Y. Over two hundred boys were examined and put into the different classes. Mr. Jack Manning will be the instructor and lessons will be given from the 21st of the month through the 26th.

A group of boys from the Day Junior High met at the Y. M. C. A. Wednesday afternoon for a meeting and social time.

Mr. Samuel Johnson, boy's secretary, was in attendance at the Boys' work conference of Massachusetts and Rhode Island in Worcester on Thursday.

On Saturday the boys of the boys' division are being taken on a tour of Lexington and Concord by Mr. Jack Andrew, associate boys' secretary. The boys will go by bus and to date forty one reservations have been made. This trip is made each year.

The F. A. Day camp committee will meet for a meeting on Monday night in the Y building. Mr. C. D. Kepner will preside.

At the next meeting of the Watertown Hi Y on Monday night, Mr. Wallace Ross, secretary of the M. I. T. Y. M. C. A., will speak.

The Newton Hi Y will have to hold their monthly business meeting on Tuesday night. Dr. Devitt Wilcox of Newton Centre spoke at their regular meeting on Tuesday night on the Medical Profession.

NEWTON In The Past

55 YEARS AGO

Newton Graphic, April 17, 1886

What might have been a serious fire was discovered Monday evening in G. H. Adams' grocery store. A kerosene lamp got on fire but was discovered by a policeman, and the flames were extinguished with but slight damage.

Dress Making—Mrs. R. A. Brackett, who has studied the last year under the best teacher in Boston, is now ready to receive orders for the cutting, fitting, draping, and making of dresses, at her rooms in Cole's block, up one flight. She has had seven years' experience in the business, and refers to some of the first families of Newton who have been her constant customers. Those who desire an early appointment should call at once.

Hot coffee free of charge at Adams store Friday and Saturday.

The Newtonville square matter came up before both branches of the city council Monday night and some forty residents of Newtonville were present. The petitioners for the improvement were represented by E. H. Pierce. Each side was given forty-five minutes to present their side of the case and a half hour at the end was allowed the petitioners to present testimony in rebuttal. Dr. O. E. Hunt opened the hearing with a statement of facts and showed why the square is at present insufficient to accommodate the foot passengers, teams and commercial traffic. The volume of traffic has doubled in the last ten years and will probably more than double in the ten years to come. The ward is growing rapidly and last year 26 houses were built in it, more than in all the other wards of the city. The square was divided in the center by the flag staff, watering trough and gas lamp, which took up ten feet of the roadway, leaving only 27 feet on one side and thirty on the other. Last Saturday the speaker counted the teams passing in an hour and a half from a quarter past two and found they numbered 105, more than one a minute. The square would accommodate these were it not for three adverse conditions: the space taken by the trough at which so many teams stopped, sometimes two or three at a time; the business done in the square, carriages standing there most of the time; the Boston & Albany road, the gates of which are closed an average of 75 times a day. The widening of the square was an absolute necessity. Plans were ready for new stores and additions to existing blocks and delay would increase the cost. The petitioners did not ask the city to pay all the expenses but were willing to put their hands in their pockets and pay a good share of it themselves.

E. Smead, H. F. Ross, Austin R. Mitchell, and B. C. Bridgham, endorsed and enlarged upon these remarks. The cost would not exceed $7000.

Fayette Shaw appeared for the remonstrants. He said it was wider now than nine-tenths of the busiest streets of Boston. He suggested moving the watering trough to the side—sixty-seven feet should be wide enough for a street in Newtonville. He painted a horrible picture of other streets in the Ward on which the money, at least $10,000, should be spent. H. B. Fuller, Michael Stanley and H. H. Sacker also spoke against the improvement. After rebuttal by Mr. Shaw the matter was referred to the Highway Committee.

Newtonville item—Balmy air, blue birds and robins on the lawn, early morning songs; grass showing green and buds swelling fast, and foreboding blossom time.

Now is the housekeeper in that state of rampant activity when nothing but cleaning house is of any vital interest; take her in June and see how intellectual she is, but not now.

West Newton item—An occasional drunken man and the finding of a store door or two unlocked have been the only sensations in the police circles this week.

Only about two guests, on an average, have applied at City Hall for lodgings the past week.

Newton Centre item—The spring opens with unusual activity, in the pursuit of the ancient arts of the saw, chisel, brush and trowel. (Editor's note—There follows nine or ten items of building, painting, and alterations of houses and offices.)

Newton Highlands items—We hear that D. O. Driscoll, mason, continues to do good, honest work at moderate prices.

A flock of wild geese bound north, flew over this place on Wednesday evening, numbering about two hundred.

50 YEARS AGO

Newton Graphic, April 17, 1891

The block system of caring for some of the principal thoroughfares of Newton was inaugurated on Monday of this week, and the section men began caring for the portions allotted to them. This system has been followed with great success in England and Newton is probably the first city to adopt it in this country. To stimulate the interest of the section men prizes are offered to the men having the best cared for sections. The experiment is one that will be watched with interest and it may work a revolution in the present unsatisfactory methods of caring for the streets of cities. Local pride ought to do a good deal to obviate the difficulty and make it unnecessary to pass such radical by-laws about putting rubbish in the streets as some cities try to enforce. Every citizen is interested in good streets and if all work together the old saying about the "sandpapered" streets of Newton will be more appropriate than ever.

West Newton, which is noted for the many isms and reforms which have started there now has a Cremation Society with a good list of members.

Captain Doane of Central ave., commander of the staunch craft "Frances" made port in Philadelphia this week and will be among his Newtonville friends in a few days.

The Newton Street Railway Co. has just added to its equipment four open cars from the works of the Ellis Car Co. These cars are models of neatness and will be seen on our streets early in May.

The question of apothecaries' licenses will soon come up before the city council. There is a movement to issue only one license in each ward or village. The scheme is not looked upon with general favor.

Mayor Hibbard rung in a general alarm from Box 224 on the mill property of the Nonantum Worsted Co., Saturday afternoon to test the efficiency of the fire department. The apparatus from all over the city responded in from 6 to 18½ minutes. Considering the amount of ground covered, from 1½ to 5 miles, the time is considered excellent. The quick record of getting there made by Newton Centre apparatus is worthy of special mention. The test would seem to indicate that the West Newton steamer is really in commission.

The canoe business is unusually good this spring and Mr. Robertson is filling large orders. The open canoe which was used considerably last season by canoeists is going to be the popular style this season.

An advance has been made in hack rates on account of the price of grain.

Councilman Richardson's new long distance telephone was put in last Friday and the citizens can now have as good accommodation in this line as at any place. The operator talked with New York with perfect success.

Postmaster Richardson has resigned on account of a demand from Washington that he should give more time to the office which he found it impossible to do, and Mr. Edward A. Ellis, younger brother of George H. Ellis, a prominent Republican, has been appointed to fill the vacancy. Mr. Richardson has filled the position satisfactorily and expended about his whole salary in providing capable assistants and in payment of rents so that he could not afford to give any large portion of his own time for which he would get no return. Mr. Ellis will take charge of the office in person.

The highway department have been graveling Post Office square this week.

Our lawns are beginning to present an attractive spring appearance.

Charles Wilson Ross, for nearly 25 years Street Commissioner passed away.

State Senate, by a vote of 14 to 7, passed the bill authorizing preferential voting at municipal elections in Newton.

The mortgage of the Universalist Church, Washington Park, Newtonville, was burned at special services on Sunday morning.

Mr. Charles R. Darling of Newton Centre who recently sued the M. & B. Street Railway Company for the sum of 12 cents on the claim that after purchasing a round trip ticket to Norumbega Park he had found the park closed when he arrived, and who won his case in the Newton Court where it was first tried has just received a favorable verdict in the Middlesex Superior Court.

Bowling in the Newton Club has never been so popular as during the past year. The alleys were opened in September and up to last Saturday, 20,002 strings have been rolled. Of these 4211 were rolled by the ladies. Among the men W. M. L. McAdams has rolled the highest single string for the year, his score being 160. Mrs. Lyman Snow has rolled 130, the highest ladies' string. George Cox has the highest three string total of 424, the club record.

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by Milton J. Johnson and Florence G. Johnson, husband and wife as tenants by the entirety, to the Newton Co-operative Bank, dated September 30, 1940, and recorded with Middlesex South District Deeds, Book 6435, Page 522, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at Public Auction at ten-thirty (10:30) o'clock A.M. on the twenty-fourth (24th) day of May 1941, on the mortgaged premises, all and singular the premises described in said mortgage:

TO WIT: "a certain parcel of land, with the buildings thereon, situate in that part of said Newton called Newton Centre and being shown as Lot 12 on plan made by George S. Rice and George E. Evans, C. Es., dated Oct. 15, 1894, recorded Middlesex South District Deeds in Plan Book 88, Plan 31, bounded and described as follows:

WESTERLY by Oxford Road, seventy (70) feet;
NORTHERLY by Lot 10 on said plan being land now or late of Norwich, ninety-seven and 75/100 (97.75) feet, and by land now or late of Armington, twenty-eight and 8/10 (28.8) feet;
EASTERLY by land now or late of Hammond, seventy-seven (77) feet, and
SOUTHERLY by Lot 14 shown on said plan now or late of Paul, one hundred thirteen and 8/10 (113.8) feet.

Containing, according to said plan, 9010 square feet of land.

Said premises are subject to restrictions set forth in deed from Luther Paul to Hammond dated October 20, 1894 and recorded said Deeds, Book 2318, Page 387.

money was stolen from the athletic offices and the cafeteria but an attempt to open the safe in the main office failed.

The investigation of the pair has been going on for about two weeks after Patrolman Concannon picked up their trail when McKeen displayed a $50 bill in a store at Newton Corner. Patrolman Concannon testified that the boys admitted they had spent all the loot. A car was purchased with $15 of the high school money and with part of the proceeds from the Weeks School burglary they had purchased a speedboat which was tied up near the Cottage Farm bridge.

The two youths, who had been released on bail, were rearrested yesterday after police investigation had linked them with 11 other burglaries and thefts in Newton, Brookline, Needham, Brighton and Watertown. Shortly before noon they were again arraigned in court and held in $900 additional bonds each. The case was continued to Friday. Both entered pleas of not guilty.

Police investigation connected the pair with three burglaries on the night of March 13 at the Newton Centre railroad station, Paine's drug store at Commonwealth ave. and Centre st., and at Kerrigan's garage on Beacon st. Telephones were looted and $125 in cash and more than $100 in merchandise were stolen.

They were charged with three counts of breaking and entering and larceny and three counts of larceny of batteries from automobiles.

Two of the batteries were stolen from the cars of Harold Glickman of Irving st., and John J. Goldberg of Alderwood rd. The owner of the third battery has not yet been identified.

In Watertown police say the youths were wanted for a burglary in a North Beacon st. filling station where a telephone was looted. In Needham they are alleged to have broken into a safe at McMath's Garage and stolen $17. A Brighton burglary in which $18 was stolen and breaks in a beauty parlor and furniture store in Brookline are also believed to have been among thefts allegedly committed by the two youths.

Transfer 29 WPA Workers To Devens

Twenty-nine Newton WPA workers have been transferred from local projects on which they have been working 30 hours a week to national defense projects at Fort Devens where they will be employed 48 hours a week. Newton will defray the cost of transporting these workers to and from Fort Devens and the Board of Aldermen has appropriated $1452 for the operation of a bus for the purpose. In the event of a reduction in Newton's quota of WPA workers the number working at Camp Devens will be counted as a part of the reduction.

Many Brush Fires Keep Firemen Busy

Firemen of Engine 9, Chestnut Hill, spent a warm afternoon Tuesday battling a fire in Webster's woods off the Hammond parkway. The apparatus was called out at 3:01 p. m. and the company returned to quarters more than four hours later at 7:11 p. m. A long line of hose was necessary to reach the blaze.

A blaze in a city rubbish truck was put out by firemen of the Beacon st. station at Lower Falls after the driver had brought the burning truck to the station shortly before two o'clock.

Engine 3 of Newton Centre was called to Centre and Willow sts. to wash away gasoline that flowed into the street after a collision in which an automobile was considerably damaged.

Eight other dump, grass and brush fires were attended in various parts of the city on Tuesday afternoon to extend the continued activity of the firemen during the past week.

On Monday five grass and brush fires called apparatus to various sections of the city, while on Sunday the score was six. The services of firemen were necessary Sunday noon when meat burned in an oven at 150 Eastbourne rd., Newton Centre, filling the kitchen with smoke and ruining the family Easter dinner.

Last Saturday a new record in brush fires was made with 33 calls on the list. There were 24 still alarms and 9 bell alarms. The previous high mark was set last Thursday when 23 calls were marked up on the fire record.

American Citizenship." Ten-minute talks will be given by Mrs. Arthur M. Schlessinger of the League of Women Voters and Kenneth Taylor, executive secretary of the American Federation of Labor in Massachusetts.

The round table groups will continue their discussions after this luncheon meeting.

At 3:10 a general meeting will be held with Dr. G. L. Maxwell presiding. Reports will be given by the round table chairmen and discussed. A summary of the high points of the conference will be given by Dr. William G. Carr.

Superintendent Warren will preside at the evening mass meeting which will be featured by music and pageantry by pupils of the Newton high school. Dr. Howard Wilson of Harvard University will talk on the highlights of the day conferences.

—Dog Clinic

Continued from Page 1)

April 24th and U to Z inclusive, Friday, April 25th.

In connection with the clinic Mayor Paul M. Goddard makes the following announcement:

"There have been outbreaks of rabies in nearby cities and towns, but this city has been fortunate in this respect, due in a measure to the annual vaccination of dogs. If the rabies is controlled it will obviate the necessity of restraining dogs from running at large. Vaccination is effective for a year and the dog should then be vaccinated again.

"Take your dog to the clinic with your 1941 dog license.

"You are respectfully urged to have your dog vaccinated at this clinic and thereby prevent further spread of rabies. The City Veterinarian, Dr. Richard C. Schofield, is in charge."

—Gas Rates

(Continued from page 1)

Somerville, Waltham, Watertown, Wellesley, and Weston will be available to all families using gas for house heating or kitchen heating. It will also be available in homes where at least half the annual amount of gas consumed is used for heating purposes.

New reduced heating rates will likewise be available to customers in Bedford, Concord, Lincoln, Sudbury, Wayland, and in Acton, Ayer, Groton, and Littleton.

In explanation of the new rates, E. M. Farnsworth, president of the company says: "This is the fifth reduction in heating rates since the company began to sell gas for heating.

"In designing this new type of domestic rate our aim has been to provide gas for heating at lower cost, so that more families may enjoy its benefits.

"For that reason homes have been classified according to size, so that both large and small users will obtain heating gas at approximately the same rate.

"The smaller customers will receive the greater percentage of reduction. In many small homes the cost comes down to 5c net per hundred cubic feet after 3,000 cubic feet per month have been used. We have made studies which show that the homes of most kitchen-heating customers are in this classification. Consequently, such customers will now be able to buy gas at substantial savings.

"All gas used in excess of 10,000 cubic feet per month will be priced 10 per cent below the lowest step in the previous heating rate."

Transfer Causes Revision of Draft

The transfer of a registrant from another district caused Draft Board 114 of Newton to revise its list of selectees for induction yesterday. As regulations require that transfers be sent ahead of local registrants Warren H. Wittens, now living at 24 Ricker rd., Newton, replaced George T. O'Donnell of 30 Crosby rd., Chestnut Hill. O'Donnell will be sent in the next call or in the event that a replacement is needed. The other two selectees who reported yesterday from Board 114 were John J. Higgins, 87 Washington st., Newton, and William H. Haines, 44 Ripley st., Newton Centre.

New Bakery To Open in Newtonville April 24th

The Helen Cross Bakery Kitchen opening Thursday, April 24 is an individual shop operated by a couple with extensive experience in dietetic, and the food field. Helen Cross will be in personal charge of the sales and service and her husband will manage the baking part of the business.

They have spent many years in the hotel and allied industries. Mr. Cross is a graduate of the American Institute of Baking of Chicago and has served as production manager for some of the larger quality bakers.

The Helen Cross Bakery Kitchen has installed the most modern equipment enabling them to offer clean, wholesome, sanitary foods freshly baked at hourly intervals of the day. Adequate refrigeration cases both in the shop and store assure absolute freshness of all whipped cream and custard goods the year round.

Salesgirls will be carefully selected and under the guidance of Helen Cross. Service will be prompt, courteous and efficient.

Plans are fast materializing and with the committees working to complete every angle of this big event it bids fair to be one of the outstanding musical events ever presented in this section.

Extensive plans are underway to entertain the ladies and guests of members of the visiting clubs and announcements will soon be made of these plans.

Form Municipal Credit Union

At an organization meeting of the Newton Municipal Credit Union, held Tuesday evening, at the Boys' Club, Nonantum, the following officers were elected: Philip Purcell, President; John Foley, First Vice President; Paul Mullen, Second Vice President; Thomas Joyce, Treasurer, and Margaret McMullen, Clerk. A Membership and Educational Committee of four members, Robert Turner, Frank Guerin, Lawrence Kerr, and Eleanor Hannigan; a Credit Committee of three members, Frank Linehan, Matthew Phillips, John McMullen, and an Auditing Committee of three members, Richard Murphy, Thomas Leehan, and William Fitzgerald, were elected.

In the absence of Philip Purcell, President, the meeting was conducted by John Foley, First Vice President. The By-Laws were adopted and regulations made for the conducting of the business of the Credit Union for the first six months. Membership is open to all regularly employed employees of the City of Newton. Shares will be $5 and may be purchased in installments. Each member holding one or more shares will be entitled to one vote at the annual meeting. The annual meeting will be held the third Monday in November. The Directors will meet on the third Monday of each month. The Credit Union expects to have the By-Laws approved by the commissioner of banks and start doing business by May 1st.

Mr. John Newton, of the Newton Teachers' Credit Union, Mr. James Ford, of the Watertown Municipal Credit Union, and Miss Agnes Gartland, of the Massachusetts Credit Union Association, have helped in the organization of the Newton Municipal Credit Union by their advice and counsel.

TEKAWITHA CLUB

The Tekawitha Club will hold an Italian supper this Thursday evening at six o'clock in the auditorium of the Sacred Heart School. The chairmen of the committee are Claire Delaney of Newtonville, Gertrude Burke of Waltham, Rose Volante of Newton Centre, Mary Leahy of Newton Highlands, and Helen O'Connor of Newton Centre. There will be an entertainment following the supper. This is one of the series of April Showers which the club is holding in aid of their charity missionary work. Miss Mary Gahan of Newton Centre is general chairman of the series.

Refuse Application To Remove Turnpike Curbing

The State Public Works Commission this week refused the application of Antonio Cifaldi for the removal of curbing along the Worcester turnpike in front of his gas station at Chester st. Two openings in the curb are adequate for the needs of the station in the opinion of the commission. Cifaldi sought to have a 12-foot strip of curb between the two openings removed.

THE NEWTON GRAPHIC

Vol. LXIX—No. 34 NEWTON, MASS., THURSDAY, APRIL 24, 1941 Single Copy 5c; $2.50 per Year

Welfare Costs

The announcement that welfare costs in Newton have shown a marked decrease in the first three months of this year over a similar period of a year ago is welcome news. The announcement made by Director James P. Reynolds of the local welfare department indicates an approximate savings of nearly thirty-five percent during this period. A continuation of this trend would mean a total yearly saving of close to $100,000. During the past ten years welfare costs have been mounting steadily until we are now appropriating close to ten times the amount which used to be regarded as the normal figure for Newton. In many ways it has been the greatly increased welfare burden which has put many of our cities and towns in financial distress. Fortunately, we in Newton, have had officials and elected servants who have been constantly on guard against over-spending.

We have always contended that welfare should be under local supervision and administration and have commented frequently upon the tendency of the Federal government, in addition to its contribution to and sharing ot this financial burden to usurp the powers of local administration. To prevent further encroachment of municipal authority we further believe that an unpaid board of welfare is the most efficient and economical method of administering this phase of our municipal service. Such a step was studied by the Newton Community Council recently and a recommendation to this end was reported and unanimously adopted at a recent meeting of that organization. The so-called Dickerman report on this subject is well worth the attention of those interested in the administration of welfare.

What Fire Can Do

The disastrous effects of fire were brought home in a forceful manner this week with the destruction of five hundred homes at Ocean Bluffs. Believed to have started in the dry marsh grass from a cigarette carelessly tossed aside by a thoughtless person, it caused over a million dollars in property losses and an inestimable personal loss. An unusual and unique, as well as gratifying, fact is that no fatality resulted from the conflagration which brought destruction and loss to hundreds of persons.

The extremely dry conditions have caused an emergency order to be issued closing the woods throughout the state and banning all open fires. A little thought and care may mean the conservation of acres of woodland, hundreds of homes

Welfare Costs For 3 Months Drop Sharply

Welfare Dept. Expenses Down 35 Per Cent

A marked decrease in expenditures for general welfare relief for the first quarter of the year has been evidenced in Newton according to James P. Reynolds, Director of Public Welfare in Newton. The decrease is approximately 35 per cent and was the lowest of any corresponding period in the past five years. A continuation in the present trend will result in a large balance to be returned to the city treasury at the end of the year.

Comparative expenditures for the first three months of the present year and 1940 are:

	1940	1941
January	$29,500	$17,500
February	24,500	16,500
March	25,000	16,500
	$79,000	$50,500

The number of cases of relief a year ago were January, 727; February, 688, and March, 647. The case figures for the present year have been January 513; February 472; and March 482.

The sum of $250,000 was appropriated for relief in this year's budget as against $300,000 during 1940 of which $265,000 was expended.

Director Reynolds also stated that the recent reduction in the city's WPA quota had not increased the welfare rolls as had been the case in previous reductions of WPA workers. There are no skilled workers on the welfare rolls and the number of unskilled workers on relief has been considerably reduced.

Register Bikes At Police Hdqts

Beginning on Tuesday the voluntary registration of bicycles in Newton has been conducted at the rear of police headquarters in West Newton. Registration sessions will be held each Tuesday from 2 to 4. More than 1400 bicycles have been registered in the sessions held at various school buildings throughout the city.

On Tuesday, April 29th, at the Hyde School, Newton Highlands, and on Wednesday, April 30, at the Weeks Jr. High School, Newton Centre, the final school registrations will be held from 1:30 to 4 p. m.

The first recovery of a stolen bicycle through its registration number was that of W. L. Cummins of 40 Jane rd. The vehicle was found by Patrolman Cornelius O'Neil at the rear of the Oak Hill School and the owner learned through the registration plate.

Jurors Drawn for Civil Session

Jurors were drawn for service in the civil court session to be held on May 19th, at the Aldermanic meeting on Monday night as follows:

Alexander A. Fournier, 26 Auburndale ave., West Newton; John J. Dunlevy, Jr., 391 Linwood ave., Newtonville; Daniel E. Ford, 11 Burnside rd., Newton Highlands; Edward J. Paul, 92 Central ave., Newtonville.

High School Student Called By Navy

The first Newton High School student called into active service in the Navy since the World War is Walter E. Tobin of 163 Jackson rd., Newton. Tobin, a senior, reported to the Newport Training Station on Tuesday. He has been a member of the Naval Reserves for two years and has been assigned to the U. S. S. Texas. He is the son of Mrs. Katherine Tobin, is 19 years old and was to have graduated in June.

A year ago Tobin served four months on the U. S. S. Lawrence on neutrality patrol, visiting Panama, Honduras, Key West and other southern ports.

Cullen Case To Be Heard Friday

The hearing in the Cullen reinstatement case on the motion for entry of judgment will be held on Friday before a single justice of the Supreme Court in the court house at Pemberton square, Boston. The hearing was scheduled for last Friday morning but on agreement of counsel was postponed.

The motion was filed recently by Attorney Francis X. Hurley, counsel for Bartlett Cullen, former sergeant-mechanic in the Newton Police Department, after the full bench of the Supreme Court handed down an opinion upholding Cullen's petition that the abolishment of his position by the Newton Board of Aldermen was illegally accomplished.

With the entry of judgment the court would issue writs ordering city officials to reinstate Cullen to the position from which he was ousted on July 1, 1939. Attorney Hurley requested the continuance of the case until this week, with the consent of City Solicitor Joseph W. Bartlett.

Aldermen Reject Gas Station Petition

For the twelfth time the Newton Board of Aldermen rejected the petition of J. V. Monaghan's Sons for a permit for a gasoline selling station at 5 Auburn st., West Newton at the meeting on Monday night. Following a public hearing on the petition the Aldermen acted unanimously and summarily after the Committee on Claims and Rules had made its recommendation for rejection.

At the public hearing opposition was expressed to granting the permit by an attorney representing Rev. John J. Crane, pastor of St. Bernard's Church, West Newton. He told the Board that 11 previous applications for the privilege had been denied. He said that Rev. Fr. Crane's opposition was based on the contention that a gas station would injure the parish property which was valued at a quarter of a million dollars and that it would prove a traffic hazard to children. Letters of protest were received from Bessie B. and Charles F. Deffely, abuttors, and G. Henry Dath of 1545 Washington st.

April Draft Quota Completed

The April quota for Newton under the Selective Service act will be completed next Wednesday by the selection of two volunteers for induction into military service for a year. Local Board 112 announced that two selectees will replace two men rejected at the induction station last week Wednesday. The replacements will be Joseph S. Campisi, of 27 Cottage place and George H. Cobb, 147 Randlett park, both of West Newton.

CITY'S DEBT REDUCED

Over $800,000.00 In Two Years; Balanced Budget and Surplus Indicate Lower Tax Rate In 1941

In its annual report presented Monday night the Finance Committee of the Board of Aldermen announced a probable reduction of the city's funded debt of $800,000 in the two-year period ending Dec. 31st of this year. At the time Mayor Goddard took office the debt was $6,328,000 and the committee estimates that the amount will be $5,493,000 by the end of the current year if no more bonds are authorized and all at present authorized are actually sold.

The report follows the custom established in 1936 of presenting the observations of the Finance Committee regarding the city government from the fiscal viewpoint.

The report commends Mayor Goddard for the message accompanying the presentation of the budget and welcomes the co-operative attitude of the Newton Taxpayers' Association. "When two groups of citizens—one elected by ballot and the other self-constituted—are in harmonious agreement it is a happy coincidence. Too frequently in many municipalities the opposite is true."

The report further credits the Mayor and able heads of departments and their co-workers as the real accomplishers.

It is pointed out that each year since 1935, with the exception of 1938, there has been a reduction in the city's debt. On January 1st, 1935, the debt was $7,539,000.

The report points out that the surplus account is in excelent shape—the total of general and water surplus exceeding $400,000. A portion of this surplus will be used to reduce the tax levy although in keeping with sound policy the amount to be recommended by the Mayor will be less than the departmental savings in 1940.

"Newton is living within its budget and the budget is adequate and balanced. It is confidently expected that a reduction in the 1941 tax rate will presently be announced. The committee has previously made this forecast, so it is not news, but the fulfillment will be as welcome as was the 1940 reduction.

"Certain non-recurring but essential expenditures have been necessitated by the votes of the electorate and the mature deliberation of this Board. Barring unforeseen emergencies a downward trend in 1942 can be expected."

The report closes with a tribute to former Alderman Clarence C. Colby who was called to greater responsibilities as a Representative where he is rendering valuable service. The report is signed by Chairman Donald D. McKay, Pres. Charles B. Floyd, and Aldermen Maxwell P. Gaddis, Henderson Inches, Theodore R. Lockwood, and Carl F. Schipper, Jr.

Newton Rejects One-Cent Milk Plan for Children

Proposal Does Not Conform To Health Rules

The rejection of a plan to supply Newton school children with milk at one cent a half pint was announced late last week by local officials as contrary to the regulations of the Newton Board of Health. The plan was offered by the Surplus Marketing Administration through the State Public Welfare Department.

Chief Inspector Alexander A. Robertson of Newton explained that under the proposed plan the milk would be shipped into the city in eight-quart cans to be poured into glasses to be sold to the children. The Board of Health rules require that milk may be sold in their "final containers" only, thus prohibiing the sale of milk in glasses.

Another factor in rejection of the plan is that the Health Department would have no control over the source of supply, as at present all plants and farms supplying milk to dealers who sell in Newton are periodically inspected by Newton agents.

School department officials would also be confronted with the problem of differentiating between children entitled to the low price and those who should pay five cents, the one-cent rate being intended for children of families on welfare or WPA roles.

Newton Principal To Head Teachers

Russell V. Burkhard, principal of the Frank A. Day Junior High School, Newtonville, has been nominated as president of the Massachusetts Teachers' Federation. Election of the Newton educator and other officers will take place at the annual meeting of the delegates at the Hotel Statler, Boston, on Saturday. The Federation is made up of 233 teacher associations throughout the state with a membership of 20,000. The Newton principal has served as first vice-president during the past year.

Qualify For Navy Air Training

Two Newtonville youths have qualified for appointments as aviation cadets by completing one month's preliminary training at the Naval air base at Squantum. The youths are Bradford Dyer of 29 Highland ave., and Claude R. Frazier of 21 Bonwood st. They will leave shortly for the advanced training course in Florida or Texas. Upon graduation from the seven months' course at Pensacola or Corpus Christi they will be commissioned as Ensigns in the Naval Reserve or second lieutenants in the Marine Corps Reserve and awarded the gold wings of a naval aviator. After two weeks' leave they will then be ordered to active duty with the aircraft squadrons of the fleet.

Dyer was born in the Texas oil country. He attended Newton High School where he was an outstanding athlete, graduating in 1932. During two years at Bridgton Academy he played football, basketball and baseball, the latter sport he captained in 1934, and was on the swimming team. Later he attended University of Penn and Northeastern. He is a member of Alpha Tau Omega fraternity. He served two years in the C. M. T. C. During recent years he has been active in semi-pro sports in Newton.

Frazier, the son of the late Mr. Frazier and Mrs. Linton Kerr, graduated from Newton High School in 1934, where he played football, basketball, and was a member of the track team. He was vice-president of his class. He graduated from Bowdoin College in 1938 where he played football and baseball, was a member of Delta Upsilon fraternity and a member of the Student Council.

Alderman McKay Submits Resignation

Alderman Donald D. McKay, for eight years a member of the Board from Ward 5, submitted his resignation from that body at the meeting on Monday night, explaining in his letter that he had been reluctant to be a candidate for re-election in 1939 and desired to devote more time to business and personal affairs. He requested that the resignation become effective June 2nd.

Vice-president Clifford Walker, who presided due to President Charles B. Floyd being acting mayor during the absence from the city of Mayor Goddard, read the letter of resignation and stated that action would be deferred until the May 19th meeting. Alderman McKay has served as chairman of the Finance Committee and is the sponsor of the movement to establish a memorial park at Crystal Lake in honor of Samuel Francis Smith, author of "America."

The resulting vacancy in the Board will be filled by vote of the remaining members.

Moves For Legal Approval of Act

Alderman Eugene Cronin of West Newton offered a motion at the Board of Aldermen's meeting on Monday night that the city accept the legislative act passed in 1938 authorizing a schedule of one day off in six for the police force. Cronin declared that although the Board had unofficially approved the act by authorizing the appointment of 8 additional policemen, the adoption of the Legislative act was essential to legal procedure.

The motion was seconded by Alderman Edward A. Fahey and referred to the Committee on Legislation for study.

Called For Army Air Corps Service

Four Newton youths have been appointed Army flying cadets in the class reporting April 30th with a group of 110 New Englanders. Following a seven months' course at Alabama Institute of Aeronautics, at Tuscaloosa, Alabama, they will be commissioned second lieutenants in the Air Corps Reserve.

The quartet leaving next week for the south are John O. Cimaglia of 934 Commonwealth ave.; George C. Fuller of 22 Shaw st., West Newton; Frederick B. Short of 35 Kingswood rd., Auburndale; and Mervin C. Knight of 70 Manemet rd., Newton Centre.

Ball At Auburndale For British Relief

A large advance sale of tickets for the British War Relief Ball at the Auburndale Club, Friday evening, April 25th, gives promise of the most brilliant affair ever sponsored by the club. A handsome decorative plan for the clubhouse has been designed under the direction of Miss Doris Gage of Wellesley, featuring great numbers of British and United States flags. Ruby Newman's orchestra will play for the ball, with Mayor Paul M. Goddard of Newton leading the grand march at 9:45. Miss Dorothy Brackett of West Newton and Miss Betty Ferguson of Boston will appear in solo dances, and Miss Brackett will dance an original rhumba with her partner, Mr. Russell Curry of Arlington. There will also be a number of specialties presented by the orchestra and several feature dances for which valuable prizes will be awarded.

Churches Unite In Special Service

Prof. Basil Mathews of Boston University, for 15 months a member of the British Ministry of Information during the present war, will be the speaker at a special all-Newton service of worship on Sunday, May 4th, at 8 p. m., in the Second Church, West Newton.

The service, arranged by Rev. Boynton Merrill, D.D., assisted by a committee of Newton Protestant ministers headed by Rev. Morrison Russell Boynton, D.D., is under the auspices of the World Council of Churches, one of the few organizations which reach across world frontiers to act as a unifying factor in a warring world.

Mr. Mathews holds an M.A. from Oxford University, England. From 1904-10 he was on the literary staff of the Christian World; from 1910-19 he was editorial secretary of the London Missionary Society (Congregational); from 1920-24 he was director of the Press Bureau of the Conference of the Representatives of British Missionary Societies; from 1924-29 he was international secretary of the World's Committee of the Y. M. C. A. His published works number over 25 and have been translated into many languages.

Mr. Mathews served in the British Ministry of Information for 15 months of the present war. He resigned during this past season to come again to this country to resume his teaching at Boston University (as Professor of Christian World Relations) and at Andover Newton Theological School in Newton Centre.

Through his presence at world conferences in Oxford; Helsinki, Finland; Jerusalem; Cairo; Madras, India, etc., he has come into intimate friendship with leading men and women of the Christian enterprise in practically every nation and of all the races of mankind.

Loses $10,000 Home At Ocean Bluffs

Among the summer homes of Newton people destroyed or damaged by the fire at Ocean Bluffs on Monday were those of Henry T. Doherty, 73 Derby st., West Newton, loss $10,000 and Mrs. Emelia Salemme, 95 Freeman st., Auburndale, $6,000. The Doherty property, located near the burned fire house, was a year-round seven-room house with two-car garage and one of the most substantial buildings in the beach colony.

Low Cost Milk

While at first thought it might seem that officials have been unduly arbitrary in rejecting the proposal to permit the sale of one-cent milk to Newton school children a little sober reflection reveals the impracticability of the plan. The proposal offered surplus milk supplied to local school children at one-cent per glass instead of at the usual charge of five cents per half-pint bottle. The milk would be delivered in large cans and poured into glasses for sale, presumably to children of families in needy circumstances. Not only would school officials be faced with the difficult problem of differentiating between children entitled to the low price but the health regulations preventing the sale of milk in "final containers" would necessarily have to be waived. Newton's health standard is high and might readily be affected by the impossibility of Newton agents to regularly inspect the source of supply of the milk under the proposed plan. While we believe thoroughly in taking every opportunity possible to provide for the underprivileged the proposal seems to be one which theoretically has merit but practically is not advantageous.

Daylight Savings

Saturday night, or technically at 2 a. m. on Sunday morning, the annual daylight saving period begins, to continue for the next five months throughout the state. Each year there is some confusion as to whether or not daylight savings is accomplished by setting the clocks ahead an hour or setting them back. The procedure is to set timepieces ahead one hour making the time of day that much later. The hour of sleep thus lost is made up in September when the clocks are again turned backwards. Oversight or neglect to do so may result in one's finding himself an hour late on Sunday for whatever church service or appointment one might be keeping. If you would be on time next Sunday do not forget to set your timepieces ahead one hour before retiring Saturday night.

American Red Cross

The Newton Chapter of the American Red Cross sent two girls from the F. A. Day Junior High School, Jean Webber and Joan Thompson to attend the Annual Convention at Washington April 21st to 24th. Mrs. Carl H. Hanson, Chairman of Production chaperoned the Junior delegates.

Others attending the Convention were: Mrs. Robert W. Moore, Jr., Chairman of Gray Ladies; Mrs. David B. Galloway, Chairman of Knitting; Mrs. Wm. L. Young, Chairman of Surgical Dressings.

Letter received from National Headquarters regarding Junior Red Cross:

"The ten brailled books for which the sixth grade Junior Red Cross members in Mason School made covers were sent on to Puerto Rico last week. I am sure that the children at the Puertan Rican Institute will be delighted with the illustrated covers.

"Before we sent the stories on, we took the opportunity of passing the stories around to some of the staff members in the Junior Red Cross office. The covers were greatly admired. They are among the best of those that have passed through this office. Will you congratulate the Junior Red Cross members for us, on the cleverness of their illustrations and their neatness in putting the covers together?

"We have written Miss de Verdiales, Superintendent of the Puertan Rican Institute for the Blind, that the stories are on their way and have given her the address so that she might be able to send a note of acknowledgment to the sixth grade class."

THREE LITTLE PETERSONS OF NEWTON CENTRE

There is no question as to hobbies in the family of Dr. and Mrs. Thomas H. Peterson of 47 Hancock ave., Newton Centre. It is very definitely children—three boys to be specific—Hart deCoudres aged eight; Bruce Bigelow, six; and Mark Bosworth coming on for three.

Hart is a swimmer—most of his eight summers spent in Duxbury and Plymouth having been devoted to mastering that art. In the winter he concentrates on the Mason School and piano lessons. Bruce who goes to the Carroll School is a gardener, while Mark is everybody's joy.

Mrs. Peterson, who is a native of Connecticut, is a graduate of Brown University and the Rhode Island School of Design. She still continues her book reviews for the Providence Journal, a sideline begun in her college days. In addition, she gardens and bowls and swims and plays the piano.

Dr. Peterson, a Chicagoan by birth and an orthopedic surgeon by profession, holds degrees from Denison and Northwestern Universities.

The Petersons have lived in Newton for ten years.

Recent Weddings

WETMORE—GOODHUE

Miss Roberta Jean Goodhue of New Bedford, daughter of Mrs. Harrison Winship Annable of Pocasset, was married to Edward V. T. Wetmore, Jr., son of Mr. and Mrs. Edward V. T. Wetmore of 48 Kingston rd., Newton Highlands, on Saturday afternoon, April 19, in the Bourne Memorial Church. Rev. Elbert S. Morfort performed the ceremony and a reception followed at the home of the bride's uncle and aunt, Mr. and Mrs. Donald R. Dixon, at Monument Beach.

The bride, who was given in marriage by her uncle, wore a gown of ivory satin. Her veil of tulle was caught to a crown of orange blossoms and she carried a bouquet of gardenias, freesia, white sweet peas and lilies of the valley. Miss Jean Wetmore, sister of the groom, the maid of honor, wore yellow marquisette and carried Spring flowers. The bridesmaids were Miss Patricia Taylor and Miss Priscilla Taylor of Newton Centre. Miss Ann O'Brien, a cousin of the bride, who was the flower girl, wore a frock of pale green marquisette and carried a basket of Spring flowers.

Charles C. Wetmore, brother of the groom, was the best man. The ushers were Mortimer H. Wells, Jr., of Arlington, William Walker of Newton, and Philip Austin of Brockton.

On their return from a motor trip to Washington, Mr. and Mrs. Wetmore will reside in New Bedford.

The bride is a graduate of the Katharine Gibbs School, Boston.

HOWLEY—LAKE

Miss Edna May Lake, daughter of Mrs. Harry Lake of 36 Homer ave., Ashland, was married to Thomas John Howley, son of Mrs. Catherine Howley of 416 Parker st., Newton Centre, at 9 o'clock on Saturday morning, April 19, at a nuptial mass in St. Cecelia's Church, Ashland. Rev. Edward M. Hartigan performed the ceremony. A wedding breakfast was held at the Hotel Kendall, Framingham, following the ceremony.

The bride wore a gown of white slipper satin, a veil of tulle with a long train, and carried a bouquet of lilies of the valley. She was attended by her sister, Miss Dorothy Lake, who wore powder blue marquisette with a matching poke bonnet of tulle and carried pink roses.

James Howley, brother of the groom, was the best man.

On their return from their wedding trip, Mr. and Mrs. Howley will reside at 7 Newbury Terrace, Newton Centre.

The bride is a graduate of the Ashland High School. The groom is a graduate of the Newton High School.

A herd of cattle while being driven through Newton Lower Falls Wednesday lost one of the number from exhaustion. Two died before reaching this village, one at West Newton, another at Newtonville. They were being driven to Brush Hill Farm in the vicinity of Natick.

A meeting of the Newton Club was held Monday evening, to take definite action on the purchase of land and erection of a new clubhouse. President Henry F. Cobb presided and nearly 200 members were present. President Cobb called attention to the importance of the meeting. Chairman William J. Follett reported for the building committee. A call for subscriptions for purchase of the Mitchell land was responded to by 70 per cent of the members and $11,000 received. Mr. Mitchell offered to sell 30,000 feet worth $15,000 for $10,000 and also agreed to sell the club 10,000 feet additional within 3 years, the club to have the use of the land by paying taxes and interest. At the conclusion of the report a unanimous vote was taken authorizing the building committee to purchase the Mitchell land at the corner of Walnut st. and Highland ave., for $10,000 and the additional land in 3 years.

The plans provide for a pure colonial structure to cost $35,000. The basement will contain four bowling alleys for general use and two for private parties, entirely disconnected and with separate entrances. There will also be the usual lavatories, storeroom, heating room, closets, and a fair sized gymnasium. The first floor will comprise a large hall, 20 x 20, with open fireplace, reception room, gentlemen's small cafe, smoking room, office, ladies' reception room, and a billiard room, 21 x 53. On the second floor will be ball, several cardrooms, private dining rooms, main cafe, ladies' parlor and ladies' cafe. The third story will be divided into a large entertainment and banquet hall, with large open fireplace, eight bedrooms and a bathroom.

A first mortgage of $25,000 was voted on the building and a second mortgage of $15,000 to be taken by members. $14,700 was pledged within a half hour, the largest individual subscription was that of Mr. A. R Mitchell of $1500—the others running from $1000 to $100.

Newton Educators At Conference of Principals

Two Newton educators and a former Newton high school principal were active participants in the twentieth annual conference of principals of Junior and Senior High Schools this week at Framingham. The conference was held at the State Teachers' College on Tuesday, Wednesday with concluding sessions today on the theme of "Massachusetts Secondary Schools and National Defense."

Paul E. Elicker, executive secretary of the National Association of Secondary School Principals and a former Newton High School principal, gave the principal address of the Wednesday afternoon session. His subject was "When Is the School of Today a Good School?" This morning among reports from the field of Junior High School principals, Haydn S. Pearson of the Bigelow school, Newton, presented a report on "Needed—A Practical Philosophy for Education." At yesterday afternoon's session of the Massachusetts Association of Deans of Girls, one of the main addresses was given by Miss Cora Riley of the Newton High School faculty on the subject "Easing Adolescent Growing Pains."

Tri-Hi Girls Hear Talk On Reflection of Inner Beauty

"My Face Is My Fortune" was the theme of a talk given by Mrs. H. M. LeSourd of 206 Waverley ave., before the Tri-Hi girls and invited guests at their meeting last week.

Mrs. LeSourd brought out the fact that the greatest industry in the world today is beautifying women, illustrating this by all that is done by the commercial world for the outward beautification of women, but the Psalmist in the Old Testament says that "the King's daughter was all glorious within." From this Mrs. LeSourd stressed the idea that one's face reflects the development of personality and spiritual growth from within. In a world gone mad with hate and prejudice, it is necessary that inner lives are not befouled by these destroyers of the souls and happiness of men. Only as one has love and good will can one reflect on the outside the serenity of soul within.

Mrs. LeSourd is the Grand Sponsor of Kappa Phi, the national college Methodist Girls' Club; and a member of the National Advisory Committee of Student Work for the Methodist Church. She is a director of the Newton Community Club and the wife of Dean Howard M. LeSourd of the Graduate School of Boston University.

WABAN NEIGHBORHOOD CLUB

The annual sports dinner of the Waban Neighborhood Club will be held Saturday evening, April 26th at 7 p. m. Awards in bowling, badminton, tennis and bridge will be made. Jack Wood of M. I. T. will present colored movies and a talk on "Bermuda Ocean Yacht Racing and Small Boat Racing."

"UNCLE DUDLEY" has a national reputation as the author of the sanest, soundest, most constructive and informative editorials appearing in American newspapers today—one of the many reasons why more and more people these days, are turning to THE BOSTON GLOBE.

Women's Club Activities

Coming Events

Newtonville Woman's Club

A new dancing class under the direction of Russell D. Curry of Arlington, is now being formed for the coming year, by the American Home Committee of the Newtonville Woman's Club.

All club members and friends are cordially invited to join this class and to register before May 15th with the Chairman, Mrs. Walter F. Burt, 177 Nevada st., Bigelow 4477.

Community Service Club of West Newton

Miss Barbara J. Tower, gifted young pianist of West Newton, will be guest artist in the annual music festival of the Community Service Glee Club of West Newton to be held at the Warren Junior High School on Monday evening, May 5, at 8:15 o'clock. Miss Tower is the daughter of the well known concert pianist, Mrs. Mary Pumphrey Tower, past president of the Community Service Club and one of the founders and patronesses of the glee club.

Another guest on the program will be Rand Smith, noted baritone soloist of Boston, and member of the "All American Youth Opera Association." Mr. Smith will be accompanied on the piano by Mrs. Tower.

The Festival is an annual spring event and is under the direction of the glee club leader, Marion Kingsbury. In addition to the special soloists—the concert will include vocal numbers by the Community Service Glee Club, and by a mixed chorus of fifty voices, assisted by a young girls' chorus in special numbers. A picked string ensemble from the All Newton Music School will open the program with instrumental selections, and will also accompany several of the choral numbers.

Every spring this music festival is the culmination of the Glee Club activities and is always the high light of the year's work. Funds raised over and above expenses are used as a special scholarship toward the higher education of a worthy West Newton student. Mrs. Thomas Cooper and Mrs. Daniel B. Whipple of West Newton are in charge of tickets for the affair.

Woman's Club of Newton Highlands

The Woman's Club of Newton Highlands will hold its Annual Meeting on April 29th, in the Congregational Church Parish House at 2.00 P. M. following a luncheon at 12.30 p. m. Hostesses for the luncheon will be members of the Hospitality Committee, of which Mrs. Russell Burkhard is chairman.

The Nominating Committee of which Mrs. Richard A. Cody is chairman, has presented the following slate: Mrs. Alexander Peckham, President; Mrs. Robert S. Austin, vice president; Miss Florence W. Marble, Second Vice President; Mrs. James S. Gove, Recording Secretary; Mrs. Ray S. Kelley, Corresponding Secretary; Mrs. Russell N. Hopkins, Treasurer; Mrs. William A. Eagan, Auditor.

Directors for one year, Mrs. Kenneth S. May, Mrs. Arthur S. Williams; Directors for two years, Miss Madeline W. Cobb, Mrs. F. Lyman Wells. Chairman of Nominating Committee, Mrs. Richard A. Cody; Member of Nominating Committee, Mrs. Chester W. Tudbury.

Nominations from Club (vote for five) Mrs. Walter G. Archibald, Mrs. W. Irving Atwood, Mrs. Edwin E. S. Birtwell, Mrs. Everett L. Bunker, Mrs. Elwood I. Clapp, Miss Marion Dorr, Mrs. James G. Gillespie, Mrs. Frank E. Seeley, Mrs. Ralph K. Shaw, Mrs. C. A. Thompson.

Directors for Workshop — Mrs. Westford M. Taylor, Mrs Dana S. Sylvester, Mrs. Raymond Kent, Mrs. Sumner R. Smith, Mrs. E. Warren Skelton.

Immediately following the Annual Meeting on April 29th, Russell Curry and partner will give an hour of amusement and inspiration. Mr. Curry calls this hour "Dated Dancing."

Recent Events

Newtonville Woman's Club

Eighteen members of the Bowling Group of the Newtonville Woman's Club, journeyed to Lynnfield, Thursday, April 17th, to the Olde Towne Lyne House, where they enjoyed a delicious luncheon as the final event of the season.

Mrs. John P. Kobrock, chairman of the bowlers, awarded the following prizes: Mrs. Chester S. Merrill, 1st prize for high average; Mrs. J. Gordon Weinz, 2nd prize for high average; Mrs. John P. Kobrock, 1st prize for high three strings; Mrs. Fred Alexander, 2nd prize for high three strings; Mrs. Frank W. Warren, 1st prize for high single; Mrs. Carl Hanson, 2nd prize for high single; Mrs. George Taylor, greatest improvement; Mrs. William Ferrin, 1st prize for attendance; Mrs. Hugh McCrea, 2nd prize for attendance.

A most interesting card game rounded out the afternoon and prizes were won by Mrs. Warren, Mrs. Hanson and Mrs. Weinz.

Newton Upper Falls Woman's Club

The 22nd annual meeting of the Newton Upper Falls Woman's Club was held at the Brae Burn Country Club Monday evening, April 21. After dinner which was served at 7 o'clock to eighty members, Eleanor Symonds Moses gave a humorous reading, "Over the Back Yard Fence" by Alice Hegan Rice; this was followed by selections from Alice Duer Miller's "The White Cliffs."

Mrs. Harold T. Sprague presided at the business meeting at which the annual reports of the various committees were given by their chairmen.

The officers elected for the 1941-1942 club year were: President, Mrs. Harold T. Sprague; First Vice President, Mrs. Robert B. McLaughlin; Second Vice President, Miss A. Gertrude Osborne; Recording Secretary, Mrs. Donald F. Flinchbaugh; Corresponding Secretary, Mrs. Frank J. McHugh; Treasurer, Mrs. William K. Dunham; Auditor, Miss Mary H. Hagerty; Directors 1941-42, Mrs. Walter J. Billings, Mrs. John Donlon and Mrs. Hobart F. Goewey; Directors 1941-43, Mrs. Almeda L. Brenan and Mrs. A. Perry Holt, Jr.

Committee chairmen elected were: Civics and Handicapped, Mrs. Donald F. Flinchbaugh; Hospitality, Mrs. Robert B. McLaughlin; House, Miss Mary H. Hagerty; Legislative, Mrs. Hobart F. Goewey; Membership, Mrs. A. Perry Holt, Jr.; Printing, Miss A. Gertrude Osborne; American Home, Mrs. John Donlon; Art, Mrs. Frank G. Mordo; Christmas Health Seals, Miss Doris H. Brown; Co-operation with War Veterans, Mrs. Michael G. Wieczorek and War Relief, Miss Nellie M. Osborne.

Newton Community Club

At the Abner Wheeler House on Tuesday a luncheon was given for Mrs. Wallace Wales, outgoing president of Newton Community Club. The first vice-president, Mrs. Newton A. Merritt, Jr., presented Mrs. Wales with a past president's pin, a gift from the members of the board who have worked with her during the two years of her presidency. There were thirty three present.

The Auburndale Review Club

The annual meeting of the Auburndale Review Club, which this year celebrated its fiftieth birthday, was held at the Sudbury Tea House on the Boston Post Road, on Tuesday, April 22.

Mrs. James G. Patterson, president of the group, called the meeting to order at eleven o'clock and the usual reports were given by the officers. Mrs. Susan F. Tuttle reporting for the nominating committee, read the slate of officers for the coming year, and the president, Mrs. Patterson; vice-president, Mrs. Walter Amesbury; treasurer, Mrs. Arthur Freeman; secretary, Mrs. Paul Tardivel; directors, Mrs. William P. DeWitt and Mrs. George F. Howland; chairman of the Social Committee, Mrs. Albert Palmateer were re-elected. Mrs. Sherman Chase was elected director to fill the office made vacant by the termination of office of Miss Alice Dike, and Mrs. Eugene Ufford and Miss Elizabeth Eaton were elected as chairmen of the motor and program committees respectively.

In Miss Eaton's absence, a member of her committee, Mrs. Arthur G. Robinson, announced the study for the coming year to be "Our Neighbors to the North and South," a continuation of this year's program. At this time the individual topics for each day were allotted.

A skit written for the occasion by a member of the club, Mrs. John I. Heibeck, depicting the past fifty years was given at the close of the business meeting.

The story started with the founding of the club, Mrs. Guy M. Winslow taking the part of the hostess, Mrs. Welcome, and her five guests were Mrs. Serious, Mrs. E. Sherman Chase; Mrs. Artistic, Mrs. Walter Amesbury; Mrs. Bright, Mrs. Edmund I. Wilson; Mrs. Everlate, Mrs. Franklin Leland; Mrs. O. B. Ject, Mrs. Grace Fiske. An uninvited guest, a Gypsy, was played by Mrs. Ernest F. Drew. The gowns worn by the club members were of the period of a half century ago, while the gypsy wore the bright colors expected from her race.

In her position as a fortune teller, she sold them magic baskets, each of which later revealed what the future had in store for the club. As many of the events were foretold, carriers entered with appropriate articles to demonstrate them. Among the highlights of the club had been the planting of a tree on Nye Park on the fortieth birthday of the club, the gift of four hundred dollars with which to start the fund for the Auburndale Library. Many of the club programs were included which had been outstanding. Assisting the cast was Mrs. Eldin Lynn.

Luncheon was served at the close of the program during which the Roll was called, each member responding with some word concerning the program of the past year. These included many original jingles, as well as interesting bits of information.

At the close the group sang a song written for the occasion by Mrs. Guy M. Winslow to the tune of "Long, Long Ago."

Before disbanding, the owner of the place, Mrs. Joseph Otis who for many years had been a valued member of the club, was asked to join the group and greet the members old and new.

Newton Junior Community Club

The second annual dessert bridge party sponsored by the Newton Junior Community Club was held Tuesday evening at 7:45 at the Hunnewell Club with an attendance of 130. In addition to table prizes, winners of four grand prizes were Miss Virginia Brownell, Mr. Maurice W. Dennison, Mrs. Ivan K. Hoyt, and Mrs. C. Laurence Barber. Miss Alice Andersen was chairman of the committee on arrangements and was assisted by the Misses Gertrude Dennison, Ruth W. Aldrich, Dorothy Schliephake, Frances Guion, Barbara Harrison, Ruth Harrison, Marjorie W. Aldrich and Mrs. Curtis M. Haug.

ALLEN—LANE

Miss Elizabeth Deering Lane, daughter of School Superintendent and Mrs. Walter S. Lane of Charlemont, Mass., was married to John Wentworth Allen, son of Mr. and Mrs. Edgar W. Allen of Central ave., Newtonville, at two o'clock on Saturday afternoon, April 19, in the Congregational Church at Charlemont. The ceremony was performed by the pastor, Rev. Arthur S. Simmons, and was followed by a reception.

The bride wore a gown of white organza and lace with a veil of tulle caught by a wreath of schizanthus. Her bouquet was of gardenias, sweet peas and schizanthus. Miss Margaret Page, sister of the bride, who served as maid of honor, wore a gown of pastel pink and Miss Joan Kent Lane, the junior bridesmaid, wore pastel blue. The bridesmaids were Miss Barbara Avery of Charlemont and Miss Barbara Baker of Shelburne Falls, who were gowned in aqua, Miss Helen Rush of Barre and Miss Dorothy Stead of Pittsfield, who wore gowns of yellow. All of the attendants carried Colonial bouquets of Spring flowers.

William Allen of Newtonville, served as best man for his brother. The ushers were Craig Lane of Greenfield, Dr. Alex Politis of North Adams, Floyd O. Matthews, Jr., of Charlemont and Wayne Baker of Northbridge.

The bride was graduated from the Charlemont High School in 1936 and from the North Adams State Teachers College last year. She has been teaching in Pelham where she plans to finish the school year. The groom was graduated from the Newton High School and the Wentworth Institute. He is with Swift & Co. in Rhode Island where they plan to make their home on their return from a wedding trip.

FISHER—PEARSON

Miss Mary Ann Pearson, daughter of Mr. and Mrs. James E. Pearson of 3 Centre st., Waltham, was married to Charles Edmund Fisher, son of Mr. and Mrs. Francis H. Fisher of 7 Erie ave., Newton Highlands, on Saturday, April 19, in St. Mary's Church, Waltham. Rev. Herbert A. Phinney performed the ceremony which was followed by a reception at the home of the bride's parents.

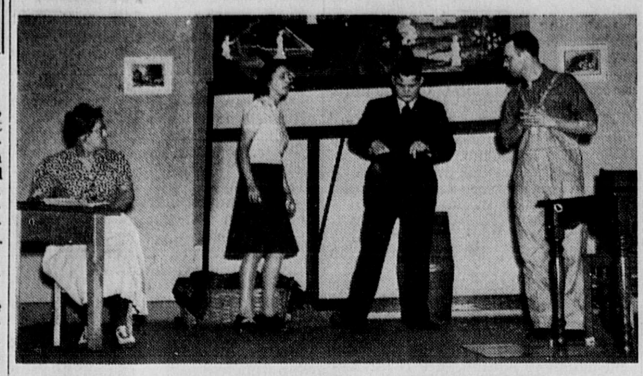

The bride wore a suit of tweed with a violet straw hat trimmed with matching veil and a violet blouse with a corsage of white rosebuds. She was attended by her sister, Miss Phyllis Pearson, who wore a navy tailored suit with light blue blouse and a corsage of pale pink rosebuds.

Robert Higgins of Newton Highlands was the best man.

On their return from a trip to Washington, D. C., Mr. and Mrs. Fisher will reside in Waltham.

The bride is a graduate of St. Mary's High School and a member of St. Mary's Alumnae. The groom attended Newton High School and a Boston business school.

COUPLES' CLUB PRESENTS PLAY

Scene from "Aaron Slick of Punkin Crick"

(Left to right—Mrs. Emma Hosbach, Mrs. Janet Stambaugh, Lester Gee and Ian Salmond)

Probably the most famous of amateur plays—"Aaron Slick from Punkin Crick"—is this year's presentation of the Couples' Club of Grace Church, Newton.

The play will be given Friday and Saturday nights, April 25 and 26, at Grace Church Parish House at 8:30 p. m.

The story of Aaron's rural skullduggery is credited with more than 25,000 performances — more even than famous "Tobacco Road." Aaron's career in the big city is an entertaining demonstration of how to out-slick the city slickers.

Title role of the Couples' Club presentation will be taken by Mr. Ian Salmond. Others in the cast are Mrs. Emma Hossbach as "The Widow Berry," Mr. Lester Gee as "Uncle Wilber", Mrs. Takou Bonney as "Sis Rigs," Mrs. Phyllis Dauten as "The Woman in Red," Mr. Frank Carroll as "The Mysterious Poet," Mrs. Janet Stambaugh as "Gladys."

Mr. James Stewart who directed previous Couples' Club plays has again supervised this year's play.

MOUSER—HUSTED

Miss Dorotha Glenna Husted, daughter of Mr. and Mrs. Glenn W. Husted of 65 High st., Waltham, was married to Edward Frederick Mouser, Jr., son of Mr. and Mrs. Edward F. Mouser of 65 Highland park, Newtonville, at eight o'clock on Saturday evening, April 19, in the Immanuel Methodist Church, Waltham. Rev. Edson Gould Waterhouse performed the ceremony. A reception was held in the chapel following the ceremony.

The bride, who was given in marriage by her father, wore a princess gown of white lace and net. Her veil was caught to a tiara of lace and she carried a white prayer book with a shower of gardenias and sweet peas. Mrs. Helen Mitchell, sister of the bride, was the matron of honor. The bridesmaids were Miss Florence W. Wheeler, Miss Ardelle Martin, Miss Millicent Draper, all of Waltham and Miss Nancy Carter of Newton. All of the attendants wore gowns of white marquisette and lace with white small veiled hats and carried flower muffs.

James Alfred Mouser, brother of the groom, was the best man. The ushers were William Aston, Chester W. Ruggles, Lloyd C. Ruggles and James Mitchell.

On their return from a wedding trip to New York, Washington, and Virginia Mr. and Mrs. Mouser will reside at 9 Dennison st., Waltham, where they will be at home after May 1.

The bride is a graduate of the Waltham High School and the groom of the Newton High School. He is employed in the Newtonville office of the Newton Trust Company.

BLACK—DANIELS

Miss Lillian Rosamond Daniels, daughter of Mrs. Lawrence L. Daniels of 221 Waltham st., West Newton, was married to Joseph Francis Black, son of Mr. Samuel Black of 301 Whiting ave., Dedham, at ten o'clock on Saturday morning in St. Charles Church, Waltham. Rev. Francis H. Daniels, brother of the bride, of the Sacred Heart Church, Atlantic, performed the ceremony.

The bride was given in marriage by her brother, Lawrence L. Daniels. She wore a gown of white chiffon with a collar of seed pearls and a veil of tulle which fell from a tiara of seed pearls. Her bouquet was of gardenias and lilies of the valley. Mrs. Charles O. Monahan, sister of the bride, was the matron of honor and Miss Mazie Monahan, niece of the bride, the junior bridesmaid. Mrs. Monahan wore blue silk marquisette and carried a bouquet of token roses and larkspur. The junior bridesmaid wore peach net over taffeta and carried an old fashioned bouquet.

James Black, brother of the groom, was the best man. The ushers were Charles Black, Edward Black, Charles Monahan and James J. Callahan.

On their return from a wedding trip to New Orleans and Florida, Mr. and Mrs. Black will reside in Dedham.

The bride is a graduate of St. Charles High School. The groom attended Dedham High School and the Bentley School of Accounting.

PETERSON—SINCUK

Miss Sophie Anne Sincuk, daughter of Mr. and Mrs. Joseph Sincuk of 576 Grove st., Newton Lower Falls, was married to Thomas Leo Peterson, son of Mr. and Mrs. Lawrence A. Peterson of 19 Neal st., Newton Lower Falls, at two o'clock on Sunday afternoon, April 20, in St. John's Church, Wellesley Hills. Rev. Henry C. Reardon performed the ceremony which was followed by a reception at the home of the bride's parents.

The bride wore a princess gown of white lace. Her long veil of tulle was caught to a Juliet cap of rosepoint lace and she carried white roses and baby's breath. Mrs. James F. McCann of Auburndale, sister of the groom, was the bride's only attendant. She wore blue tulle with matching hat and carried Spring flowers. James F. McCann was the best man.

On their return from a trip to New York and Washington, Mr. and Mrs. Peterson will reside at 576 Grove st., Newton Lower Falls.

The bride and groom are both graduates of the Newton High School.

Other Weddings on Page 6

O'CONNOR—CASEY

Miss Mary J. Casey, daughter of Mr. and Mrs. Thomas Casey of 6 Eldredge rd., Jamaica Plain, was married to John B. O'Connor, son of Mr. and Mrs. Edward O'Connor of 78 Circuit ave., Newton Highlands, on Saturday morning at 9 o'clock at a nuptial mass in St. Andrew's Church, Forest Hills. Rev. Patrick Durant performed the ceremony which was followed by a reception at the Hotel Touraine, Boston.

The bride wore a princess gown of white satin and an illusion veil edged with lace. She carried a bouquet of gardenias and lilies of the valley with an orchid centre. Miss Anne H. Casey, sister of the bride, was the maid of honor. She wore aqua chiffon and carried Spring flowers. The bridesmaids were Miss Eileen Casey, Miss Mary Tracy and Miss Jane Gorman. They wore yellow chiffon with horsehair hats and carried Spring flowers.

Martin J. O'Connor was the best man. The ushers were Joseph Casey, Stephen Casey and Bartholomew O'Connor.

On their return from a Southern cruise, Mr. and Mrs. O'Connor will reside in Roslindale.

The bride is a graduate of the Girls' High School, Boston, and of the Chandler Secretarial School. The groom attended Boston Latin School and Harvard College.

FITZSIMMONS—McDONNELL

Miss Ruth Gertrude McDonnell, daughter of Mrs. James Henry McDonnell of 19 California Park, Watertown, was married to Joseph Thomas Fitzsimmons, son of Mr. and Mrs. Joseph Fitzsimmons of 853 Washington st., Newtonville at three o'clock on Sunday afternoon, April 20, in St. Patrick's Church, Watertown. Rev. Albert A. Jacobbe performed the ceremony which was followed by a reception at the home of the bride.

The bride wore a gown of white net with a long train. Her veil was caught to a cap of orange blossoms and she carried a bouquet of white roses. Miss Mildred Fitzsimmons, the maid of honor, wore pink taffeta with a crown of pink roses tied with blue ribbon on her hair. She carried an old fashioned bouquet.

James Joseph McDonnell was the best man.

On their return from a wedding trip to New York Mr. and Mrs. Fitzsimmons will reside at 359 Linwood ave., Newtonville.

The bride is a graduate of the Watertown High School. Mr. Fitzsimmons is a graduate of St. Charles High School.

THURSTON—DALES

Miss Lois Holden Dales, daughter of Mr. and Mrs. Clarence Orvielle Dales of 14 Exeter st., West Newton, was married to Stephen Harvey Thurston, son of Mr. Walter H. Thurston of Belmont on Friday, April 18. The ceremony was performed at the home of the bride's parents by Rev. Boynton Merrill of the Second Church, West Newton, and a reception followed.

Mrs. Atherton C. Vose of Brookline, sister of the bride, was the matron of honor. Herbert M. Thurston, brother of the groom, of Newton Centre was the best man.

The bride is a graduate of the Katharine Gibbs School. The groom attended Boston University and is a member of Sigma Alpha Epsilon.

Mr. and Mrs. Thurston have gone on a cruise to Florida.

Rotary Club

At the regular meeting of the Rotary Club on Monday the guest speaker was Joe Limric. Starting with a serious resume of the gigantic naval building program he launched into a humorous talk which was received with great enthusiasm. The concluding part of the meeting featured a talking movie entitled "Wings of Gold" and covering shots taken at the naval air training station at Pensacola, Florida.

Paul Elicker, a former member now residing in Washington, was a visitor. Dr. Sydney DeRow left this week for service with the naval medical staff. Next week's meeting will feature a talk on "Can Democracy Work?"

Newton Women Delegates To Catholic Congress

Mrs. Alphonse C. Kallan, President of the Guild of St. Francis, and Mrs. James A. Waters were delegates of the Sacred Heart Parish to the 5th Annual Diocesan Congress sponsored by The League of Catholic Women.

The Congress was held at St. Clements Church and the Somerset Hotel on Tuesday and Wednesday of this week, the theme, "Protect Our Youth."

Recent Engagements

Mr. and Mrs. LeRoy P. Guion of 159 Oakleigh rd., Newton, announce the engagement of their daughter, Miss Ellen Guion to Dudley Braithwaite, son of Mr. and Mrs. Ernest Braithwaite of 366 Central st., Auburndale.

Miss Guion was graduated from Massachusetts State College, and Mr. Braithwaite attended Bowdoin College.

Mr. and Mrs. Raymond Wilson of Auburndale, formerly of Lincoln, announce the engagement of their daughter, Miss Joan Wilson, to Edmund Hamilton Kent, son of Mr. and Mrs. Raymond W. Kent of Newton Highlands.

Miss Wilson is a graduate of the Hickox Secretarial School. Mr. Kent graduated from Rhode Island State College in 1938 and is a member of Theta Chi.

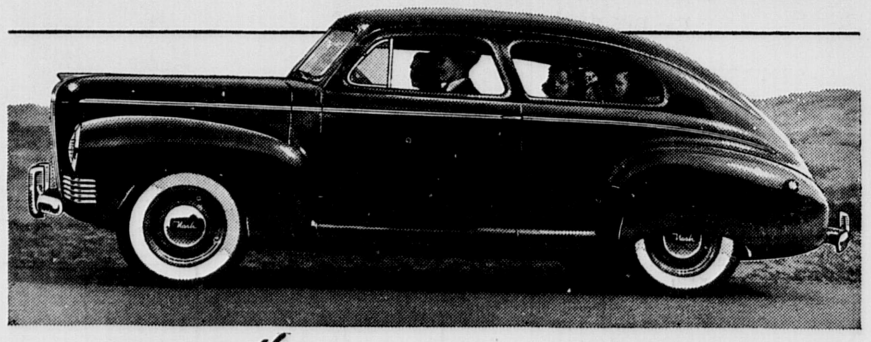

Mr. and Mrs. Whittemore C. Archibald announced the engagement of their daughter, Miss Helen Louise Archibald to Charles Edmund Lewis, son of Mrs. Ethel N. Lewis of Lynn, at a tea Saturday at their home at 12 Kimball ter., Newtonville. Miss Archibald is a graduate of the State Teachers' College at Framingham and Mr. Lewis is a graduate of the Massachusetts Nautical School.

Pourers at the tea were Mrs. Lewis and Mrs. Erle M. Sanderson, aunt of the bride-to-be. Miss Frances Archibald, a sister, and Miss Joan Sanderson, a cousin, served; another cousin, Miss Priscilla Archibald, presented little corsages of bachelor buttons and yellow roses to each of the guests as they arrived. About fifty guests attended the tea.

Dr. and Mrs. Richard L. Rice of Squantum, formerly of Newton, announce the engagement of their daughter, Miss Edna G. Rice, to Mr. A. Rexford MacAlister of Westwood, Massachusetts.

NEVER BEFORE HAS $755* BOUGHT YOU SO MUCH AUTOMOBILE!

Drive this New Kind of Car!

In this Big Nash Sedan you get up to 30 Miles to the Gallon . . the Widest Seats . . The Smoothest Ride and Easiest Handling a Car can give you!

HERE'S the car—and the price—that are behind the biggest swing in history to Nash!

Never before has a lowest-price car offered you *so much more!* For example:

Want the Most Economy? This big, husky Nash gives good drivers *up to 30 miles a gallon* . . . with overall savings of $70 to $100 a year!

Want the Roomiest Car? Nash has the most seating room. Front seat's nearly five feet wide! Lots of head-room! Sweeping picture windows!

Want the Smoothest Ride? Nash alone has *coil* springing *on all four wheels* for the smoothest kind of ride any car can give you.

Want the Easiest Handling? Owners say it's the easiest car in the world to drive and park. With Two-way Roller Steering—this Nash grips the curves, and just *scoots* through traffic!

Want the Most Comfort? Only in Nash can you get a Weather Eye Conditioned Air System . . . a "Sedan Sleeper" Bed for touring . . . the safety of a unitized body—welded-to-frame.

ANNOUNCING

New Low Gas Rates FOR HEATING

Making Modern Gas Heat Available to Every Home — Small or Large — for Heating Your Kitchen or Your Entire House!

WE are most pleased to announce a substantial reduction in the cost of gas for kitchen heating and house heating, to be effective on meter readings on and after May 1, 1941.

These new rates now make available to every type of home the modern advantages of gas heating. It is especially advantageous to those living in small homes, although all types of customers using gas for heating their kitchens or entire homes, small or large, will make substantial savings.

SAVINGS AS HIGH AS 13%

Users living in smaller homes will enjoy savings as great as 13 per cent, while the average saving for all classes of heating customers is over 8½ per cent.

You are eligible to enjoy these materially reduced rates if you (1) Use gas for your major space heating requirements, or (2) Heat your kitchen primarily with gas heating equipment, or (3) Use at least one-half your yearly consumption of gas for the purpose of space heating.

BENEFITS TO ALL HEATING CUSTOMERS

Our present heating customers, as well as those who now decide to adopt this most convenient of all heating methods, will benefit from the savings of these new rates.

Gas offers an entirely automatic, carefree and healthful method of heating your kitchen or your entire house. It eliminates completely all heating work and bother and provides scientifically-controlled and ever-dependable heat for the home.

With the new low rates this splendid service, already enjoyed by thousands of our customers, widens its usefulness and offers its great benefits to you, for your home, at a most economical cost.

COMPLETE DETAILS NOW AVAILABLE

We sincerely hope you may decide to take fullest advantage, right now, of this modern heating service that is now so easily within your reach. For complete details or a free survey showing how thriftily gas can now heat your kitchen or entire home please write to our House Heating Division, 100 Arlington Street, Boston, or phone this Division at HUBbard 7600.

Your request will receive our most prompt and appreciative attention.

Buick SPECIAL *6-passenger Sedanet, $1006. White sidewall tires extra.★*

No Clothespin on this Car's Nose!

WOULDN'T a sprinter or a long-distance runner look silly trying to race with a clothespin firmly clamped on his nose!

Yet, in a sense, something fairly close to that happens in nearly every car that lacks Buick's sensational Compound Carburetion.†

For your engine has to breathe in huge quantities of air to be mixed with gasoline before it is burned in the cylinders.

The faster you go, or the more power you call for, the more air your engine needs for smooth, efficient, top-economy operation.

But single-carburetor fuel supply systems handle only a given air volume.

This volume can't be entirely enough for top-range performance or it would be too much for low-range travel, giving a thin, inefficient power-light mixture.

To that extent, then, an ordinary engine has a clothespin on its nose – a limitation on air supply for big power operation.

We remove that clothespin very simply – by having *two* carburetors; one that handles all casual driving smoothly and efficiently, another to jump in with more air and more fuel when you call for extra power by stepping on the gas treadle!

Simple? Very simple indeed.

And simply *marvelous* in the extra FIREBALL *wallop* it gives you and in the gas savings you get – as much as 10% to 15% over previous Buicks with the same-size engines.

Maybe you'd better go see your Buick dealer now.
